супротно правилима Међународног хуманитарног права кршећи одредбе члана 3. Став 1. тачка а) и ц) и чл. 27. Женевске конвенције о заштити цивилних лица за вријеме рата од 12 августа 1949. године, тако што је за вријеме рата присилио на сексуални однос једну жену цивила српке националности, а све на следећи начин:

Тачно неутврђених дана у временском периоду од 18.09.1992. године до 04.10.1992. године, у вечерњим сатима, на подручју општине Зворник, у подруму млина власништво Смајила Јунузовића, у селу Бајрићи, а који је служио као затворска просторија у којој је држана као заробљеник А.О., за вријеме док је обављао стражарске дужности, у више наврата, а најмање двапут, присилио на сексуални однос А.О., која је у то вријеме била у другом стању, употребом сile, на начин што је долазио у поменуту просторију наоружан пушком и пиштољем, те се А.О. обраћао ријечима: „Сад ћеш да видиш како Турчин јебе“, наређивао јој да скине са себе сву одjeћу, што је оштећена, плашећи се за свој живот и урадила, те јој рекао да легне након чега ју је Костјеревац Адем силовао, при чему ју је гризао и говорио јој: „Нећете остати ни у Београду“, а усљед којег силовања је А.О. изгубила трудноћу,

Дакле, за вријеме рата у Босни и Херцеговини и то оружаног сукоба између АРБиХ и ВРС, кршећи правила међународног права, присилио једну жену цивила на сексуални однос,

Чиме је починио кривично дјело Ратни злочин против цивилног становништва из члана 142. Став 1. Кривичног закона СФРЈ.

На основу члана 227. став 1. тачка ф) ЗКП-а БиХ, подносим:

РЕЗУЛТАТЕ ИСТРАГЕ

Резултати спроведене истраге на недвосмислен начин потврђују основаност ове оптужнице, тј. прикупљено је довољно доказа који потврђују основану сумњу да је осумњичени Костјеревац Адем починио кривично дјело у вријеме, на мјесту и на начин како је то описано у диспозитиву оптужнице.

Из чињеничног стања утврђеног у истрази које је засновано како на објективним доказима, тако и на исказима саслушаних свједока, утврђено је:

- Да је осумњичени починио кривично дјело које му се ставља на терет овом оптужницима за вријеме рата у Босни и Херцеговини и то у вријеме оружаног сукоба између Војске Републике Српске и Армије Републике Босне и Херцеговине, као припадник једне од страна у сукобу,
- Оштећено лице је било заштићено према међународном хуманитарном праву,
- Постоји *pexus* између кривичног дјела за које се осумњичени терети и оружаног сукоба,
- Кривично-правне радње које је осумњичени починио представљају повреде заједничког члана 3. Женевских конвенција,
- Кршење је тешко и укључује озбиљне посљедице,
- Осумњичени је индивидуално одговоран за извршено кривично дјело.
- Осумњичени је био свјестан постојања оружаног сукоба и статуса оштећене,
- Постоји довољно доказа за почињено кривично дјело ратног злочина.

Постојање оружаног сукоба у БиХ

Све кривично-правне радње које се осумњиченом стављају на терет овом оптужницијом почињене су у вријеме оружаног сукоба, а да је такав сукоб постојао на подручју БиХ па тако и општине Зворник, првенствено је утврђено на основу донесених одлука Предсједништва Републике БиХ о проглашењу непосредне ратне опасности од 08. априла 1992. године и Одлуке о проглашењу ратног стања Предсједништва РБиХ од 20. јуна 1992. године. Ратно стање на подручју БиХ трајало је све до доношења одлуке Предсједништва БиХ о престанку ратног стања, која је ступила на снагу 22.12.1995. године. Наведено додатно потврђује и одлука Предсједништва Српске Републике Босне и Херцеговине о проглашењу непосредне ратне опасности.

Постојање оружаног сукоба између Армије Републике Босне и Херцеговине и Војске Републике Српске у периоду од 18.09.1992. године до 04.10.1992. године на подручју општине Зворник сагласно у својим изјавама потврђују и сви саслушани свједоци.

Сви прикупљени докази указују да је оружани сукоб у вријеме извршења кривичног дјела за које се осумњичени терети већ трајао дужи временски период, да је био интензиван и да су стране у сукобу билеовољно организоване да се међусобно сукобе војним средствима.

Својство оштећене

Спроведеном истрагом је на несумњив начин утврђено да је оштећена А.О., имала својство заштићеног лица према правилима међународног хуманитарног права, односно својство лица које не учествује непосредно у непријатељствима, подразумијевајући ту и припаднике оружаних снага који су положили оружје и лица онеспособљена за борбу у следећим болестима, ране, лишења слободе или из било којег другог узрока.

Наведено својство оштећене у првом реду утврђено је њеним изјавама, као и изјавама других свједока.

Из прикупљених доказа се јасно види да се ради о цивилу лишеном слободе, који није представљао никакву пријетњу по безбједност јединица АРБиХ нити успостављен систем власти РБиХ на критичном подручју, већ је очигледно да је оштећена лишена слободе и физички зlostављана искључиво због своје националне припадности, а не због постојања неког правног основа. Оштећена А.О. је жена српске националности која је доведена и затворена у затворенички објекат војне полиције који се налазио у подруму једне куће у селу Бајрићи, општина Зворник, само из разлога што се ради о цивилу српске националности.

Својство оштећене утврђено је пресудом Суда БиХ против Вејза Бјелића, број: X-KP-07/430-1 од 28.03.2008. године, којом пресудом се наводи: "јасно је да свједокиња није имала никакво наоружање, није била припадник оружаних снага било које стране, те је без сумње имала статус цивила и као таква и лишена слободе."¹

Својство оштећене утврђено је и пресудом Суда БиХ против Ферида Хоџића, број X-KP-07/430 од 29.06.2008. године, којом пресудом Суд, усљед опречних и недостатних доказа, са сигурношћу није могао утврдити статус А.О. у вријеме када је заробљена, те је примјеном члана 50. став 1. Допунског протокола I Женевским конвенцијама, а који прописује: "У случају сумње да ли је неко лице цивил, то лице ће се сматрати цивилом", Суд утврдио да се оштећена има сматрати цивилом у контексту њеног затварања од стране органа који су је затворили.²

Nexus/веза између кривичног дјела за које се осумњичени терети и оружаног сукоба

Спроведеном истрагом је на несумњив начин доказано да постоји веза између оружаног сукоба и кривичног дјела за које се осумњичени терети. Кривично дјело које се ставља на терет осумњиченом представља тешке повреде Женевске конвенције о заштити цивилних лица за вријеме рата од 12. августа 1949. г., и посљедица је оружаног сукоба.

¹ Тужилаштво против Вејза Бјелића, пресуда Суда БиХ број X-KP-07/430-1 од 28.03.2008. године, стр. 13;

² Тужилаштво против Ферида Хоџића, пресуда Суда БиХ број X-KP-07/430 од 29.06.2008, пара. 18;

У погледу релевантних фактора за оцјену везе (*nexusa*) са оружаним сукобима, утврђено је следеће:

Спроведеном истрагом је утврђено да је осумњичени у инкриминисаном периоду био припадник војних формација Армије Републике Босне и Херцеговине, а што произилази из документације Федералног министарства одбране, где је видљиво да је осумњичени овим формацијама приступио 08.04.1992. године и био припадник све до краја ратног стања, а и послије, односно до 17.04.1996. године. Наведено произилази и из наредбе о именовању Војне полиције број 107/92 од 25.07.1992. године, тако и из изјава оштећене, те свједока који су са осумњиченим били ангажовани у истој војној јединици. Наведену припадност војној полицији потврђује и сам осумњичени у својој изјави датој на записник о испитивању.

**Кршење обичајног права (кршење заједничког члана 3. Женевских конвенција),
тешко кршење**

Оштећена је била заштићена међународним правом.

Спроведеном истрагом је на несумњив начин утврђено да је оштећена имала статус цивила који не учествују непосредно у непријатељствима.

Све наведене посљедице представљају озбиљна кршења заједничког члана 3. Женевских конвенција која су произвела тешке посљедице за жртве које се код оштећене А.О. огледају у силовању и то на нарочито понижавајући начин, те које је имало тешке посљедице по жртву у виду губитка трудноће која је постојала код оштећене у вријеме самог заробљавања и затварања у затворенички објекат војне полиције.

Такође, оштећена је незаконито лишена слободе, јер иако према правилима међународног хуманитарног права, лишење слободе цивила у оруженом сукобу може бити дозвољено у извјесним околностима, оно је противправно ако интернирање или

упућивање заштићених лица на принудни боравак није апсолутно потребно. Поред тога, чак и ако је лишење слободе у почетку било у складу са правом, оно постаје противправно ако се лицу лишеном слободе не омогући да надлежни суд или административно тијело што је прије могуће не испита лишење слободе или да суд или административно тијело потом бар два пута то опет учине. Ови ставови произилазе не само из одредби међународног хуманитарног права, већ и из судске праксе МКСJ.³

Осумњичени је индивидуално одговоран за извршено кривично дјело

Истрагом је на несумњив начин утврђено да је осумњичени индивидуално одговоран за извршено кривично дјело. Наиме, из изјава оштећене произилази да је осумњичени директно учествовао у радњама извршења.

Осумњичени је био свјестан постојања оружаног сукоба и статуса жртве

Осумњичени је поступао као припадник једне од страна у сукобу и као такав био је свјестан постојања оружаног сукоба, као и статуса жртве.

По правилима међународног права, цивил (цивилно лице) означава свако лице које не припада оружаним снагама и не учествује директно у борбеним дејствима, односно свако лице које није борац. И борци када не учествују у борбеним дејствима имају статус цивила. У случају сумње да ли је особа цивил, та ће се особа сматрати цивилом.

У конкретном случају осумњичени је био свјестан да поступа према жени српске националности која је у затвореничком објекту била затворена једино из разлога своје националне припадности, те се у односу на припаднике војне полиције налазила у подређеном положају, изложена атмосфери терора створеној убијањем, злостављањем, мучењем, сталним силовањима и држањем у нехуманим животним условима а што је осумњичени искористио приликом предузимања кривичноправне радње из диспозитива оптужнице.

³ Тужилац против Дарија Кордића и Марија Черкеза, пресуда МКСJ број IT-95-14/2-A од 17. децембар 2004., пара 70;

Одбрана осумњиченог

Осумњичени је приликом испитивања у свом мјесту становања, на адреси 8205 Kammerer Avenue, St. Louis, Missouri 63123 Сједињене Америчке Државе, а које испитивање је извршено од стране агената ФБИ (Federal Bureau of Investigation), а све по Замолници Тужилаштва БиХ за међународну правну помоћ упућену путем Министарства правде БиХ надлежним органима Сједињених Америчких Држава дана 01.07.2014. године, изнио своју одбрану, те је том приликом негирао да је починио кривичноправну радњу која му се ставља на терет овом оптужнициом, при том не спорећи чињеницу да је био припадник Војне полиције у Интервентном одјељењу „Липље“. Осумњичени негира да је извршио силовање оштећене, међутим наводи да оштећена јесте била заробљена у нападу на Ново Село који су припадници АРБиХ извршили дана 17.09.1992. године, те да је држана као заробљеник у селу Бајрићи. Осумњичени наводи да он није познавао А.О., међутим, познавао је њеног мужа С.О., који му је био школски друг. Адем Костјеревац у својој изјави надаље наводи да је он А.О., док се налазила у заробљеништву слao храну, да је рекао да јој се да брашно од пшенице, јер је А.О. рекла да не може да једе брашно од кукуруза, те да се противио томе да се оштећена убије, а што су предлагала друга лица која су се током критичног периода налазила у Бајрићима. Осумњичени наводи да је А.О. видио само једном за вријеме док се оштећена налазила као заробљеник у Бајрићима, те да је те прилике примјетио да је иста имала видљиве повреде на себи. Адем Костјеревац је изјавио и да је А.О. имала слободу кретања за вријеме док је боравила у Бајрићима.

Међутим, да је осумњичени заиста починио радње које му се овом оптужнициом стављају на терет, произилази из исказа свједока који су саслушани у току истраге, прије свега саме оштећене А.О. а тако и других предложених свједока који потврђују да је оштећена била заробљена и у критичном периоду затворена у мјесту Бајрићи, затим да је осумњичени био припадник војне полиције који је, између осталих, обезбеђивао оштећену током заробљеништва. О свом заробљеништву као и о самом чину силовања и осумњиченом Адему Костјеревцу као извршиоцу силовања оштећена је детаљно свједочила и пред Међународним судом за бившу Југославију, дана 08.02.2005. године у предмету број ИТ-03-68-T те је транскрипт са тог свједочења у прилогу ове оптужнице.

Поред тога, искази свих свједока су поткријељени и приложеним материјалним доказима-медицинском документацијом, као и другим прикупљеним документима и записницима. Оштећена А.О. је осумњиченог познавала од раније, познаје његову сестру а и срела га је непосредно пред сам почетак рата, у Новом Селу заједно са својим мужем С.О., који је осумњиченог познавао од раније, будући да су похађали исту основну школу у Новом Селу.

Цијенећи све напријед наведено, сматрам да постоји доволно доказа за основану сумњу да је осумњичени Адем Костјеревац починио кривично дјело које му се ставља на терет овом оптужници, чиме је оптужница основана, па предлажем да судија за претходно саслушање Суда БиХ исту у цјелости потврди.

На основу члана 227. став 1. тачка г) ЗКП-а, подносим:

COURT OF BOSNIA AND HERZEGOVINA

- Preliminary Hearing Judge -

SARAJEVO

Pursuant to Article 35(2)i), Article 226(1) and Article 227 of the Criminal Procedure Code of Bosnia and Herzegovina, I am hereby issuing the indictment as follows.

I N D I C T M E N T

versus

ADEM KOSTJEREVAC, father's name Sulejman, mother's name Džemila, nee Ibrahimović, born on 11 September 1961 in Snagovo, Municipality of Zvornik, married, father of four, with the latest known place of residence in BiH in Snagovo, Municipality of Zvornik, Bosniak by ethnicity, citizen of BiH, currently residing at 8205 Kammerer Avenue, St. Louis, Missouri 63123, United States of America, no criminal record, JMBG 1109961183893,

Because:

During the war and armed conflict in Bosnia and Herzegovina, as a member of the Military Police of the I Muslim Brigade Zvornik of the Army of BiH, between 18 September 1992 and 4 October 1992, in the territory of the Zvornik municipality, he acted in violation of

international humanitarian law by breaching Article 3(1) a) and c) and Article 27 of the Convention Relative to the Protection of Civilian Persons in Time of War of 12 August 1949, forcing a Serb woman to sexual intercourse during the war, in the manner as follows:

On yet unidentified dates during the period between 18 September 1992 and 15 October 1992, in the evening hours, in the territory of the Zvornik municipality, in the basement of the mill owned by Smajil Junuzović, in the village of Bajrići, which served as a detention room in which A.O. was held prisoner, during the period over which he performed his duties as a guard, on multiple occasions, at least twice, he forced A.O. to sexual intercourse, although she was pregnant at the time, by the use of force, by entering the room armed with a gun and a rifle, and addressed A.O. with the words: "Now you will see how a Turk fucks," ordered her to take off all her clothes, which the victim did, fearing for her life, and told her to lie down, after which Adem Kostjerevac raped her, while biting her and telling her: "There won't be any of you left, not even in Belgrade," due to which rape A.O. lost her pregnancy,

Therefore, during the war in Bosnia and Herzegovina, the armed conflict between the ARBiH and VRS, in violation of the rules of international law, he forced a civilian woman to sexual intercourse,

whereby he committed the criminal offense of War Crimes against Civilians under Article 142(1) of the Criminal Code of SFRY.

v) to read out the Suspect Examination Record

Pursuant to Article 227(1)f of the CPC BiH, I hereby submit:

INVESTIGATION RESULTS

Results of the conducted investigation unequivocally confirm the grounds of the present Indictment, namely that sufficient evidence was obtained confirming the grounded suspicion that the suspect Adem Kostjerevac committed the criminal offense at the time, in the place and in the manner as described in the operative part of the Indictment.

The state of facts established during the investigation, which is based on both the objective evidence and the testimony of the examined witnesses, showed the following:

- that during the war in Bosnia and Herzegovina and the armed conflict between the Army of the Republika Srpska and the Army of the Republic of Bosnia and Herzegovina, the suspect, as a member of one of the parties to the conflict, indeed committed the criminal offenses as charged under the present Indictment,
- the injured party was protected under international humanitarian law,
- there is a *nexus* between the criminal offense charged against the suspect and the armed conflict,
- the suspect committed the criminal acts at issue in violation of common Article 3 of the Geneva Conventions,
- violations are serious and include serious consequences,
- the suspect is individually responsible for the committed crime,
- the suspect was aware of the existence of armed conflict and the status of the injured party,
- there is sufficient body of evidence proving that the criminal offense of war crime was committed.

Existence of the armed conflict in BiH

All criminal acts charged against the suspect under the Indictment during the armed conflict. That such a conflict existed in the BiH territory, Zvornik Municipality, was primarily established based on the Decision of the Presidency of the Republic of BiH to Declare Imminent Threat of War of 8 April 1992, Decision of the Presidency of the Republic of BiH to Declare the State of War of 20 June 1992, state of war in the BiH territory was ended by the Decision of the Presidency of the Republic of BiH to Terminate the State of War, which came into effect on 22 December 1995. The foregoing is further corroborated by the Decision of the Presidency of the Serb Republic of Bosnia and Herzegovina proclaiming the Imminent Threat of War.

The existence of armed conflict between the Army of the Republic of Bosnia and Herzegovina and the Army of Republika Srpska in the period between 18 September 1992 and 4 October 1992 in the territory of Zvornik Municipality was consistently confirmed by the testimony of all examined witnesses.

All collected evidence suggests that, at the time of the commission of the criminal offense charged against the suspect, the armed conflict had already been lasting for quite some time, that it was intensive and that the parties to the conflict were sufficiently organized to confront each other by military means.

Status of the injured party

It was established beyond a doubt during the investigation that the injured party A.O. had the status of protected person under the rules of international law, namely the status of the person taking no active part in the hostilities, including members of the armed forces who have laid down their arms or those *placed hors de combat* by sickness, wounds, detention or any other cause.

The referenced status of the injured party was established primarily on the basis of the injured party's statements as well as the other witnesses' statements.

The evidence collected clearly shows that the injured party was a detained civilian posing no threat to the safety of units of the ARBiH or the system of the RBiH authorities established in the relevant territory. It is rather obvious that the injured party was detained and physically ill-treated exclusively on the ground of her ethnic origin rather than due to any existent legal ground. The injured party A.O. is a Serb woman apprehended and confined in a Military Police detention facility organized in a house basement in the village of Bajrići, Zvornik Municipality, solely because she was a Serb civilian.

The injured party's status was established under the Judgment of the Court of BiH rendered in the case of *Vejz Bjelić*, No. X-KR-07/430-1 of 28 March 2008, which stated the following: "Clearly, the witness had no arms, she was not a member of armed forces of any party to the conflict, she undoubtedly had the civilian status and was detained as such."¹

The injured party's status was also established under the Judgment of the Court of BiH rendered in the case of *Ferid Hodžić*, No. X-KR-07/430 of 29 June 2008. Specifically, due to the contradicting and insufficient evidence in the referenced Judgment, the Court could not establish the status of A.O. at the time of capture. Therefore, by applying Article 50(1) of Additional Protocol I to the Geneva Conventions, providing that "*In case of doubt whether a person is civilian, that person shall be considered to be a civilian*", the Court found that the injured party had to be considered as a civilian in the context of her confinement by the bodies who had detained her.²

Nexus between the criminal offenses charged against the Suspect and the armed conflict

The investigation has unequivocally proved that there is a *nexus* between the armed conflict and the criminal offense charged against the suspect. The criminal offense with which the suspect is charged amounts to serious violations of the Geneva Convention relative to the Protection of Civilians in Time of War of 12 August 1949 and it results from the armed conflict. With regard to the factors relevant to the evaluation of the connection (*nexus*) with the armed conflict, it was established as follows:

¹ Prosecutor's Office v. *Vejz Bjelić*, Judgment of the Court of BiH, No. X-KR-07/430-1 of 28.03.2008, p. 13.

² Prosecutor's Office v. *Ferid Hodžić*, Judgment of the Court of BiH, No. X-KR-07/430 of 29.06.2008, para. 18.

The investigation showed that, at the critical time, the suspect was a member of military formations of the Army of the Republic of Bosnia and Herzegovina. This is shown in the documentation of the Federation Defense Ministry, which obviously shows that the suspect joined these formations on 8 April 1992, and was a member thereof until the end of the war, and onwards, that is, until 17 April 1996. The foregoing also ensues from the Military Police Appointment Order No. 107/92 of 25 July 1992, the injured party's statements as well as the statements of the witnesses who were engaged in the same military unit along with the suspect. That he was a member of the military police was confirmed by the suspect himself in the statement he gave for the suspect examination record.

Violations of customary law (violation of common Article 3 of the Geneva Conventions).

grave breaches

The injured party was protected under international law.

It was unequivocally established during the investigation that the injured party had the status of a civilian taking no active part in the hostilities.

All the foregoing consequences amount to serious violations of common Article 3 of the Geneva Conventions, which caused serious effects for the victims, which in the injured party A.O.'s case are apparent from the rape committed in a particularly humiliating manner, which caused severe consequences for the victim, that is, a miscarriage, because the injured party had been already pregnant at the time of her capturing and confinement at the Military Police detention facility.

In addition, the injured party was unlawfully detained, even though a detention of civilian during an armed conflict may be allowed in certain circumstances, pursuant to the rules of international humanitarian law; detention is unlawful unless the internment or forcible imprisonment of protected persons is absolutely necessary. Also, an initially lawful confinement clearly becomes unlawful if the detaining party does not respect the basic procedural rights of the detained persons to have such an action reconsidered as soon as possible by an appropriate court or administrative body, at least twice. These views ensue from both the provisions of international law and the ICTY jurisprudence.³

³ Prosecutor v. Dario Kordić and Marija Čerkez, ICTY Judgment No. IT-95-14/2-A of 17.12.2004.

The suspect is individually responsible for the perpetrated criminal offense

The investigation results showed beyond doubt that the suspect is individually responsible for the perpetrated criminal offense. It arises from the statements of the injured party that the suspect directly participated in the criminal acts.

The suspect was aware of the existence of the armed conflict and the victim's status

The suspect acted as a member of one of the parties to the conflict and, as such, was aware of the existence of the armed conflict and the victim's status.

Under the rules of international law, a civilian (civilian person) is every person who is not a member of armed forces and who does not directly take part in combat activities, that is, every person who is not a combatant. When combatants do not take part in combat activities they also have the status of civilians. In case there is a doubt as to whether a person is a civilian, the person will be considered as one.

In the case at hand the suspect was aware that he was acting against a woman of Serb ethnicity who was detained in a detention facility for the sole reason of her ethnicity and who was in a subordinated position in relation to members of the Military Police, exposed to the climate of terror created by killings, abuse, torture, perpetuated rapes and holding of the prisoners in inhumane living conditions, which the suspect made use of when undertaking the criminal act referred to in the operative part of the Indictment.

Suspect's defense

During the questioning in his residence at 8205 Kammerer Avenue, St. Louis, Missouri 63123, United States of America, carried out on 1 July 2014 by agents of the Federal Bureau of Investigation pursuant to the Letter Rogatory of the Prosecutor's Office of Bosnia and Herzegovina requesting international legal assistance, forwarded through the Ministry of Justice of Bosnia and Herzegovina to authorized bodies of the United States of America, the suspect presented his defense and denied that he committed the criminal act he was charged with under this Indictment, but did not deny that he was a member of the Military Police in the *Liplje* Intervention Squad. The suspect denied that he had raped the injured party, but said that

the injured party had indeed been captured in an attack against Novo Selo members of the Army of the Republic of Bosnia and Herzegovina on 17 September 1992, that she had been held as a prisoner in the village of Bajrići. The suspect stated that she had known A.O., but had known her husband S.O., who had been his schoolmate. Adem Kostjerevac added in his statement that he used to send food to A.O. while she was in captivity. That he ordered that she be given wheat flour because she had said that she could not eat corn flour, and that he was against the proposal that the injured party should be killed, as put forward by other persons who were in Bajrići in the period concerned. The suspect stated that he saw A.O. only once throughout the whole period of her captivity in Bajrići and that on that occasion he noticed that she had visible injuries. Adem Kostjerevac also said that A.O. had freedom of movement while she was in Bajrići.

However, that the suspect indeed committed the acts he is charged with under the Indictment follows from the statements of the witnesses who were examined in the investigation, primarily the injured party A.O. herself, as well as the other proposed witnesses who confirmed that the injured party was captured and detained in the period concerned in the place of Bajrići, that the suspect was a member of the Military Police who, among other things, also guarded the injured party during the captivity. The injured party also testified in detail about her captivity and rape and the suspect Adem Kostjerevac as the perpetrator of the rape before the International Criminal Tribunal for the Former Yugoslavia on 8 February 2005 in the case number IT-03-68-T, the transcript of which testimony is attached to this Indictment. In addition to this, the statements of all witnesses are corroborated by the attached documentary evidence – medical documentation, the other compiled documents and records. The injured party A.O. had known the suspect from before, she knows his sister, and she had also met him on the eve of the war in Novo Selo together with her husband S.O., who had known the suspect from before since they had attended the same elementary school in Novo Selo.

Based on the foregoing, I submit that there is sufficient evidence for the grounded suspicion that suspect Adem Kostjerevac committed the criminal offense he is charged with under this Indictment, which makes the Indictment well-founded, therefore I move the Preliminary Hearing Judge of the Court of Bosnia and Herzegovina to confirm it in its entirety.

Pursuant to Article 227(1)(g) of the CPC, I hereby submit

Obrázloženje

Tužilaštvo Bosne i Hercegovine je dana 08.04.2015. godine podiglo optužnicu pod brojem T20 0 KTRZ 0004193 09 od 08.04.2015. godine protiv optuženog Adema Kostjerevca, zbog krivičnog djela Ratni zločin protiv civilnog stanovništva iz člana 142. stav 1. KZ SFRJ.

Navedenu optužnicu Sud BiH potvrdio je dana 14.04.2015. godine.

Nakon donošenja odluke o prethodnim prigovorima na optužnicu, Sud je za dan 02.02.2016. godine, zakazao ročište za izjašnjenje o krivnji optuženog, ali kako dostava poziva optuženom nije izvršena blagovremeno, ročište je odgođeno:

Na ročište za izjašnjenje o krivnji, zakazano za dan 30.06.2016. godine, optuženi se nije odazvao, ali je Sudu dostavio određenu medicinsku dokumentaciju. Na ročištu je branilac tražio da se, prije donošenja odluke o opravdanosti nedolaska optuženog, provede vještačenje medicinske dokumentacije, te je stalni sudski vještak neuropsihijatar Prof. dr. Alma Bravo Mehmedbašić, nakon izvršenog vještačenja dana 11.10.2016. godine, Sudu dostavila mišljenje i zaključke u kome se navodi da se, *na osnovu dostavljenih nalaza, može pretpostaviti da procesna sposobnost optuženog nije isključena*. Zbog nepreciznosti dostavljene medicinske dokumentacije vještak na kraju navodi potrebu dostavljanja konkretnih nalaza za optuženog, kako bi se mogao izjasniti sa većom vjerovatnošću o njegovom zdravstvenom stanju.

Nalaz je, zajedno sa prijevodom na engleski jezik, dostavljen optuženom, te je Sud za dan 15.02.2017. godine, zakazao ponovno ročište za izjašnjenje o krivnji, na koje optuženi, ni ovaj put, nije pristupio. Kako je optuženi poziv za navedeno ročište primio dana 01.02.2017. godine Sud je, cjeneći vrijeme potrebno za dostavljanje pismena iz Sjedinjenih Američkih Država, ostavio rok od mjesec dana da odbrana obrazloži razlog nedolaska optuženog. Odbrana je u ostavljenom roku dostavila medicinsku

ukumentaciju, uz napomenu da su kontaktirali samo sa suprugom optuženog, jer isti nije bio sposoban komunicirati sa braniocem.

Tužilaštvo BiH je, dana 24.04.2017. godine, dostavilo prijedlog za određivanje pritvora optuženom iz zakonskih razloga propisanih članom 132. stav 1. tačka a) ZKP BiH. Uz prijedlog je dostavljena i dopuna medicinskog vještačenja zdravstvenog stanja optuženog Kostjerevca, sačinjena dana 17.04.2017. godine, od strane istog sudskog vještaka, a koja se zasniva na naknadno dostavljenoj dokumentaciji od strane odbrane optuženog.

U obrazloženju prijedloga Tužilaštvo navodi da osnovana sumnja, da je osumnjičeni počinio krivično djelo, proizlazi iz dokaza dostavljenih uz optužnicu, te da je ispunjen i posebni pritvorski razlog propisan članom 132. stav 1. tačka a) ZKP BiH, s obzirom da se osumnjičeni krije od organa gonjenja BiH, odnosno da se nalazi u bjekstvu. Naime, optuženi je ispitani putem međunarodne pravne pomoći u svojstvu osumnjičenog, nakon čega je podignuta optužница, koja je nakon postavljanja branioca po službenoj dužnosti, dostavljena optuženom. Optuženi se nije odazvao pozivu na ročište za izjašnjenje o krivnji zakazano za dan 02.02.2016. godine, niti je svoj na poziv opravdao. Optuženi se nije odazvao ni na ročište zakazano za dan 30.06.2016. godine, a svoj nedolazak je pravdao lošim zdravstvenim stanjem, a kao potvrdu je dostavio medicinsku dokumentaciju. Nakon što je prema naredbi Tužilaštva BiH, završeno vještačenje medicinske dokumentacije, utvrđeno je da je optuženi sposoban izjasniti se o krivnji i pratiti glavni pretres. Optuženi nije pristupio niti na izjašnjenje o krivnji 15.02.2017. godine, nakon čega je Tužilaštvo naložilo dopunu ranijeg nalaza i mišljenja vještaka, te je utvrđeno da optuženi može učestvovati u krivičnom predmetu koji se vodi protiv njega. Prema mišljenju Tužitelja, iz svega navedenog jasno proizilazi da sve radnje koje je optuženi poduzeo nakon zaprimanja optužnice, ukazuju na namjeru da se izbjegne odazivanje, odnosno prisustvo u krivičnom postupku. Zbog svega navedenog Tužilaštvo smatra da prema optuženom treba treba odrediti mjeru pritvora u trajanju od mjesec dana.

Braniteljica optuženog Kostjerevac Adema, advokat Vasvija Vidović, dostavila je pismeno izjašnjenje u kome navodi da se odbrana neće baviti postojanjem osnovane sumnje, jer taj uslov sam po sebi nije dovoljan da bi se pritvor odredio. Odbrana ističe da

ne postoje posebni razlozi za određivanje pritvora predviđeni članom 132. stav. 1 ZKP-a BiH, da se optuženi krije. Razlog zbog kojeg se optuženi nije pojavio jeste teško zdravstveno stanje, što proizlazi i medicinske dokumentacije. Optuženi bolje PTSP-a, nesposoban je za rad, osjeća poteškoće sa pamćenjem, koncentracijom što odražava kroz nesanicu. Vještak se u nalazu od 11.10.2016. godine, izjasnio da je optuženi vjerovatno procesno sposoban, te da se o potpunoj sposobnosti optuženog može izjasniti tek nakon ličnog pregleda optuženog. Zbog svega navedenog odbrana smatra da je nalaz vještaka nepotpun i da Sud na osnovu njega ne može donijeti rješenje o određivanju pritvora. Na kraju odbrana predlaže da se obije prijedlog Tužilaštva BiH za određivanjem privora i raspisivanjem međunarodne potjernice.

Nakon što je izvršio uvid u spsi, kao i u prijedlog Tužilaštva za određivanje pritvora, te dokazni materijal dostavljen uz optužnicu, Sud je donio odluku kao u dispozitivu iz sljedećih razloga:

Postojanje osnovane sumnje, kao opšte materijalno-pravne pretpostavke i sine qua non uslova za postojanje pritvora, da je optuženi Adem Kostjerevac počinio krivično djelo za koje se tereti proizlazi iz dokaza dostavljenih uz optužnicu i to: iz izjave oštećene A.O., koja je opisala da je poznavala optuženog prije rata, te da je optuženi kršeći pravila međunarodnog prava istu više puta silovao. O silovanju i izvhiocu oštećena je detaljno svjedočila i pred Međunarodnim sudnom za bivšu Jugoslaviju dana 08.02.2005. godine u predmetu broj: IT-03-68-T, koji transkript svjedočenja je predložen u optužnici kao dokaz. O silovanju oštećene za vrijeme zatočeništva u svojoj izjavi govorio je i svjedok Asim Ramć, dok svjedoci Ajka Junuzović i Omer Muratović u svojim izjavama potvrđuju da je oštećena boravila u zatočeništvu, a svjedoci Refik Mustafić, Sabit Šabić i Ramo Kostjerevac uz boravak oštećene u zatvoru potvrđuju i ulogu Adema Kostjerevca, u inkriminisanom periodu.

Slijedom navedenog Sud je utvrdio da, u konkretnom slučaju, postoji osnovana sumnja da je optuženi Adem Kostjerevac počinio krivično djelo Ratni zločin protiv civilnog stanovništva iz člana 173. stav 1. tačke c), e) i f) KZ BiH, u vezi sa članom 180. stav 1. i članom 29. istog Zakona, zbog čega je optužnica potvrđena i čime je, prema mišljenju Suda, ispunjen osnovni uslov za određivanje miere pritvora.

Nadalje, Sud nalazi da, u konkretnom slučaju, postoje okolnosti i dokazi koji ukazuju da je optuženi nedostupan organima gonjenja BiH, iz kojih razloga prijedlog Tužilaštva za određivanje mjere pritvora iz razloga propisanih odredbom člana 132. stav 1. tačka a) ZKP BiH (*„ako postoji osnovana sumnja da je određena osoba učinila krivično djelo, pritvor joj se može odrediti ako se krije ili ako postoji druge okolnosti koje ukazuju na opasnost od bjekstva“*), nalazi osnovanim.

Naime, osnov za određivanje pritvora optuženom Kostjerevcu iz navedenog člana, proizilazi iz činjenice, da je optuženi u dva navrata pozivan na ročište za izjašnjenje o krivnji te da je nedolazak na ročište odbrana pravdala medicinskom dokumentacijom, za koju je vještak utvrdio da ne isključuje procesnu sposobnost optuženog.

U oba vještačena je utvrđeno je da je optuženi procesno sposoban, odnosno da optuženi može sudjelovati u krivičnom posutupku i izjasniti se o krivnji. Međutim, prilikom prvog vještačenja 11.10.2016. godine¹, vještak ostavio mogućnost da u slučaju da se Postraumatski stresni poremećaj, od kojeg optuženi boluje, manifestuje u teškoj formi, može rezultirati procesnom nesposobnošću. U nastavku nalaza vještak je naveo pretrage i nalaze koje je potrebno pribaviti kako bi se vještak sa većom sigurnošću izjasnio o procesnoj sposobnosti optuženog.

Kako je navedni nalaz dostavljen braniocu i optuženom Sud nalazi da je optuženi, u slučaju da postoje opravdani medicinski razlozi, imao dovoljno vremena da iste pribavi u ostavljenom roku.

Nakon dopune vještačenja dana 17.04.2017. godine², na osnovu medicinske dokumentacije koja je naknadno dostavljena od strane odbrane, (a koja je datirana 02.03.2017. godine), vještak zaključuje da je: *“optuženi Kostjerevac Adem sposoban učestvovati u krivično posutpu.... u nalazima nije registrirana slaboumnost, demencija, niti psihotični duševni poremećaj. Registrovan je Posttraumatski stresni poremećaj sa*

depresijom, koji ne isključuje procesnu sposobnost optuženog, odnosno mogućnost da se izjasni o krivici.“

Dakle, iako je u ranjem nalazu vještak definirao stupnjeve bolesti kao mogućnosti poveznice težih oblika sa zdravstvenim stanjem optuženog, u posljednjem nalazu nije ne ostavlja mesta dvojbi da je optuženi procesno sposoban. Sve navedeno potvrđuje da optuženi svjesno izbjegava učestvovati u krivičnom postupku, odnosno da koristi medicinsku dokumentaciju za pravdanje izostanka, iako ista ne predstavlja valjan i osnovan razlog za nedolazak.

Sud je, nadalje, uzeo u obzir da se optuženom na teret stavlja izvršenje krivičnog djela Ratni zločin protiv civilnog stanovništva iz člana 142. stav 1. KZ SFRJ, a težina djela i zapriječena kazna zatvora mogu predstavljati jak motiv optuženom da izbjegava krivično gonjenje, odnosno da onemogući vođenje krivičnog postupka u BiH.

Prilikom razmatranja prijedloga Tužilaštva za određivanje pritvora prema optuženom, Sud je cjenio i navode u odluci Ustavnog suda BiH koji glase: „pri odlučivanju o opravdanosti određivanja pritvora prema osumnjičenom ili optuženom težina krivičnog djela koje mu se stavlja na teret, svakako je, relevantan elemenat za odlučivanje“. Iako težina krivičnog djela nije parametar koji ima odlučujući značaj kada se raspravlja o određivanju mjere pritvora, ovaj element svakako može predstavljati dodatnu okolnost koju treba uzeti u obzir prilikom odlučivanja o lišavanju slobode pojedinca.

Imajući u vidu sve naprijed navedeno, Sud nalazi da, u konkretnom slučaju, postoje okolnosti koje upućuju na zaključak da se optuženi nema namjeru pojaviti pred Sudom BiH, odnosno da će isti ostati nedostupan pravosudnim organima BiH. U prilog ovom zaključku govori i činjenica da se optuženi trenutno nalazi u Sjedinjenim Američkim Državama, da svjesno poduzima radnje kako bi odužio krivični postupak i izbjegao izjašnjenje o krivnji, iz kojih razloga Sud nalazi opravdanim optuženom odrediti mjeru pritvora kako je to navedeno u dispozitivu rješenja.

Sud je u smislu člana 131. stav 1. i člana 122. stav 2. ZKP BiH razmotrio mogućnost da se, prema optuženom eventualno odredi neka druga blaža mjera međutim, s obzirom na sve

Uvjed navedeno, odnosno činjenicu da se optuženi nalazi van BiH i da se, iako je primio poziv Suda, na isti nije odazvao, Sud nalazi da je, u ovom trenutku prema optuženom, jedino osnovano određivanje mjere pritvora, iz kojih razloga je, na osnovu člana 137. stav 1. tačka d), u vezi sa članom 132. stav 1. tačka a) ZKP BiH, donio odluku kao u izreci.

Optuženi će nakon lišenja slobode imati pravo pristupa Sudu, u skladu sa garancijama iz člana 5. stav 3. Evropske konvencije o ljudskim pravima i osnovim slobodama, kako bi se izjasnio o navedenom prijedlogu Tužilaštva.

U skladu sa svim iznesenim razlozima, Sud je temeljem odredbe člana 137. stav 1. i 2. tačka c), u vezi sa članom 132. stav 1. tačka a) i člana 131. stav 2. ZKP BiH, odlučio kao u dispozitivu rješenja.

Reasoning

On 8 April 2015, the Prosecutor's Office of B-H filed an Indictment No. T20 0 KTRZ 0004193 09 dated 8 April 2015, against the Accused Adem Kostjerevac for the criminal offense of War Crimes against Civilians in violation of Article 142(1) of the CC SFRY.

The Court of B-H confirmed the Indictment on 14 April 2015.

Having rendered a decision on preliminary motions contesting the Indictment, the Court scheduled a plea hearing for 2 February 2016, but as the Accused was not served the summons in due time, the hearing was postponed.

The Accused did not attend the plea hearing scheduled for 30 June 2016, but submitted certain medical documentation to the Court. At the hearing the Defense Counsel requested a forensic analysis of the medical documentation to be carried out before the Court rendered a decision whether the Accused's absence was justified. Professor Alma Bravo Mehmedbašić, D.Sc., forensic expert in neuropsychiatry, conducted an analysis on 11 October 2016 and submitted to the Court the Report (Findings and Opinion) stating that, "*based on the submitted findings, it can be assumed that the Accused's capacity to stand trial cannot be ruled out*". The expert stated in the end that due to the imprecision of the submitted medical documentation, more specific medical reports for the Accused should be submitted in order for her to make a judgment about the Accused's health with a higher degree of certainty.

The Report and its translation into English were served to the Accused so the Court scheduled a new plea hearing for 15 February 2017, which the Accused again failed to attend. As the Accused received the summons for the referenced hearing on 1 February 2017, the Court, being mindful of the time required for the delivery of writs from the United

granted a one-month deadline to the Defense to explain the reason of the Accused's absence. The Defense submitted medical documentation by the deadline, stating that they had contact with the Accused's wife only, as the Accused was not capable of communicating with the Defense Counsel.

On 24 April 2017, the Prosecutor's Office filed a Motion for ordering the Accused into custody on the statutory grounds laid down in Article 132(1)(a) of the CPC B-H. Enclosed with the Motion was **a supplementary medical expert analysis of the health condition of the Accused Kostjerevac**, made on 17 April 2017 by the same forensic expert on the basis of the documentation subsequently submitted by the Defense.

In the reasoning of the Motion the Prosecutor's Office states that the grounded suspicion that the suspect committed a criminal offense stems from the evidence submitted with the Indictment, and that special custody ground set forth in Article 132(1)(a) of the CPC B-H was fulfilled given the fact that the suspect was hiding from the prosecution authorities of B-H, that is, that he was at large. The Accused was questioned as a suspect by way of mutual legal assistance, whereupon an Indictment was filed and served to the Accused after the appointment of an *ex officio* Defense Counsel. The Accused failed to appear at the plea hearing on 2 February 2016 and did not justify his absence. The Accused again failed to appear at the plea hearing on 30 June 2016 but justified his absence with his poor health and submitted medical documentation to corroborate it. After a forensic analysis of the medical documentation was conducted upon the order of the Prosecutor's Office of B-H, it was established that the Accused was capable of entering a plea of guilty or not guilty and standing the main trial. The Accused likewise did not appear at the plea hearing on 15 February 2017, whereupon the Prosecutor's Office ordered a supplementary analysis to the previous Findings and Opinion of the forensic expert. It was established that the Accused was capable of standing trial in the criminal proceedings conducted against him. According to the Prosecutor, it follows clearly from the foregoing that all activities that the Accused undertook after having received the Indictment indicate an intention to avoid presence in the criminal proceedings. Based on the foregoing, the Prosecution considers that the Accused should be ordered into one-month custody.

Attorney **Vasvija Vidović, Defense Counsel for the Accused Adem Kostjerevac,** submitted a written Response stating that the Defense would not discuss the existence of grounded suspicion, as that requirement alone is not sufficient to order a person into custody. The Defense states that there do not exist the special grounds for custody laid down in Article 132(1)(a) of the CPC B-H, that is, that the Accused is not in hiding. The reason why the Accused did not appear before the Court was his grave health condition, which can be seen in the medical documentation. The Accused suffers from PTSD, is incapable of work, has difficulties with memory and concentration and suffers from insomnia. In the Report of 11 October 2016 the expert stated that the Accused was probably capable of standing trial and that she could give her opinion about the Accused's full capacity to stand trial only if she personally examined him. Based on the foregoing, the Defense considers the expert's report to be incomplete and that the Court cannot render a decision ordering the Accused into custody on the basis thereof. Finally, the Defense moves the Court to dismiss the Prosecution motion to order the Accused into custody and issue an international warrant.

Having reviewed the case file, the Prosecution Motion to order the Accused into custody, and the evidence attached to the Indictment, the Court rendered a decision as quoted in the enacting clause for the reasons that follow:

The existence of grounded suspicion that the Accused Adem Kostjerevac committed the criminal offense that he is charged with, as a general statutory presumption and the *sine qua non* requirement for the existence of custody, follows from the following evidence attached to the Indictment: the statement of the injured party A.O., who stated that she had known the Accused before the war and that he raped her several times in violation of the rules of international law. The injured party testified in detail about the rape and the perpetrator before the International Criminal Tribunal for the Former Yugoslavia on 8 February 2005 in the case No. IT-03-68-T and the transcript of that testimony was proposed in the Indictment as evidence. Witness Asim Ramić also testified about the rape of the injured party during her detention, while witnesses Ajka Junuzović and Omer Muratović confirmed in their statements that the injured party was detained. Witnesses Refik Mustafić, Sabit Šabić and Ramo Kostjerevac confirmed that the injured party was imprisoned and also confirmed Adem Kostjerevac's role in the period concerned.

Based on the foregoing, the Court established that in the case at hand there existed a grounded suspicion that the Accused Adem Kostjerevac committed the criminal offense of War Crimes against Civilians in violation of Article 173(1)(c), (e) and (f) of the CC B-H, as read with Article 180(1) and Article 29 of the CC B-H, for which reason the Indictment was confirmed and whereby, according to the Court, the fundamental requirement for custody measure was fulfilled.

The Court also found that there existed the circumstances and evidence indicating that the Accused was out of reach of the prosecution authorities of B-H, for which reason the Court considered the Prosecution motion to order the Accused into custody on the grounds set forth in Article 132(1)(a) of the CPC B-H to be well-founded (*If there is a grounded suspicion that a person has committed a criminal offense, custody may be ordered against him: a) if he hides or if other circumstances exist that suggest a possibility of flight.*)

The reason for ordering the Accused Kostjerevac into custody on the referenced ground is the fact that the Accused was twice summoned to plea hearing and that the Defense justified his non-attendance with medical documentation which, according to the forensic expert, does not rule out the Accused's capacity to stand trial.

It was established in both expert analyses that the Accused was capable of standing trial, that is, participating in the criminal proceedings and entering a plea of guilty or not guilty. However, in the first analysis conducted on 11 October 2016¹, the expert allowed for a possibility that if a PTSD that the Accused suffered from were manifested in severe form, it could result in the lack of capacity to stand trial. The expert then referred to the examinations that should be done and medical reports that should be obtained for her to be able to rule with greater certainty on the Accused's capacity to stand trial.

Given that the referenced Report was served to the Defense Counsel and the Accused, the Court finds that if there existed justified medical reasons, the Accused had sufficient time to obtain the referenced medical reports by the set deadline.

¹ Findings and Opinion by forensic expert, Professor Alma Bravo-Mehmedbašić, D.Sc., of 11 October 2016.

The supplementary expert analysis conducted on 17 April 2017² on the basis of the medical documentation subsequently submitted by the Defense (dated 2 March 2017), the expert concluded that: "the Accused Adem Kostjerevac is capable of participating in criminal proceedings feeble-mindedness, dementia, or a psychotic mental disorder was not registered in the medical reports. A post-traumatic stress disorder with depression was registered, but it does not rule out the Accused's capacity to stand trial, that is, to enter a plea of guilty or not guilty".

Therefore, although in the first Report the expert defined degrees of illness as an option, but did not establish a link between more severe forms and the health condition of the Accused, in the second Report the expert stated unambiguously that the Accused was capable of standing trial. The foregoing confirms that the Accused has been deliberately avoiding participation in the criminal proceedings, that is, using the medical documentation to justify his absence, although the documentation does not constitute a valid and well-founded reason for the absence.

The Court was also mindful of the fact that the Accused was charged with the commission of the criminal offense of War Crimes against Civilians in violation of Article 142(1) of the CC SFRY, and that the gravity of the crime and the prison sentence it carries may constitute a strong motive for the Accused to avoid criminal prosecution, that is, to prevent conduct of criminal proceedings in B-H.

When reviewing the Prosecution Motion to order the Accused into custody, the Court also took into account the averments in the decision of the Constitutional Court of B-H reading: "When deciding on justifiability of ordering a suspect or an accused into custody, the gravity of the charges against him is definitely a relevant element for the decision". Although the gravity of the offense is not a decisive parameter when deliberating on custody, this element may certainly constitute an additional circumstance that should be taken into account when deciding on depriving a person of liberty.

In view of the foregoing, the Court finds that in the case at hand there exist circumstances leading to the conclusion that the Accused does not intend to appear before the Court of

² Supplementary analysis by forensic expert, Professor Alma Bravo-Mehmedbašić, D.Sc., of 17 April 2017.

is, that he will remain out of reach of the judicial authorities of B-H. The fact that the Accused is currently in the United States and that he has deliberately taken steps to prolong the criminal proceedings and avoid plea hearing corroborates this conclusion, therefore the Court finds it justified to order the Accused into custody as quoted in the enacting clause of the Decision.

Pursuant to Article 131(1) and Article 123(2) of the CPC B-H, the Court considered a possibility of imposing some other, more lenient, measure on the Accused. However, given the foregoing, that is, the fact that the Accused is outside of Bosnia and Herzegovina and that he failed to heed the Court's summons although he had been duly served, the Court finds that ordering the Accused into custody is the only reasonable measure at this moment, hence, pursuant to Article 137(1)(d), as read with Article 132(1)(a) of the CPC B-H, the Court rendered the decision as quoted in the enacting clause.

After he is deprived of liberty the Accused will have the right to appear before the Court, in accordance with the guarantees envisaged in Article 5(3) of the European Convention on Human Rights and Fundamental Freedoms, in order to comment on the Prosecution Motion.

In view of the foregoing, the Court rendered a decision as in the enacting clause of the Decision, pursuant to Article 137(1) and (2)(c), as read with Article 132(1)(a) and Article 131(2) of the CPC B-H.

Vezano za naš akt broj i datum gornji, obavještavamo vas da je Interpolova Jedinica za istrage vezane za lica u bjekstvu (FIS), u okviru Projekta BASIC (Broadening Analysis on Serious International Crimes), čiji je cilj strateški pristup pronalasku lica traženih zbog genocida, krivičnih djela protiv čovječnosti i ratnih zločina, zatražila od NCB Interpola Washington da se izvrše provjere na teritoriji SAD-a, obzirom na navode iz naše međunarodne potjernice da bi se lice moglo nalaziti u Sjedinjenim Američkim Državama na adresi navedenoj u naredbi broj i datum veze..

S tim u vezi, NCB Interpol Washington je dostavio našem NCB-iju i Generalnom sekretarijatu (FIS-u) sljedeću obavijest:

„Interpol Washington potvrđuje prijem vašeg zahtjeva za dostavu informacija u vezi predmetnog lica te vas obavještavamo da je provjerom u bazama podataka samo po imenu i prezimenu i datumu rođenja dobijen pozitivan rezultat za lice sa istom adresom kao što je navedeno u potjernici.

Izgleda da predmetno lice legalno boravi u Sjedinjenim Državama gdje ima status izbjeglice. Obavještavamo vas da se bilo kakav zahtjev za lišenje slobode ili pritvor protiv ovog lica u cilju ekstradicije mora dostaviti od strane vaših nadležnih vlasti putem zvaničnih diplomatskih kanala Američkom ministarstvu pravde, Odjel za međunarodne poslove (US Department of Justice, Office of International Affairs).“

priimanja ove obavijesti NCB Interpol Washington, Interpolova jedinica
černice dostavila nam je sljedeću obavijest:

za vašu međunarodnu difuznu potjernicu od 13.10.2017. godine raspisanu
u predmetnog lica, NCB Interpol Washington je u svojoj poruci od
2017. godine obavijestio Generalni sekretarijat, a i vaš ured, da je
predmetnom licu odobren izbjeglički status.

skladu sa članom 74(e) Interpolovog Pravilnika o obradi podataka, Jedinica za
potjernice je izvršila reviziju difuzne potjernice protiv ovog lica u skladu sa
Interpolovom politikom o izbjeglicama koja je usvojena na 86. zasjedanju
Generalne skupštine (GA-2017-86-RES-09). Ova politika se primjenjuje jednako na
sve zemlje članice Interpola.

Primjenom ove politike, difuzna potjernica za Kostjerevac Ademom će biti
obustavljena, a odgovarajući podaci izbrisani iz Interpolovih baza podataka.
Pored toga, obavještavamo vas da dalja saradnja kanalima Interpola u ovom
slučaju ne bi bila u skladu sa Interpolovim Statutom i Pravilnicima.

Nadalje vas obavještavamo da će svi primaoci predmetne difuzne potjernice biti
obaviješteni o ovoj odluci.

Ipak, u skladu sa navedenom politikom, Generalni sekretarijat može olakšati
razmjenu informacija između NCB-ija koji je raspisao potjernicu i zemlje koja
je odobrila azil. S tim u vezi, Generalni sekretarijat može proslijediti zemlji
koja je odobrila azil Kostjerevac Ademu sve informacije koje želite da se
dostave toj zemlji.

Ukoliko se zemlja koja je odobrila azil odluči da, na osnovu informacija koje
dostavi vaš NCB, ukine izbjeglički status imenovanom, zahtjev vašeg NCB-ija za
ponovno aktiviranje difuzne potjernice bi se razmotrio od strane Generalnog
sekretarijata.

Međutim, još jednom vam skrećemo pažnju na obavijest NCB Interpol Washington
gdje se savjetuje „da se bilo kakav zahtjev za lišenje slobode ili pritvor
protiv ovog lica u cilju ekstradicije mora dostaviti od strane vaših nadležnih
vlasti putem zvaničnih diplomatskih kanala Američkom ministarstvu pravde, Odjel
za međunarodne poslove“.

Informacije radi, Interpolova politika o procesuiranju podataka koji se odnose
na izbjeglice, a koja je usvojena na 86. Generalnoj skupštini Interpola
održanoj u Pekingu, Kina, 26.-29.09.2017. godine, između ostalog, navodi
sljedeće smjernice kada je riječ o procesuiranju podataka o izbjeglicama ili
licima tražiocima azila:

- 1) Procesuiranje podataka uglavnom se neće dozvoliti:
 - a) kada je potvrđen izbjeglički status lica ili potvrđen status tražioca
azila;
 - b) kada procjena slučaja dovodi do zaključka da dodjela izbjegličkog
statusa u nekoj zemlji nije bila vođena pretežno političkim osnovama vis-à-vis
zemlje porijekla;
- 2) Kada je odbijeno procesuiranje podataka, mora se uzeti u obzir da se
razmjena informacija dostavljenih od strane zemlje koja potražuje lice sa
zemljom u kojoj lice traži azil, kako bi ovi posljednji mogli ponovo razmotriti
svoju prethodno donesenu odluku o dodjeljivanju statusa izbjeglice...“.

On November 20, 2014 Adem Kostjerevac was voluntarily interviewed at his place of residence, 8205 Kammerer Avenue, St. Louis, Missouri 63123, USA. Special Agent (SA) Ivana Sarhatlic, SA Andrew Haap, and Linguist Specialist (LS) Samir Taslaman met with Kostjerevac. SA Sarhatlic: (1) introduced herself to Kostjerevac and (2) advised Kostjerevac that authorities in Bosnia and Herzegovina had requested that he be interviewed by United States law enforcement officials regarding a war crimes investigation. The questions were read by SA Sarhatlic in Bosnian language, LS Taslaman and SA Sarhatlic were taking notes, while Kostjerevac was answering questions in Bosnian language. The following is the summary of the interview:

1. In the period between early 1992 and late 1995, were you a member of the Army of Bosnia and Herzegovina, namely of the Military Police within the Intervention Squad "LIPLJE"? (If he was not a member of the same unit throughout the war, please ask him, "In which specific units were you and who was your immediate?")

Adem Kostjerevac stated that he was a member of the Army of Bosnia and Herzegovina and also a member of the Military Police within the Intervention Squad "LIPLJE" during a specific time. Kostjerevac states that he was also a member of 212nd Municipality of Srebrenik, 5th Battalion. Further, Kostjerevac stated that he was wounded three times, as such he spent time in Tuzla recovering from being wounded. Kostjerevac added that he was wounded in February 1993 and was recovering for approximately 14 or 15 months. Kostjerevac added that he was under the immediate supervision of Naser Oric.

2. Who was your superior in the Intervention Squad "LIPLJE"?

Adem Kostjerevac stated that his superior was Omer, last name unknown. Kostjerevac added that Omer was a police commander and that he died.

3. Did you, as a member of the Army of Bill, take part in an attack against the place Novo Selo, municipality of Zvornik, on September 17, 1992?

Adem Kostjerevac stated at that time, he was out in the field in Kamenica, municipality of Zvornik and he was not in Novo Selo. Kostjerevac stated that Kamenica is six or seven kilometers away, when going through the mountains, from Novo Selo, and that they were surrounded and had no means of transportation. Kostjerevac added that Sahbaz Sinanovic was with him in Kamenica and that Sinanovic died in 1993.

4. Do you know whether on that occasion a female person named Anda Obradovic was captured? (If he answers positively, please ask him, "Did you know that woman from before and how did you meet her? Did you know her husband OBRADOVIC, STANOJE?")

Adem Kostjerevac stated that he was aware that Anda Obradovic was captured. Kostjerevac stated that the husband of Anda Obradovic, Stanoje Obradovic, was his school buddy. Stanoje Obradovic's brother, Zarko Obradovic, was Kostjerevac's friend. Kostjerevac did not know Anda Obradovic prior to the war. Kostjerevac further states that he sent food for Anda Obradovic to eat and that others said to kill Anda Obradovic and he said "no." He saw that Anda Obradovic was taken to Cerska, municipality Srebrenica with Muslim women and children. He heard that Anda Obradovic was separated in Cerska, but Kostjerevac did not know what happened to her. He was wounded shortly after. Kostjerevac added that he was glad that Anda Obradovic survived. Kostjerevac further adds that Anda Obradovic was freed in an exchange and that he does not know what further happened with her since he was then wounded. Kostjerevac stated that Anda Obradovic is lying and that he would tell that to the courts.

10. Did you take part in the raping of the captured female person ANDA OBRADOVIC in the prison in Bare in the period between September 18, 1992 and October 4, 1992? (If he says he did not, please ask him, "Does anyone from your unit can confirm you did not do it? (If he provides a positive answer, please ask him to say who would be able to confirm that.))

12. Did you take part in the raping of any other captured female persons either in that period or during the wartime?

Adem Kostjerevac answered: "No."

Adem Kostjerevac stated that he has no knowledge of orders being given to rape Anda Obradovic, nor does have knowledge that she was raped.

14. Who were the other members of your unit?

Adem Kostjerevac identified the following individuals as other members of his unit: Nihad Kostjerevac (Adem's cousin, born approximately in 1963), Senad Kostjerevac (Nihad's brother, born approximately in 1968), Idriz Selimovic (born approximately in 1955), and individuals from the Vlasenica municipality that Adem Kostjerevac could not identify by name.

15. Is there anything else you would like to say in relation to the facts about the attack on Novo Selo and the capturing and raping of ANDA OBRADOVR and we have not asked you about?

Adem Kostjerevac stated that he said everything he had to say.

I have reviewed this document and verify that it correctly reflects the statements of Adem Kostjerevac to the above-listed questions.

Ivana Sarhatlic, Special Agent
Federal Bureau of Investigation

The following is the translation of Kostjerevac interview in Bosnian language provided by LS Samir Taslaman:

1. Da li je u periodu od početka 1992.godine do kraja 1995.godine bio pripadnik Armije Bosne i Hercegovine i to vojne policije u Interventnom odjeljenju „LIPLJE“? (Ako nije čitav period rata bio u istoj vojnoj jedinici, neka odgovori u kojim tačno jedinicama je bio i ko mu je bio neposredni prepostavljeni?)

Adem Kostjerevac je izjavio da je bio pripadnik Armije Bosne i Hercegovine i to vojne policije u Interventnom odjeljenju „LIPLJE“ jedno vrijeme. Kostjerevac također izjavljuje da je bio pripadnik 212. Opština Srebrenik, 5. bataljon. Kostjerevac izjavljuje da je bio ranjen tri puta pa je jedno vrijeme bio na lječenju u Tuzli. Kostjerevac izjavljuje da je bio ranjen u Februaru 1993. i da je bio na lječenju otprilike 14 ili 15 mjeseci. Kostjerevac izjavljuje da je bio pod komandom Nasera Orića.

2. Ko mu je bio nadređeni u Interventnom odjeljenju „LIPLJE“?

Adem Kostjerevac je izjavio da mu je nadređeni bio Omer, a nije siguran kako se preziva. Omer je bio komandir policije i poginuo je.

3. Da li je dana 17.09.1992. godine, kao pripadnik Armije BiH, učestvovao u napadu na mjesto Novo selo, opština Zvornik?

Adem Kostjerevac je izjavio da je u to vrijeme bio na terenu u Kamenici, opština Zvornik, a ne u Novom Selu. Kostjerevac također izjavljuje da je Kamenica udaljena 6 ili 7 kilometara od Novog Sela, preko brda, i da su bili u okruženju i da nisu imali prevoz. Kostjerevac dalje izjavljuje da je Šahbaz Sinanović bio taj dan sa njim na intervenciji u Kamenici i da je Sinanović poginuo 1993.

4. Da li mu je poznato da je tom prilikom zarobljena žena Anda Obradović? (Ako odgovori da je to tačno, da li je poznavao tu ženu od ranije i kako ju je upoznao, te da li je poznavao njenog muža OBRADOVIC STANOJA?)

Adem Kostjerevac je izjavio da mu je poznato da je Anda Obradović bila zarobljena. Kostjerevac izjavljuje da je suprug Ande Obradović njegov školski drug, Stanoja Obradović. Brat Stanoje Obradovića, Žarko Obradović, je bio drug Kostjerevca. Također, Kostjerevac nije znao Anđelu Obradović prije rata. Kostjerevac dalje izjavljuje da je on slao hranu da Obradović jede i da su drugi govorili da se ona ubije ali je Kostjerevac rekao „ne.“ Kostjerevac je vidio da je Anda Obradović odvedena do Cerske, opština Srebrenica, sa Muslimanskim ženama i djecom. Čuo je da je bila u Cerskoj, ali Kostjerevac ne zna šta se desilo sa njom. Uskoro nakon toga, Kostjerevac je izjavio da je bio ranjen i dodao je da mu je drago što je ona preživjela. Kostjerevac dalje izjavljuje da

je Anda Obradović razmjenjena i da ne zna šta se dalje desilo sa njom jer je on bio ranjen. Kostjerevac ističe da Anda Obradović laže i dodaje da bi on u sudu to rekao.

5. Da li je u mjestu Bare, opština Zvornik, u periodu od 17.09.1992. godine do 04.10.1992. godine bila zatvorena žena ANDA OBRADOVIĆ koja je zarobljena 17.09.1992. godine prilikom napada Armije BiH na Novo selo?

Adem Kostjerevac je izjavio da on ne zna i da je Andu Obradović vido samo jednom nakon što se vratio iz Kamenica i onda pitao ko je ona jer mu je bila nepoznata. Kostjerevac je također uočio da je Obradović imala modrice na njoj. Kostjerevac je dalje izjavio da nije učestvovao u toj akciji i da je Andu Obradović samo vido u selu Bajrići, opština Zvornik. Kostjerevac je izjavio da je Anda Obradović bila sama i da je držana u sastavu čitaonice, samo na drugaćijem spratu od komande. Dalje, Kostjerevac je izjavio da je Anda Obradović odvedena do Jošanice i nije je vido dok nisu Bajrići pali.

Kostjerevac je rekao da je Obradović rekla da ne može da jede brašno od kukuruza, pa Kostjerevac rekao da joj se da brašno od pšenice. Također, Kostjerevac izjavljuje da je Obradović odvedena do kuće Omere Junuzovića kako bi se istuširala. Kostjerevac dalje izjavljuje da je Obradović imala slobodinu kretanja i da je sjedila zajedno sa ostalim. Također, Kostjerevac je izjavio da je Obradović dobila odjeću od Muslimanskih žena.

Kostjerevac izjavljuje da je samo jednom pričao sa Obradović na samo i da je tom prilikom samo pitao za Stanoju Obradović.

8. Da li ju je on, kao pripadnik vojne policije obezbjeđivao i posjećivao u zatvoru u mjestu Bare?

Adem Kostjerevac je izjavio da ne zna da je Anda Obradović bila u Barama, zna samo da je bila u Bajrićima, koji su udaljeni 3 kilometra od Bara.

9. Da li mu je poznato da je ANDA OBRADOVIĆ u zatvoru u mjestu Bare bila silovana od strane pripadnika Armije BiH?

Adem Kostjerevac je izjavio da ne zna da je Anda Obradovic bila silovana u zatvoru u Bare. Kostjerevac ističe da on nije vido niti je čuo da je Obradović bila silovana.

(Ako kaže da nije, pitati ga da li neko od pripadnika njegove vojne jedinice može posvjedočiti da on to nije uradio? (Ako je odgovor DA, neka se izjasni ko bi to mogao potvrditi.))

Adem Kostjerevac je izjavio da on nije učestvovao u silovanju Ande Obradović i dodao je da ne zna da je Obradovic ikako bila u mjestu Bare, zna samo da je bila u Bajrićima. Kostjerevac je rekao da svak ko je bio tu može posvjedočiti da to on nije uradio i naveo je sljedeća imena: Mehmedalija i Ramiz, prezime nepoznato, Sabir Sabić, Hamdija Selemović, otprilike 1962. godište, i Felim Selimović, otprilike 1960. godište.

Adem Kostjerevac je odgovorio „ne”.

13. Da li je silovanje Ande Obradović vršeno po nečijem naređenju?

Adem Kostjerevac je izjavio da ne zna da li je bilo po nečijem naređenju niti zna da je Anda Obradović uopšte bila silovana.

14. Ko su bili ostali pripadnici njegove vojne jedinice?

Adem Kostjerevac je naveo sljedeće osobe kao pripadnike njegove vojne jedinice: Nihad Kostjerevac (Ademov rodak, otprilike 1963. godište), Senad Kostjerevac (Nihadov brat, otprilike 1968. godište), Idriz Selimović (otprilike 1955. godište), i ljudi iz Vlaseničke opštine kojima ne zna imena.

Adem Kostjerevac je izjavio da je rekao sve što je imao reći.

IZJAVA SVJEDOKA

Svjedok daje izjavu sa početkom u:

11,30

sati

Ja sam do sada davala nekoliko izjava između ostalih svjedočila sam 2005 godine u Hagu , a izjave sam davala Tuzilaštvu i policiji te sam istima objasnila sve, na koji način sam zarobljena 17.09.1992 godine prilikom napada na Novo Selo i šta sam sve dozivjela u zatobljeništvi dok nisam razmjenjena 05.02.1993 godine . Ja u potpunosti ostajem pri svojim izjavama, a sada ću samo precizirati ono što me budete konkretno pitali.

Dakle 17.09.1992 godine bila sam sa svojim suprugom u kući njegove sestre Ilić Branke i njenog muza Ilic Zorana kada su me zarobili vojnici u crnim uniformama jedan od njih me je htio nozem zaklati ali se tu zadesio Kadrija, kojem ne znam prezime a koji je bio u civilnoj odjeći i bez naoružanja te me je odbranio rekavši da ja nisam ništa kriva , ja ga nisam od ranije poznавala ali su mi kasnije rekli da me je spasio čovjek po imenu Kadrija .

On me predao Muharemu zvanom Šiško koji me je odveo u komandu u Bajriće gdje sam ispitivana, a nakon što sam tu prenoćila sa povezom na očima su me odveli u neki zatvor koji je od komande bio udaljen pet do deset minuta hoda u tom zatvoru sam ostala do 04.10.1992 godine. U svojim ranijim izjavama sam objasnila kako je zatvor izgledao . Poslije nekoliko dana neko od muslimanskih vojnika je dosao u zatvor i rekao mi sad cemo to dovesti jednog četnika ispitaj ga sve . Doveli su visokog plavog covjeka , imao je oko nekih cetrdesetak godina doveden je sa rukama naprijed vezanim zicom i povezom na ocima te je bio bos , rekao mi je da se zove Lukić Nenad da je iz Raševa prema Šekovićima , da mu je nestalo municije i da je zarobljen , također mi je rekao da ima zenu i dvoje djice koji su u Srbiji , a da su mu rekli vojnici koji su ga zarobili da mora sve priznati ili ce mu „ oči vaditi „ . On se zadrzao u zatvoru oko nekih sat vremena nakon čega su ga vani izveli muslimanski vojnici, tukli su ga ispred tog zatvora tako da je čovjek ispustao životinjski krik i kada sam Šahbaza kasnije pitala sta bi sa Nenadom rekao mi je „ ubili su ga“ i tom prilikom je Šahbaz povraćao. Ja sam se u Novo selo udala 25.01.1992 godine i prije samog pocetka rata sa muzem sam bila kada smo sreli Adema Kostjerevca , kojeg je moj muz poznavao od ranije jer zive blizu a muz mi je tada rekao kako se on zove to je bilo na jednom brezuljku nekih sto metara od nase poreodicne kuce u Novom selu . Adem je bio crn , visok i tada je imao brkove i tom prilikom je mog muza pitao da mu kupimo brašna njegovoj zeni i djeci jer on ne bude tu , odnosno borav o je u Hrvatskoj. Njegovu sestru sam upoznala mozda petnaestak dana prije rata , ne mogu joj se sada sjetiti imena a upoznala sam je tako što je tada došla kod moje jetreve Obradović Milenije i donijela joj nekakav pekmez jer su od ranije bili dobro prijatelji, sjećam se da je Ademova sestra tada imala troje djece.

Nakon što sam dovedena u taj zatvor u Bajriće prvo veča kada je Adem Kostjerevac došao u zatvor , bio je u crnoj uniformi i sjećam se da je tada rekao „ skinu se sad ćeš da vidis kako turcin j... „ , ja sam ga poslušala jer sam od straha morala da se skinem , nakon čega me je on silovao na način sto mi je reko da legnem i izvljavao se na meni , grizao me je i reako necete ostati ni u Beogradu a ja sam plakala medutim on nije prestajao, ja se ne mogu tacno sjetiti koliko je to vremenski trajalo. Znam da je sa sobom nosio pusku i imao je nekakav veliki pistolj za pojasmom. Nakon toga je dolazio nekoliko noci poslije i silovao me je na isti nacin , te je jednom prilikom mi rekao da je moj djeveru Zarki Obaradoviću pričao da je bio na vojnoj obuci u Zengama u Hrvatskoj te da je navodno također mom djeveru govorio da mi srbi komšije treba da bjezimo s nima kako bi se soapasili. Ja sam u tom periodu bila trudna i od posljedica silovanja koji je Adem vršio nadu mnom izgubila dijete , bila sam n tada u

Potpis svjedoka

Obradović Džo

trećem mjesecu trudnoće kada sam u toj tamnici imala spontani pobacaj, a u izjava sam objasnila da mi je Ajka Junuzović donosila nekakve krpe kako bi zaustavila krvarenje. Tokom tih noći kada je Adem dolazio da me siluje jednom prilikom mi je rekao da je on u vojnoj policiji zajedno sa još jednim vojnikom koji se zove Asim ili Kasim ne mogu se sad tacno sjetiti.

Jedne prilike znam da su bili došli neki vojnici iz Divića koji su trazili da me zakolju pa me je Sinanović Šahbaz, kako bi to izbjegao jedne večeri odveo kod sebe kući gdje sam provela nekoliko dana sa njegovom suprugom Fatimom koju smo zvali Sadika, a koja mi je bila skolska drugarica. Poslije tih par dana odvedena sam u Cersku te sam u svojim izjavama ranije objasnila šta sam sve dozivjela u tom periodu. U Cersku su me odveli Šahbaz Sinanović i njegov badzo odnosno muz njegove svastike, Fatimine sestre kojim ja ne znam ime. Jedne prilike dok sam u Bajrićima bila u zatvoru pretukao me je jedan vojnik u crnoj uniformi koji je došao u tamnicu sa djevojkicom koja je isto bila u crnoj uniformi i zvali su je „hosovka“. Ja tada nisam znala o kome se radi ali mi je neko, nakon što sam razmjenjena rekao daje to izvjesni „Gumeni“, sa Kula Grada.

Napominjen da Sinanović Šahbaza nisam znala od prije, a Sinanović Muhamrema zvanog „Šiško“ sam poznavala jer je on radio kao konduktor u Drina Transu a ja sam putovala na pisao njihovim autobusima na relaciji od Novog sela do Zvornika jer sam bila zaposlena u vezionici.

PAUZA OD ____ : ____ sati do ____ sati. Potvrđujem da nisam razgovarao o istrazi za vrijeme pauze.

1. Potvrđujem da nemam ništa više da dodam.
2. Potvrđujem da nemam primjedbi na način na koji je vođen razgovor i da mi nije prijećeno niti bilo šta obećano.
3. Potvrđujem da su prema mom najboljem znanju i uvjerenju odgovori istiniti.
4. Potvrđujem da sam pročitao izjavu i potvrđujem da je to vjeran zapisnik razgovora i stavljam svoj potpis ispod, na vrh i dno svake stranice.

WITNESS STATEMENT

The witness commenced giving the statement at:

11:30 hrs

I have given several statements so far. In addition, I testified in The Hague in 2005. I gave statements in the Prosecutors Office and the Police, where I explained everything: how I had been captured on 17 September 1992 during the attack on Novo Selo, and what I survived during the time I spent in captivity up until the time when I was exchanged, on 5 February 1993. I fully stand by my statements. I will now precisely answer only your concrete questions.

Thus, on 17 September 1992, I had been, along with my husband, visiting the house of his sister Branka Ilić and her husband, Zoran Ilić, when I was captured by soldiers wearing black uniforms. One of them wanted to slit my throat with his knife, but luckily, Kadrija (I do not know his last name) happened to be there. He was in the civilian clothing and had no arms. He defended me having told the others that I was not to be blamed for anything. I had not known him from before, but I was subsequently told that a man called Kadrija had saved me.

He handed me over to Muharem known as Šiško, who took me to the Command seated in the village of Bajrići, where I was interrogated. After I had spent the night there, they blindfolded me and took me to a prison, which was about five to ten minutes away from the prison on foot. I stayed in this prison until 4 October 1992. I have explained in my previous statements how the prison looked like. Several days later, a Muslim soldier came to the prison and told me that they would bring in a Chetnik and that I should question him about everything. They brought in a tall blond man. He was around age 40. He was brought in with his hands tied in front of him with a wire. He wore a blindfold, and he was in his bare feet. He told me that his name was Nenad Lukić, and that he was from the village of Rašovo, which was in the direction of the place of Šekovići; that he ran out of ammunition and that he was captured. He also told me that he had a wife and two children living in Serbia, and that the soldiers who had captured him told him that he had to confess everything, or otherwise they would "pull out his eyes". He stayed in the prison for about an hour, whereupon Muslim soldiers took him outside the prison, beat him in front of the prison in such a way that he cried as an animal. When I subsequently asked Šahbaz about Nenad's destiny, he told me that "they had killed him", on which occasion he (Šahbaz) vomited. I got married to Novo Selo on 25 January 1992. Just before the mere outbreak of the war, I was with my husband when we met Adem Kosterjevac, whom my husband had known from before, since they lived in close vicinity. My husband told me then his name. We met him on a hillock, which was about 100 meters away from our family house in Novo Selo. Adem was tall, with black hair and moustache. He asked my husband to buy some flour to his wife and children, because he was not present there, that is, he was in Croatia. I had met his sister about fifteen days before the war. I cannot remember her name now. I met her in the way that, at the time, she had visited my brother-in-law's wife, Milenija Obradović, and brought her some jam, since they had been good friends from before. I remember that Adem's sister had three children at the time.

After being brought to that prison in Bajrići, Adem Kosterjevac came to the prison on the first evening. He wore a black uniform. I remember him saying at the time: "Strip off your clothes, you will now see how a Turk f....". I obeyed him, because I had to strip off my clothes out of fear. Then he raped me. He told me to lie down and he acted out his instincts. He was biting me and telling me that we would not stay even in Belgrade. I was crying, but he would not stop doing that for I do not remember how long time. I know that he carried a rifle and had a big pistol at his belt. After this incident, he kept coming for the following several nights and raping me repeatedly in the same way. He once told me that he told my husband's brother Zarko Obradovic that he had attended military training with the Zengas in Croatia. In addition, he allegedly also told him that we, the Serb neighbors, had to flee in order to save our lives. At the time, I was three months pregnant, and as a result of being repeatedly raped by Adem, I had a miscarriage in that dangeon.

Signature of the witness

I explained in the referenced statements that Ajka Junuzović had brought me some cloths to stop the bleeding. During one of the nights when Adem was coming to rape me, he told me that he was within the Military Police along with another soldier called Asim or Kasim, I cannot recall it precisely now. On one occasion, soldiers from Divići had come and requested to slit my throat. In order to avoid that, Šahbaz Sinanović had taken me one night to his house, where I spent several days with his wife Fatima, whom we used to call Sadika, and who was my school friend. After those several days, I was taken to Cerska. In my previous statements, I explained what I had survived in that period. I was taken to Cerska by Šahbaz Sinanović and the husband of his sister-in-law, or his wife Fatima's sister, whose name I do not know. During my stay in the Bajrići prison, I was once beaten up by a soldier in a black uniform, who had entered the dungeon along with a young girl, also in a black uniform, and whom they called a "HOS girl". At the time, I did not know who they were. However, after my exchange, someone told me that he was one "Gumeni" from Kula Grad.

I note that I had not known Šahbaz Sinanović from before. I did know Muharem Sinanović a.k.a. "Šisko" because he used to work as a conductor in the "Drina Trans" Company. I travelled to work by their busses along the Novo Selo-Zvornik route, because I had been employed in an embroidery factory.

BREAK FROM hrs TO: hrs. I confirm that I did not discuss the investigation during the break time.

1. I confirm that I have nothing else to add.
 2. I confirm that I have no objections to the manner in which the examination was conducted and that no threats or promises were made unto me.
 3. I confirm that the answers that I have given are true to the best of my knowledge and belief.
 4. I confirm that I have read the statement and I confirm that it is a faithful record of the conversation. I affix my signature hereunder as well as on top and bottom sections of each page.

Taking of the witness's statement completed at: 12:40 hours.

IZJAVA SVJEDOKA :

Ja sam pozvana kao svjedok da kažem sve što znam što sam doživjela kada sam zarobljena 17.09.'92. godine i govorim sljedeće?

Dana 16.09.'92. godine, ja sam živjela u Novom Selu općina Zvornik i živjela sam sa svojim mužem Stanojom Obradović i nismo imali djece. Moja svekrva je već otišla za Srbiju, a u kući prije samog napada na selo bila sam sama ja i moj muž koji je uspio pobjeći, a pobegla je i moja zaova Branka Ilić.

Međutim, prije samog upada vojske u selo ja nisam smjela izaći iz kuće, tako da sam ostala sama u kući.

U ranim časovima 17.09.'92. godine upala je vojska, a čula sam da govore „hvatajte ih žive“. Tada sam shvatila da se radi o Muslimanskoj vojsci, a u jednom momentu sam začula pucnjeve u vrata koja su se otvorila i u prizemlju kuće gdje sam se ja krila ušla su dvojica naoružani puškama u crnim uniformama, sa crnim čarapama na glavi i rukavicama, a imali su proreze na očima i rekli su mi da su „Zenge“. Odmah su me pitali gdje su četnici, a kada sam im rekla da neznam jedan od njih me je jako udario ispod lijevog oka zbog čega i dan danas slabo vidim na to oko.

Ja sam bila u trećem mjesecu trudnoće. Izveli su me ispred kuće na jednu raskrnicu, a jedan od njih je izvadio nož i htio me zaklati, no u tom momentu je naišao moj poznanik, jedan moj komšija po imenu Kadrija koji me je spasio.

Momentom dolaska na tu raskrnicu došao je Muharem Sinanović zv. „Šiško“ i odveo me u selo Bare gdje su mi previli oko, a potom me Muharem Sinanović sproveo do mjesta Bajrići i predao me u vojnu komandu gdje su me ispitivali.

Po dolasku pred tu komandu bilo je dosta uniformisanih vojnika, a radilo se o šarenim uniformama, a bilo je i žena koji su me pljuvali govoreći da me treba ubiti. Napominjem da mi je Muharem u tim momentima rekao da bi mene on pustio, ali da nesmije jer će ga ubiti njega i njegovu porodicu.

U Bajrićima me nije nitko maltretirao niti zlostavljaо. U Bajrićima sam bila zatvorena u pomoćnom nekom objektu, a nakon toga su me ujutro zatvorili, prethodno mi vezali oči i proveli me do nekakve tamnice, a kažem tamnica, zato što nije bilo ni prozora samo neka mala vrata, a to sam vidjela kad sam ušla i skinula povez s očiju.

Prostorija u kojoj sam bila bila je dužine 4,50, širine 3,50.i visne 1,30 cm, a to tačno znam zato što se ja ovlike visine kolike jesam nisam mogla ispraviti. Vrata su bila drvena, a na vratima je bio jedan mali prostor prekriven mrežastom žicom. Od 18.09.'92. do 04.10.'92. godine sam boravila u toj prostoriji, a za vrijeme tog boravka donosili su mi hranu dva puta i to najčešće Šahbaz Sinanović koji je poginuo.

Nakon nekoliko dana boravka u tom podrumu došao je Adem Kostijerevac koga poznajem, a koji je bio poznanik sa mojim mužem i djeverom. Izgledao je tada mlad, crn, imao je brkove. Nebih mogla znati kolike je visine, a nadimak mu je bio „Dupla palica“, a rekao mi je da je bio u vojnoj policiji.

On je tako jedne prilike došao u taj podrum i silovao me, a ja sam na to morala pristati, jer sam bila nemoćna, zatvorena, sama bez ičije pomoći, a imao je kod sebe i automatsku pušku. Napominjem Adem tada nije bio čuvar te tamnice, nego je imao plavo vojničko odijelo. On je dolazio više puta i svaki put me je silovao i iživljavao se nadamnom.

Dok sam bila u tamnici jedne prilike je došao i Dževad Demirović da me ispituje, a li je i on poginuo.

Boravkom u toj tamnici od silovanja, ja sam izgubila trudnoću, jer sam prokrvarila, a jedne prilike mi je pomoći i krpe za krvarenje dala Ajka Junuzović kojoj nisam rekla da sam silovana, jer nisam smjela.

Napominjem i to da sam odmah kada sam uvedena u tu tamnicu 18.09.'92. dobila dimije, a kada me je Adem prvi put silovao rekao je „da vidiš kako Turčin radi“, a dali su mi ime Fata. Osjećala sam se poniženo, nikako. Nakon 4.10. Šahbaz Sinanović me je izveo iz tamnice i odveo me je svojoj kući gdje su me on i njegova žena Fatima malo pripazili i tu sam provela dva do tri dana.

Nakon 2 do 3 dana Šahbaz i još jedan čovjek su me odveli u Cersku i tamo su me smjestili u komandu gdje je Šahbaz predao papire moje i rekao im da sam ja tamo ispitivana. Nakon toga su me odveli u jednu štalu koja je izgrađena od betonskih blokova, a u toj štali sam zatekla Radu Pejića, Jakova Đokića, Ilić Dragana i Sekulić Branka koje sam upoznala boravkom u toj štali. Sa njima sam bila cijelo vrijeme do 26.01.'93. godine.

U tu štalu su ulazili ljudi po nadimcima Petko, Drago, Cicko i oni su tukli Jakova i ostale, a od stražara bio je Veiz Bijelić, a jedne prilike je došao Alaga koji je rekao da je

školski drug od Branka Sekulića, no međutim tada nas je on pretukao sviju redom. Ja tog čovjeka nebi mogla sada prepoznati.

Jedne prilike Veiz Bijelić koji je izgledao ovako visok, mršav, imao je brkove, bio je starijeg izgleda me je izveo iz štale i odveo iza štale gdje me je uz prijetnju da će me ubiti ukoliko nekom kažem silovao i to nekoliko puta možda čak 4., 5. večeri. Bila sam ponižena, isprebijana, krvava, mršava i bol trpim i dan danas.

Moje zdravlje se ne može ničim naplatiti, ali ja želim da Veiz Bijelić odgovara za svoje nedjelo i ovo što mi je napravio dok sam bila nezakonito zatvorena. Veiz je bio čuvar zatvora – štale u Cerskoj i nekada je bio u civilu, a nekada je bio u maskirnoj uniformi.

Čovjek po imenu Salko Kurić mi je pomagao i donio nam je jedne prilike mlijeka i to onda kada je pala Kravica. U Cerskoj sam bila zajedno sa Radom i ostalim do 26.01.'93. godine, a napominjem da su uvjeti bili grozni, stravični. Nije mi ni jasno kako sam uopće mogla preživjeti. Ja sam se povjerila da sam silovana Radi Pejić, a Rado Pejić je to prenio Salku Hurić iz Cerske i onda više nisam silovana jer je Veiz bio udaljen. Nije više bio čuvar.

Dana 26.01.'93. u štali po nas je došao Zulfo Tursunović koji je bio jako korektan, znam da se tako zove, jer se tako iprestavio i poveo nas u Srebrenicu. Cijeli dan smo pješačili i u mrak smo došli u Srebrenicu, gdje su me smjestili u zatvor i to u žensku sobu, a u toj ženskoj sobi sam zatekla Milku Tomić, Milosavu Nikolić, Dostanu Filipović, Danicu, Živanu, više se i ne mogu sjetiti sviju, a znam da su Đokića, Ilića, Pejića, Sekulića zatvorili u drugu sobu, a dijelio nas je samo jedan hodnik. Cijelo vrijeme moga boravka ja sam čula jauke, kuknjavu, a najviše sam čula kako su tukli Jakova Đokića i njihove riječi „čiju ćeš vojsku više služiti“. Nikome od žena prisutnih nisam rekla da sam silovana, jer sam se bojala za sigurnost svoje porodice, a i sebe same.

Dana 05.02. ja sam razmijenjena zajedno sa ženama, čovjekom Ilijom Ivanović i jednim dječakom i jednim starijim čovjekom Ratkom Popovićem koji je možda još živ, te su nas sve zajedno kamionima doveli do jednog brda zv. „Veznik“ i tu smo razmijenjeni.

U zatvoru me tu u Srebrnici nije nitko zlostavljao niti tukao. Uslovi u tom zatvoru su bili grozni, nisam imala nikakvih higijenskih pomagala, a samo sam se jednom okupala za 5 mjeseci. Imala sam samo 37 kg.

Ja sam razmijenjena prije Rade Pejić, a kada sam pošla na razmjenu dozvolili su mi da se pozdravim i tada sam zadnji put vidjela i Jakova, Branka i Dragana.

Ja na kraju želim samo istinu i da se kazne svi oni koji su krivi zbog stanja u kojem sam se ja nalazila.

Nakon toga svjedok se upoznaje da ima pravo da zapisnik pročita prije nego što isti potpiše, pa izjavi, slušao sam glasno diktiranje zapisnika, tako da nije potrebno da se isti čita, isti će potpisati.

Završeno u 13,40 časova.

WITNESS STATEMENT

I was summoned as a witness to tell everything I know and what I experienced when I was captured on 17 September 1992, so here is my statement.

On 16 September 1992, I lived in Novo Selo, Zvornik municipality, with my husband Stanoje Obradović. We did not have any children. My mother-in-law had already left for Serbia, so my husband and I were the only ones in the house prior to the attack; but he managed to escape, as well as my sister-in-law Branka Ilić.

However, prior to the attack by the army I did not dare get out of the house, so I remained there alone.

In the early morning hours of 17 September 1992, the army burst in. I heard them saying "get them alive," which is when I realized those were members of the Muslim army; at one moment I heard gunshots and the door to the groundfloor where I was hiding was busted open and two men entered, armed with rifles, wearing black uniforms, gloves and balaclavas on their heads, with only their eyes uncovered, and told me they were Zengas. They asked me right away where the Chetniks were, and when I told them I did not know one of them hit me

hard below the left eye, which is why I still have poor sight in that eye.

At the time I was three months pregnant. They took me out in front of the house to a crossroads, and one of them pulled out a knife and wanted to slit my throat, but right at that moment an acquaintance/neighbor of mine, Kadrija, passed by, and saved me.

At the moment when we arrived at the crossroads, Muharem Sinanović aka "Šiško" turned up and took me to the village of Bare where they had my eye dressed, after which Muharem Sinanović took me to the village of Bajrići and handed me over to the military command where they interrogated me.

Upon our arrival at the command, there were a lot of uniformed soldiers there, wearing camouflage uniforms, but there were some women too, who spitted at me saying I should be killed. I wish to note that at those moments Muharem told me he would have released me if it had been up to him, but that he did not dare do so for he and his family would then be killed.

Nobody mistreated or abused me in Bajrići, where I was detained in some auxiliary facility. Before they took me to that prison they blindfolded me and took me to a dungeon; I say dungeon because there were no windows there, just some small door, and I was able to see that when I came in and took off my blindfold.

The room in which I was detained was some 4.5m by 3.5m, height 1.30 m. I know that because with my height I was not able to stand straight in that room. The door was made of wood, with a small opening covered with wire netting. I was held there from 18 September to 4 October 1992, during which time I was brought food twice a day, most often by Šahbaz Sinanović, who was later killed.

After several days spent in that basement, Adem Kostjerevac, whom I knew from before the war and who knew my husband and brother-in-law, came in. Back then he looked young, with dark hair and a mustache. I cannot tell you how tall he was, but his nickname was "the double bat," and he told me he was a member of the military police.

So on one occasion he entered the basement and raped me, and I had to let him for I was helpless, incarcerated, alone, without anyone's help, and he had an automatic rifle by his side. Please note that at the time Adem was not a guard at the dungeon, but had a blue military uniform. He would then come by the dungeon repeatedly, and raped me every time, sadistically so.

While I was in the dungeon, on one occasion Dževad Demirović came in to interrogate me, but he was later killed.

Due to the repeated rape, I lost my pregnancy in the dungeon, having bled out, and on one occasion Ajka Junuzović gave me some rags to clean up, but I did not tell her I had been raped, for I did not dare to.

I also wish to note that right after I was placed in the dungeon, on 18 September 1992, I was given a set of *dimije* (*translator's note: piece of typical Muslim attire*), and when Adem raped me first time around he said "just so you see how a Turk does it," and they even named me Fata (*translator's note: a typical Muslim name*). I felt humiliated, I felt like nothing. After 4 October, Šahbaz Sinanović took me from the dungeon to his home, where he and his wife Fatima helped me recover a little, so I spent two or three days there.

After 2 or 3 days, Šahbaz and another man took me to Cerska and placed me inside the command building, where Šahbaz gave them my dossier and told them I had been interrogated. After that, they took me to a barn built of concrete blocks, and in that barn I found Rade Pejić, Jakov Đokić, Dragan Ilić and Branko Sekulić, whom I met for the first time there in that barn, and with whom I spent the entire period until 26 January 1993.

Visiting the barn at will were individuals nicknamed Petko, Drago, Cicko, and they would beat up Jakov and the others, while of the guards there was Veiz Bijelić, and on one occasion Alaga came by too, and said he was Branko Sekulić's classmate, yet on the occasion he beat up all of us. However, I would not be able to recognize and identify that man today.

On one occasion Veiz Bijelić, who was tall, skinny, with a mustache, took me out of the barn to a place behind the barn where he raped me repeatedly throughout the night, 4 or 5 times perhaps, threatening to kill me if I told anyone. I was humiliated, bloody, emaciated, and the pain never really went away.

My health cannot be paid by anything, but I want to hold Veiz Bijelić accountable for his misdeed and what he did to me when I was unlawfully detained. Veiz was a guard of the prison-barn in Cerska, and sometimes wore civilian clothing, sometimes camouflage uniform.

The man named Salko Kurić used to help me, and on one occasion he brought me some milk, right about when Kravica fell. I stayed in Cerska together with Rade and the others until 26 January 1993, in horrible, horrible conditions. Even today I still don't know how I was able to stay alive at all. I told Rade Pejić that I had been raped, who conveyed that to Salko Hurić from Cerska, after which there was no more rape, for Veiz was removed, he no longer stood guard there.

On 26 January 1993, Zulfo Tursunović came to take us from the barn. His treatment of me was rather fair, and I know that that was his name because he introduced himself and took us to Srebrenica. We walked all day long and arrived in Srebrenica at sundown. I was placed in a prison, in a women's room, where I found Milka Tomić, Milosava Nikolić, Dostana Filipović, Danica, Živana, I cannot remember them all, while Đokić, Ilić, Pejić, Sekulić were detained in another room, with only a corridor between us. Throughout my stay there I used to hear moaning and groaning coming from that room, but what I heard most often is when they beat Jakov Đokić, and their words "whose army are you gonna serve now." I never told any of the women there that I had been raped, for I was afraid for my own and the safety of my family.

On 5 February I was exchanged, together with the women, the man named Ilija Ivanović and a boy, and an elderly man Ratko Popović, who might still be alive. They took us all together by trucks to a hill called "Veznik", which is where the swap took place.

Nobody abused me or beat me there in Srebrenica. The conditions in that prison were horrible, I did not have any hygienic items, and was able to take a bath only once in 5 months. I was reduced to 37 kg of bodyweight.

I was exchanged shortly before Rade Pejić, and when I left for the exchange location they allowed me to say goodbye, which was the last time I saw Jakov, Branko and Dragan.

At the end, I only want the truth and that all those who are responsible for the condition I found myself in be punished.

The witness is advised that she has the right to read the transcript before she signs it, to which she said she had heard a dictation of the record so there is no need for her to read it, and will sign it right away.

IZJAVI

Ja sam dala već izjavu u SJB Zvornik 03.11.2005. godine koju ste mi sada pročitali, to je moja izjava ostajem kod iste u cijelosti i danas i na Vaša pitanja što budem znala reći.

Ja sam uhapšena 17.09.1992. godine u ujutru u 05,30 sati u mjestu Novo Selo u kući moje zaove i zeta Zorana Ilića, jer sam tu bila smještena, a moja kuća odatle je udaljena 800 metara. Bila sam u drugom stanju, treći mjesec, nisam bila vojno angažovana. Uhapsila su me dva lica koji su bili u crnim uniformama, rekli su da su Zenge, nisam ih poznavala niti su mi rekli ime. Kad su me izveli iz kuće na raskrsnicu jedan me udario bokserom u lijevu stranu lica ispod oka i nanio i povredu, a na raskrsnici je tada prišao meni dobro poznat Sinanović Muharem zv. Šiško, koji je prije rata bio konduktér u Drina-trans Zvornik na relaciji Kamenica – Zvornik i mislim da je on iz zaseoka Bajrići, koje je oko 3 kilometra od mog sela. Dakle, poznavala sam ga imao je tada, mislim da je rođen 1958. godine. Tad mi je prišao s njim i Kadrija, mislim da mu je ime ocu Hasu, i on je komšija od tog Sinanović Muharema, neznam gdje je radio. Dakle, kad su njih dva prišla i kad su me ova dvojica što su me uhapsili htjeli zaklati, jer su to rekli, Kadrija je rekao nije ona ništa kriva. Odatle su me odveli preko mjesta zv. Bare koje je u blizini Novog Sela i odveli me u Bajriće. Odveo me je sam Sinanović Muharem i to u ambulantu u tom mjestu Bare gdje mi je pružena medicinska pomoć, gdje su mi previli povredu koju mi je nanio taj jedan što me udario. U Barama me u ambulantni previo Mustafić Refik koji je iz Novog Sela, dakle, moj komšija, a radio je prije rata u našem Domu Zdravlja u Zvorniku, nije bio oženjen bio je mlad, on je po struci bi medicinar sa Srednjom školom i poznavala sam ga lično. Nakon previjanja Sinanović Muharem me je odveo u Bajriće u neku njihovu komandu vojnu koja je bila u jednoj kući, neznam, čija je kuća, tu je bilo dosta njihovog naroda muslimanskog, jedni su govorili zakoljite je šta je vodite, objesite četnikušu, pljuvali i tome slično i tu sam prenoćila u podrumu, da bi ujutru vezali mi oči i odveli me u neki objekat za koji su rekli da je njihovo sklonište, to je podrumska prostorija, objekat nova gradnja do kojeg sam išla pješke oko 5 do 10 minuta, tako da nisam vidjela kuda su me vodili. U tom podrumu gdje su me smjestili odvezali su mi oči i dali mi da obučem dimije, moju odjeću su negdje odnijeli nije mi više ni vraćena i rekli su mi da se od sad zovem Fata. Otprilike tu sam bila do 01.10.1992. godine, a odatle odveo me je Sinanović Šahbaz, koji je brat od Sinanović Muharema, odnosno ja sam tako čula od njih, koji me odveo svojoj kući u blizini tog skloništa, jer je njegova supruga Sadika sa mnom išla zajedno u školu, tako da sam poznavala nju. Kod njega sam bila tri dana, da bi me 04.10.1992., godine iz njegove kuće odveli preko nekih brda, da bi na tim brdima prenoćili, zatim me odveli u Cersku sledeći dan tj. 05.10.1992. godine, te sam prenoćila u nekoj prostoriji kao prodavnica, da bi sledeći dan odveli me u zatvor u štalu u Rovašima, mislim da se tako zovu. Ja sam u ranijoj izjavi isticala da me je u mjestu Bajrići, u toj tamnici o kojoj sam vam sad govorila silovao Adem Kostjerevac. Mogu pojasniti to silovanje ako me pitate. Naime, Adem je bio u Vojnoj policiji, jer je i nosio uniformu Vojne policije i

zvali su ga po nadimku Dupla palica, on je bio starosti oko, mislim da je rođen 1960. godine, kao i moj muž, ime mu ocu neznam, mislim da je iz tih Bara o kojim sam govorila. Adem je to činio tako što je noću dolazio u tu tamnicu u Bajrićima gdje sam bila smještena, jer sam ja bila sama smještena u toj prostoriji koja je veličine oko 4,53 x 3,58 metara i visine oko 1,30 metara, jer znam da ja koja sam visoka 1,57 metara nisam se mogla ispraviti, silovao me tako što bi me oborio na betonsku ploču pokrivenu slamom i to je činio oko 5 do 6 večeri, nisam sigurna ali znam da je to sve činio do dana kad su u tu tamnicu doveli još jednog srpsina, kog se sada sjećam zvao se Nenad Lukić iz Raševa kod Šekovića, o kome sam već govorila u svojoj ranijoj izjavi. Nakon svakog silovanja govorio mi je da će roditi Aliju, a po dovođenju Nenada nije više dolazio da me siluje. Posle njegovih silovanja ja sam i izgubila moju trudnoću koju sam imala ranije sa mojim mužem. Kad su doveli Nenada bio je u civilnoj odjeći sa vezanom nekom krpom preko očiju i ruke vezane žicom, noge bose, rekao mi je da ima ženu i dvoje djece i rekao je da mene neće ubiti, jer me štiti neki policajac po imenu Adem, a rekao je za sebe da su rekli da će ga ubiti. Vjerovatno su mu rekli i za mene da me neće ubiti. Nenad je bio samo oko 45 minuta u tamnici sa mnom. Nisam za to vrijeme mogla vidjeti da li je modar, ali je rekao da su ga tukli i da su rekli da će ga mučki ubiti. Bilo je tamno u prostoriji pa nisam mogla vidjeti povrede. Nakon 45 minuta su ga izveli, njih dvojica muslimana sa oružjem, jedan ga je prilikom izvođenja udario kundakom od puške, čim su ga izveli čula sam jauke koji su dopirali po mojoj procjeni sa udaljenosti nekih od 30 do 50 metara, to je bio njegov glas, ti jauci su bili otprilike jedno satipo do dva vremena, a zatim njegov glas se više nije čuo. Odmah posle toga došao je Sinanović Šahbaz, a to je ovaj što me vodio svojom kući, i rekao jesli budna, rekla sam da jesam. Pitala sam ga šta je sa Nenada, ne čuje se njegov glas, a Šahbaz mi je rekao ubili su ga jebi im mater, i Šahbaz je posle toga tu ispred tog zatvora povraćao, jer sam to vidjela kroz jedan otvor koji je bio veličine jedno 20 cm i preko istog mrežasta žica, vjerovatno je povraćao od tog prizora koji je doživio gledajući kako ga tuku. Nije mi rekao ko ga je ubio, ni čime. Pominjala sam ime Demirović Dževada zv. Gumeni, čula sam da je sa Kule Grada u Zvorniku, bio je od mene mlađi i on mi je dolazio kad sam bila u tamnici u Bajrićima, te pošto sam imala zlatnog nakita po rukama tražio je da mi odsječe prste na kojima je zlato, ali nije to učinio jer nije dala jedna žena koja je s njim bila. Taj Demirović Dževad me je udario, tako što je uhvatio moju glavu za kosu i mojom glavom tuko od neko kolje koje je bilo u toj prostoriji u Bajrićima i nanio mi povredu u predjelu gornjeg dijela čela. I tu povredu mi je zbrinuo taj Mustafić Refik tako što je došao tu u tu tamnicu i previo mi povredu. Tu u Bajrimića štitio me je Mehmed Junuzović i njegova supruga Ajka i oni su iz tih Bajrića. On mi se tako predstavio i rekao da je radio sa mojim tečom Milošem Ilićem iz Novog Sela, a inače ga nisam do tada znala. On mi je donosio mlijeka i šećera, dorosio da promijenim dimije i tako nije dao kad bi neko htio da me tuče, barem danju, na osnovu čega sam zaključila da je on stanovao tu negdje blizu.

Kad sam smještena u štalu u Rovašima tu sam zatekla sledeće srbe zatvorene:

- Đokić Jakov rođen 1972.g. iz Kalabača, opština Šekovići, neznam mu ime oca iako je on rekao,
- Ilić Dragan, rođen 1975.g. iz mjesta Vukšići kod Milića,
- Sekulić Branko rođen 1967. godine, od Milića i on,
- Pejić Rado zv. Mišo iz Gobelja kod Milića.

U tom zatvoru bili su sledeći čuvari zatvora:

- Bijelić Vejiz, bio je stariji od mene ali neznam koliko,
- jedno lice po imenu Alija, neznam prezime niti ime oca, starosti oko 1958 do 1960 godine rođen, pričao je da je radio u preduzeću Standard u Zvorniku i da zna moju zavu Milenu.
- bila su još dva lica otac i sin čuvari neznam njihove lične podatke , niti odakle su.

Lice po nadimku Alaga, a neznam mu pravo ime i prezime, niti odakle je, vjerovatno rođen 1967. godine, jer je bio mlađi, a i Branko Sekulić, koji je bio sa mnom u zatvoru, rekao da je to njegov školski drug i da mu je nadimak Alaga. Ovaj čovjek nas je tukao u tom zatvoru u Rovašima prvo muškarce, a onda i mene, a najviše je tukao Sekulić Branka, tako što je imao jedno drvo dužine oko 70 cm, debljine oko 8 cm, a tukao nas je i nogama i rukama. Dok sam bila u toj štali u zatvoru u Cerskoj dolazio mi je Hurić Salko, odnosno svima nama i donosio nam je hrane, kako je šta kad imao, donosio nam je dimije, marame svima i muškarcima i meni i štitio bi nas u slučaju kad bi muslimanski vojnici dolazivši sa linije i ako su imali gubitke u ljudstvu htjeli bi da nas pobiju, a ako bi se on tu zatekao nije dao da otvore štalu. Vjerovatno je njegova kuća bila tu blizu. Ja bih lično čula kad bi govorio da im neda da uđu u štalu i govorio im nisu oni krivi vidite da su oni robovi.

Rekla sam u ranijoj izjavi da me je dok sam boravila u tok štali u mjestu Rovaši više puta izvodio iz štale i silovao Bijelić Vejiz čuvar tog zatvora, tako što bi me odvodio iza štale i povalio na golu zemlju i mislim d aje to učinio jedno 5 do 6 puta, ali nisam sigurna, odnosno činio je sve to dok nisam Pejić Radi zv. Mišo, koji je bio sa mnom u zatvoru povjerila se gdje me do Vejiz izvodio i kad sam ja Miši rekla da me izvodi Vejiz i siluje Mišo je to rekao tom Hurić Salki, jer je bio dobar sa Salkom, pa je nakon toga Salko došao, otvorio vrata štale i pozvao me da izađem. Kad sam izašla ispred štale u prisustvu i Bijelić Vejiza, Salko me pitao Ando je li te silovao Bijelić Vejiz ovih večeri. Ja sam rekla jeste više puta, dok sam govorila to plakala sam. Vejiz na to ništa nije govorio, samo je oborio glavu zemlji i pocrvenio se. Nakon toga Salko je rekao mu sram te bilo i nemoj da te više ovdje vidim i zaista ga više tu nisam ni viđala tj. Bijelić Vejiza sve do 26 januara. Tada sam ga vidjela jer smo krenuli tada za Srebrenicu, tako što je on došao da nas otključa i izvede iz štale, tad je došao sa Tursunović Zulfom i još nekim licima.

(Oklogokist Ahjo

Odatle sam odvedena u zatvoru u Srebrenici zajedno sa ovim srbima ko su sa mnom bili u toj štali, a koje sam već navela.

U zatvoru u Srebrenici pored mene, Ilić Dragana, Pejić Rade, Đokić Jakova i Sekulić Branka, koji smo dovedeni iz Rovaša, tu su bili zatočeni još sledeća lica:

- Nikolić Milosava iz Kravice,
- Filipović Dostana iz Bjelovca,
- Dostanina unuka Filipović Olivera i unuk Filipović Nemanja,
- Tomić Milka,
- Milena neznam joj prezime i ostale podatke,
- Nada neznam joj prezime i ostale podatke,
- Živana neznam joj prezime i ostale podatke,
- Živanina kćerka Svjetlana,
- Jeden dječak po imenu Željko,
- baka Danica, neznam ostale podatke,
- baka Stojanka, neznam ostale podatke,
- Ivanović Ilija – dijete, neznam ostale podatke,
- Popović Ratko, neznam ostale podatke,

To je od ovih što ja sam upoznala, ali je u odjeljenju gdje su bili muškarci, bilo još mnogo muškaraca srba, s tim što ja neznam njihove lične podatke, ali ih je bilo dosta, Kad sam pošla u razmjenu 06.02.1993. godine tražila sam od muslimana po nadimku Gedžo koji je došao i rekao da idemo na razmjenu, da posjetim ove zarobljenike što su zajedno sa mnom bili u Rovašima i dozvolio mi je i kad sam ih pogledala oni su bili takvi da su strašno izgledali jer su bili potpuno crni, neugledni, jer su smršali i potpuno propali. Po izvršenoj razmjeni nisam nigdje bila u bolnicu jer su rekli da nema mjesta, ali su mi obavili sve zdravstvene preglede i rekli su mi da se ne krećem puno jer sam dosta malokrvna, dali su mi lijekove. Od ovih silovanja, koje sam pomenuila, nisam ostajala u drugom stanju. Ja se nisam protivila kad me Vejiz izvodio na silovanje, a i kad me Adem silovo, što je činio u tamnici u kojoj sam bila, jer se nisam smjela javiti kako tada tako ni kad mi je Demirović zv. Gumeni rekao da će mi odsjeći prste i ne bi se javila ni da ih je počeo sjeći. Adem mi je rekao, nakon silovanja, da ako kome reknem da će me zaklati, tako da o njegovom silovanju nisam nikome ni govorila. Osim Bijelić Vejiza i Kostjerevac Adema, o kojima sam govorila, mene više niko nije silovao za vrijeme mog boravka u zarobljeništvu kod muslimana u ovom ratu, niti je pokušavao da siluje.

Nemam više ništa izjaviti, zapisnik mi nije potrebno čitati, te isti potpisujem bez primjedbi.

Ispitivanje završeno u 11,55 časova.

STATEMENT

I have already given a statement at the Zvornik SJB /Public Security Station/ on 3 November 2005 that you have just read out to me; that is my statement and I stand by it in its entirety. And today, when answering your questions, I will tell what I know.

I was arrested at 05:30 hours on 17 September 1992 in Novo Selo in the house of my sister-in-law and her husband Zoran Ilić because I was staying there, while my house was 800 meters away. I was three months pregnant; I was not in the army. I was arrested by two persons wearing black uniforms; they said they were Zengas. I did not know them and they did not tell me their names. After they took me out of the house into the crossroads one of them hit me with brass knuckles in the left side of the face under the eye and injured me. Muharem Sinanović aka Šiško, a man well known to me, approached me at the crossroads; before the war he was a bus conductor at *Drina-trans* Zvornik on the Kamenica - Zvornik line and I think he was from the hamlet of Bajrići, about three kilometers from my village. I knew him, at that time he was, I think he was born in 1958. Kadrija was with him; I think his father's name was Haso and he was Muharem Sinanović's neighbor; I do not know where he worked. When the two of them approached and when those two men who arrested me were about to slit my throat (that is what they said), Kadrija said "she hasn't done anything wrong". From there they took me via place called Bare in vicinity of Novo Selo and to Bajrići. I was taken there by Muharem Sinanović, to the infirmary in Bare where I received medical treatment – they dressed the injury caused by the man who had hit me. Refik Mustafić tended to my injury in the infirmary in Bare; he was from Novo Selo, a neighbor of mine; he used to work in our Health Centre in Zvornik, he was not married, he was young, he completed secondary medical school and I knew him personally. After the medical treatment Muharem Sinanović took me to Bajrići to some military HQ of theirs located in a house, I do not know who owned the house, there were many Muslim people there, some said "slit her throat, why are you taking her, hang the Chetnik woman", they were spitting and the like and I spent that night in the basement. On the next morning I was blindfolded and taken to a structure; they said it was their shelter; it was a basement area, a new building. It took 5-10 minutes to get there on foot; I did not see which route we took. They removed the blindfold in the basement and gave me 'dimije' /Muslim women's trousers/ to wear; they took my clothes away somewhere and never gave it back to me and they told me that my now would henceforth be Fata. I was there until about 1 October 1992, and from there I was taken away by Šahbaz Sinanović, Muharem Sinanović's brother (that is what I heard from them). He took me to his house in vicinity of that shelter because his wife Sadika and I were schoolmates and I knew her. I was in his place for three days. On 04 October 1992 I was taken out of his house across some hills, we spent the night on those hills. I was taken to Cerska on the next day, i.e. 5 October 1992. I spent the night in a room, it was like a store, and the next day they imprisoned me in a barn in Rovaši, I believe that was the name. I pointed out in my prior statement that Adem Kostjerevac raped me in Bajrići, in the prison that I just mentioned. I can explain the rape if that is what you are asking me. Namely, Adem was with the Military Police because he was wearing the Military Police uniform and

/signature of the witness/

he had a nickname 'Dupla palica'. As for his age, he was about, I think, in 1960, the same as my husband, I do not know his father's name, I do not know from the Bare that I mentioned. Adem did that by coming during the time I was in prison in Bajrići where I was; I was in that room the size of about 4.5 x 5.5 meters and the height of about 1.30 meters; I know because I am 1.57 meters tall and I could not stand up. He raped me by knocking me down onto a concrete slab covered with straw and he did that on five or six evenings, I am not sure, but I do know it up to the day when they brought another Serb to that prison. As I recall, it was Nenad Lukić from Rašovo near Šekovići; I mentioned him in my prior statement. After each time he raped me he would say that I would give birth to Alija, but he did not rape me ever again after Nenad was brought. After the rape I lost my pregnancy. When they brought Nenad he was in civilian clothes with a piece of cloth over his eyes and his hands were tied with a piece of wire; his feet were bare. He told me that he had a wife and two children and he said that they would not kill me because I was under the protection of a police officer named Adem. As for himself, he said that they said that they would kill him. They probably told him that they would not kill me. Nenad was only for about 45 minutes with me in the prison. During that time I could not see if he was covered with bruises, but he did say that he was beaten and that they said that he would die a painful death. It was dark in the room and I could not see if he had any injuries. He was taken out 45 minutes later by two armed Muslims; as they were leading him out one of them hit him with a rifle butt. As soon as they took him out, I heard shouts of pain coming from a distance of about 30 to 50 meters in my estimate, it was his voice, the shouting lasted for about an hour and a half or two hours and then I no longer heard his voice. Šahbaz Sinanović showed up immediately thereafter; he was the person who took me to his house. He said: "Are you awake?" I said I was. I asked him what happened to Nenad, I could not hear his voice. Šahbaz told me "they killed him, mother f...!" After that, Šahbaz vomited outside the prison, I saw that through an opening the size of about 20 cm and through a mesh; he vomited probably because he saw the beating. He did not tell me who killed him or how he was killed. I mentioned the name of Dževad Demirović aka Gumeni, I heard that he was from Kula Grad in Zvornik, he was younger than me and he used to visit me when I was in the prison in Bajrići. As I had gold jewelry on my hands he wanted to cut off my fingers on which I had gold jewelry, but he did not do that because he was prevented to do that by a woman that was with him. Dževad Demirović hit me by grabbing my hair and banging my head against some poles that were in that room in Bajrići, injuring the upper part of my forehead. Again Refik Mustafić tended to my injury; he came to the prison and took care of my injury. There in Bajrimići I was protected by Mehmed Junuzović and his wife Ajka and they were from Bajrići. That is how he introduced himself and said that he used to work with my uncle Miloš Ilić from Novo Selo, but I did not know him from before. He brought me milk and sugar, a new pair of 'dimije' and he prevented all those who wanted to beat me, at least during the day. Based on that, I concluded that he was living nearby.

When I was taken to the barn in Rovaši I found the following Serbs imprisoned there:

- Jakov Đokić, born in 1972 from Kalabač, Šekovići municipality, I do not know his father's name although he did say it;
- Dragan Ilić, born in 1975, from Vukšići near Milići;
- Branko Sekulić, born in 1967, he too was from Milići;
- Rado Pejić aka Mišo from Gobelj near Milići.

The following persons were the guards in that prison:

- Vejiz Bijelić, he was older than me, but I do not know how much,
- a person by the name of Alija, I do not know his last name or his father's name, born between 1958 and 1960, he said that he worked in *Standard* Company in Zvornik and that he knew my sister-in-law Milena.
- there were two more persons, a father and a son, guards, I do not know their personal details or where they were from.

A person with the nickname Alaga, I do not know his real name or where he was from, he was probably born in 1967 because he was younger, and Branko Sekulić, who was with me in the prison, said that that was his schoolmate and had a nickname Alaga. That man beat us in that prison in Rovaši; he first beat the man and then me. He beat Branko Sekulić most with a piece of wood about 70 cm long and about 8 cm thick; he also punched and kicked us. While I was in that barn, in that prison in Cerska Salko Hurić came to see him, actually he came to see all of us and he brought us food, whatever he had, he brought us 'dimije', kerchiefs for everyone, the men and me, and he protected us when Muslim soldiers, returning from the frontline and having sustained losses, wanted to kill us; if he was present there he would not allow them to open the barn. His house was probably nearby. I personally heard him saying that he did not allow them to enter the barn; he would tell them "it's not their fault; you can see that they are slaves".

I said in my prior statement that while I was in that barn in Rovaši Vejiz Bijelić, a guard in that prison, took me out of the barn on several occasions and raped me: he would take me behind the barn and put me on the ground. I think he did that five or six times, but I am not sure; he did that until I confided in Rade Pejić aka Mišo (he was with me in the prison) where Vejiz was taking me. After I told Mišo that Vejiz was taking me outside and raping me, Mišo said that to Salko Hurić because he was on good terms with Salko. After that Salko showed up, opened the barn door and told me to come out. When I got outside the barn Salko asked me in the presence of Vejiz Bijelić: "Anda, did Vejiz Bijelić rape you during the previous evenings?" I said "yes, several times", crying. Vejiz did not say anything to that; he just lowered his head to the ground and turned red. After that, Salko told him "you should be ashamed of yourself; I don't want to see you face around here anymore". Indeed, I did not see him (Vejiz Bijelić) there until 26 January. That is when I saw him because we set out for Srebrenica; he came to unlock the door and lead us out of the barn. That is when Zulfo Tursunović came with some other persons.

/signature of the witness/

From there I was taken to a prison in Srebrenica together with the other Serbs who were with me in that barn, and I already mentioned them.

In addition to me, Dragan Ilić, Rade Pejić, Jakov Đokić and Branko Sekulić as the persons from Rovaši, the following persons were also detained in that prison in Srebrenica:

- Milosava Nikolić from Kravica,
- Dostana Filipović from Bjelovac,
- Dostana's granddaughter Olivera Filipović and grandson Nemanja Filipović,
- Milka Tomić,
- Milena (I do not know her last name or other details),
- Nada (I do not know her last name or other details),
- Živana (I do not know her last name or other details),
- Živana's daughter Svjetlana,
- A boy named Željko,
- Old woman by the name of Danica (I do not know other details),
- Old woman by the name of Stojanka (I do not know other details),
- Ilija Ivanović – child (I do not know other details),
- Ratko Popović (I do not know other details).

Those were the ones that I met, but in the male section there were many Serb men; I do not know their personal details, but there were many of them. When I was about to be exchanged on 6 February 1993, I asked a Muslim nicknamed 'Gedžo' who came and said that we would be exchanged to visit those prisoners who were with me in Rovaši and he allowed me. When I looked at them, they looked terrible: they were completely black, nondescript, they lost weight. After the exchange I did not go to any hospital because they said that there was no room, but I was given a medical examination and they told me that I should not move around much because I was anemic, they gave me medication. The rapes that I mentioned did not result in a pregnancy. I did not offer resistance when Vejiz took me out to rape me and the situation was the same when Adem was raping me in the prison because I did not dare come forward. Did not say anything when Demirović aka Gumeni said that he would cut off my fingers and I would not have said anything even if started cutting my fingers. Adem told me after the raping that he would slit my throat if I told anyone, and so I never told anyone that he had raped me. Except for Vejiz Bijelić and Adem Kostjerevac, whom I referred to, no one else raped me during my stay in captivity with the Muslims during this war, nor did anyone else try to do that.

That is all that I wanted to say. There is no need to read out the record and I sign it with no objections.

Completed at 11:55 hours.

И. З. А. В. У.

Питање: Госпођо Аиђо шта нам ви можете рећи о томе када је нападнуто ваше мјесто Ново Село, општина Зворник и ко га је напао?

Ја сам 1992. године живјела у мјесту боравка где сам удата, Ново Село, општина Зворник са мужем Станојем Обрадовићем и у браку нисам имала дјече. Моја Свекрва је избјегла у Србију а ја сам била у кући моје заове Бранке Илић. Данас 16.09.1992. године била сам код моје мајке у Петковцима, општина Зворник, и након посјете истог дана сам се вратила у Ново Село. Данас 17.09.1992. године у раним јутарњим сатима око 05,30 часова, моје село су опколиле Муслиманске снаге из правца села Шахмани, општина Зворник и окружили су село и направили су потковицу око села тако да је нама осатло само рјeka Дрина као могући излаз. У том моменту моја заова која је била на спрату куће, док сам ја била у приземљу, успјела је побјећи и сакрити се код једне стијене у близини куће уз обалу рјеке Дрине тако што су били у води она и још неки мјештани наведеног села. Мене су затекли у приземљу куће двојица наоружаних у црним униформама са чарапама на глави и рукавицама са изрезима на прстима, те су се представили да су зенге, а који су развалили врата и при уласку мене пitali где су четници, а затим ме један од њих ударио песницом у предјелу главе испред лијевог ока где ме је залила крв, нанијевиши видну повреду од чега сам и данас оштећена јер невидим на лијево око, иако сам тада била трудна 3 мјесец и моја трудноћа је била видљива. У том моменту извадио је нож говорећи да ћеме заклати и извели су ме из куће те довели до раскрснице сеоског пута, када је у том моменту ништо лице коме незнам презиме само знам да се зове Кадрија и исти је из Новог Села и са њиме је био Мухарем Синановић зв. Шишко који је радио у Дринатрансу Зворник као кондуктер те су ме одбрали, говорећи «није она крива, она је синоћ стигла». Одатле ме је Мухарем Синановић зв. Шишко одвео у село звано Баре и предао ме у њихову војну амбуланту где је било још лица који су били рањени и ту ме је превио а потом је Мухарем Синановић зв. Шишко мене саму спровео до мјesta Бајрићи и предао ме у њихову војну команду. По доласку пред команду било је дosta присутних uniformisanih војника и жена који су мојим доласком мене плјували и упућивали ми уврједљиве ријечи као што су «треба је заклати, објесити, убити и др.». Доласком у унутрашњост команде затекла сам тројицу људи којима ја незнам имена и један од њих ми је дао таблету против болова и стреса, а Синановић је рекао «ову жену смо заробили и морао сам је довести овде» након чега је изашао а услут до команде ми је рекао «ја бих тебе пустио, али несмијем због своје породице јер ће ми је побити» Присутни у команди су ме питали где су четници притом су ми показивали личне карте Илић Лазара, Илић Зорана, Живновић Горана, Илић Радована, Марковић Васе и још неких којима се несjeћам имена а мени је било познато да су већ погинули, стим што су Илић Радован и Живановић Горан остали живи а личне карте су узели из њихових кућа. Ту су ме испитивали око један сат времена, а послије испитивања су ме одвели у подрум исте куће и ту ме саму закључали. У наведеном подруму сам преноћила без хране и прића, да би ујутру извели ме напоље везали ми очи крпом и водили су ме отприлике пет-десет минута до некакве тамнице, где су ме затворили знам да је била подрумска просторија дужине 4,50 м, ширине 3,50 м и висине 1,30 м, сва је била од бетона, врата су била дрвена, док прозора није било осим једног малог отвора на вратима који је био покрiven мрежастом жицом, на патосу од бетона се налазила некаква слама. Ту су ми одvezali очи и ту сам боравила од 18.09.1992. године до 04.10.1992. године.

Питање: Госпођо Аиђо можете ли нам рећи шта се дешавало у логору, како се поступало према вама као затвореном лицу у том затвору-логору?

За вријеме боравка у наведеној тамници су ми доносили храну два пута дневно, а чували су ме стражари који су се мјењали свако вече и у смјени је било по један чувар од истих сам упamtila да се један зове Шахбас Синановић брат Мухарема за којег сам чула да је погинуо. Након три проведена дана у тамници у ноћним сатима у тамницу је ушао Адем Коštićevan, познајем га лично мој је компија из Новог Села и том приликом ме

силовао и иживљавао се на мени и у том његовом иживљавању ја сам изгубила трудноћу.
Костјеревац Адем је више ноћи мени долазио у затвор и силовао ме и у току силовања

Фахрудин Демировић зв. Гумени, и једна жена зв. Хосовка обое су били у црним униформама и том приликом ме Фахрудин испитивао «гђе су четници» подносећи ми нож под врат пријетећи да ће ме заклати али у тим намјерама га је спречила Хосовка, да би Фахрудин том приликом повукао ме за косу и мојом главом ударио од некакво колења, најевши ми видне повреде на глави. Сутра дан је дошао медицинар Рефик који ми је указао љекарску помоћ тако што ми је превио главу и зауставио крварење. По самом доласку у наведену тмницу други дан су ми донијели димице, натјерили ме да их обучен и одредили су ми име Фата. Након поменуте посјете од стране Фахрудина можда је био трећи дан у тмницу су довели једно лице српске националности и рекли ми да га ја испитујем. Лице које је доведено мени се представио да је Ненад Лукић из Рашева код Шековића, био је висок плав, плавих очију, старосне доби око 30-ак година, руке су му биле везане, очи су му биле повезане крпом, био је бос и на њему је била цивилна одјећа. Самном у тамници је исти био отприлике два сата. Док је био самном он ми је рекао да има жену и двоје дједе и рекао је да су избегли у Србију и бодрио ме да ћу остати жива и да ме заступа некакав полицијац по имени Адем. Исте вечери Лукића су извели тројица војника са пушкама који су га тукли, ја сам чула јауке и негдје око поноћи је утихнуо. Попут је стражар био поменути Шахбаз истог сма питла шта је са Лукића он ми је одговорио да је завршио те је том приликом повлаћао, вјероватно од призора који је видјео. Dana 04.10.1992. године из тамнице ме извео Синановић Шахбаз и одвео ме својој кући. Његова супруга је моја школска другарица и ту сам провела два-три дана и ту сам имала редовну храну и није ме нико малтретирао. Након три дана Шахбаз и његов бацо су ме одатле одвели у Церску у команду и тамо су их питали јели та заробљена испитана и кад је Шахбаз рекао да јесте, показао им моје папире а одатле су ме Шахбаз и његов бацо одвели на један брдо и затворили ме у једну шталу која је израђена од бетонских блокова и ту ме затворили. У штали сам затекла затворене Ђокић Јакова 1972. годиште из Калабача, општина Шековићи, Илић Драгана 1975. годиште из Милића, Секулић Бранка 1967. годиште од Милића и Раду Пејића зв. «Мишо» из Гобельја, општина Милићи. У наведеној штали заједно са њима сам провела читаво вријеме до 26.01.1993. године. За вријеме мого боравка заједно са њима, чували су нас по двојица стражара даљу и ноћу. Од стражара сам запамтила једнотим име и звао се Алага. Један стражар затвора звао се Веиз и он је једне прилике мене извео из штале и одвео ме у стражару где су они стражарили и искористио одсутнос другог стражара силовао ме и иживљавао се на мени а послије ми запретио да несмијем никоме рећи. За вријеме тог боравка свакодневно су ту долазили непознати који су нас малтретирали и ударали. Стражар у затвору који је био у штали у Церској Алага је једне прилике мене поставио на један метар од зида шамарао ме, и кад се није тога задовољио ударио ме ногом у стомак којом приликом сам изгубила свјест.

Док сам ту била у затвор је долазио Салко Хурић старији човјек који је све нас који смо били у затвору је штитио. Када је надамном извршио силованје Веиз ја сам се пожалила Ради Пејићу који је био у затвору самном и он је то пренио Салку Хурићу и послије тога је Веиз био одстрањен као стражар и више се није ту појављивао. Dana 26.01.1993. године у шталу где смо били затворени код нас је дошао Зулфо Турсуновић са двојицом војника и обратио се нама да нас мора живе довести у Сребреницу, те су нас пјешице довели у Сребреницу. Путовање је трајало читав један дан. У току путовања Бранко Секулић је остао на путу са једним војником па је он други дан дошао у Сребреницу на коњу. У Сребреницу смо дошли по мраку и смјестили су нас у неку мрачну собицу и док смо ту чекали дошла су три униформисана војника са црним униформама и сунчаним наочалима и одмах су почели да туку, тукли су Ђокића, Илића и Пејића док Секулић није био стигао и тукли су их док нису сви прокрварили. Мене том приликом није нико дирао а након тога дошао је Зулфо Турсуновић који када је видио да су наведени крвари напао је

тројицу војника који су тукли затворенике, говорећи им да то нису смјели радити. Одатле су нас одвели у затвор у Сребреници и месне су издвојили у женско одјељење а мушкирце

одјељењу сам затекла Милосаву Николић из Кравице, Филиповић Дестану из Ђеловца, њену снају Мири, унуку Оливеру и унука Немању, Милку Томић, двије жене по имениу Милена, једну Наду, Живану са кћерком Свјетланом, једног дјечака Жельку који је био трећи разред ОШ, Даницу, Стојанку а свима незнам презимена. У затвору у Сребреници провела сам све до 05.02.1993. године, а за то вријеме у затвору мене и жене које сам затекла у затвору није нико матретирао. Напоменула бих да сам на сами дан када сам обавјештена да ћу да будем размјењана тај дан замолила сам и добила одобрење и посјетила сам затворене мушкирце који су самном дошли из Церске у Сребреницу. Дозволи су ми и кад сам их обишла видјела сам да су били црни од батина, запазила сам да је Јаков Ђокић био у најтежем стању. Затвор за мушкирце видјела сам да је био неуредан и сви су лежали на поду. У нашем женском затвору је био под и имале смо по једно ћебе свака од нас. Тога дана када је била размјена су нас жене и са нама било је и понеки мушкирац од којих се сјећам Ивановић Илије дјечака који је био заробљен код оваци, Поповић Ратка старијег човјека су нас у каминоама довезли до једног брда који се зове Везник и ту су нас размјенили. Могу да изјвим да сам имала 57 кг. кад сам заробљена а у вријеме размјене имала сам 37 кг. тежиен.

Питање: Госпођо Анђо да ли нам ви можете рећи шта је било са имовине, кућа и помоћних објеката и стоке у селу?

Што се тиче тога могу да кажем да кад сам изашла из логора село је било пусто, куће и помоћне зграде и сви објекти су запаљени и изгорели, становиште је прогађено, стока свије побијене а говеда и овце отјерани. Из села су отјеране пољопривредне машине трактори, косачице, сијачице, казани, каце и све што је било машина у селу.

STATEMENT

Question: Ms. Anda, what can you tell us when your village of Novo Selo in Zvornik Municipality was attacked and who attacked it?

In 1992, I lived in my place of residence where I had got married, that is, Novo Selo, Zvornik Municipality, with my husband Stanoje Obradović and I did not have children in the matrimony. My mother-in-law had fled to Serbia and I stayed in the house of my husband's sister Branka Ilić. On 16 September 1992, I was at my mother's in Petkovci, Zvornik Municipality, and after the visit I returned to Novo Selo on the same day. Early in the morning on 17 September 1992, that is, at around 05.30 hrs, my village was surrounded by Muslim forces from the direction of the village of Šahmani, Zvornik Municipality, and they encircled the village in the shape of a horseshoe so we were left only with the Drina River as a possible way out. At that moment, my sister-in-law Branka Ilić, who was on the upper floor of the house while I was on the ground floor, managed to escape and hide behind one cliff in the vicinity of the house by the Drina River bank by staying in the water, she and some other villagers. I was found in the ground floor of the house by two armed men in black uniforms with their heads covered in stockings and with finger-cut gloves, they introduced themselves as *Zengas* [member of the Croatian National Guard Corps; translator's note]. They forced the door open and when they entered they asked me where Chetniks were, whereupon one of them punched me to my head below my left eye and blood gushed forth, thus inflicting a visible injury on me whose effects I still suffer as I lost vision in my left eye. He punched me although I was three-months pregnant at that time and my pregnancy was visible. At that moment he took a knife out and said that he would slaughter me and they took me outside the house and brought me to the intersection of the village road, and at that moment a person came across whose last name I don't know, I only know that his name was Kadrija and that he was from Novo Selo, and together with him was Muharem Sinanović, nicknamed Šiško, who had worked at *Drinatrans Zvornik* as a conductor, and they defended me saying: "She's not to blame, she arrived last night." From there Muharem Sinanović, nicknamed Šiško, took me to the village named Bare and handed me over to their military infirmary, where there were also other persons who were wounded, and he dressed my wounds there whereupon Muharem Sinanović, nicknamed Šiško, took me alone to the place of Bajrići and handed me over to their military command. When we arrived in front of the command there were a lot of uniformed soldiers present there as well as women who spat on and cursed me when I arrived saying things like "She should be slaughtered, hanged, killed" and the like. When we entered

EX-1037-198-00018

the command I found three men there whose names I don't know and one of them gave me a pill against pain and stress and Sinanović said: "We captured this woman and I had to bring her here." After that he got out and on our way to the command he had told me: "I would let you go, but I dare not because of my family as they would be killed." The people present in the command asked me where the Chetniks were at the same time showing to me the ID cards of Lazar Ilić, Zoran Ilić, Goran Živanović, Radovan Ilić, Vaso Marković and some others whose names I cannot remember but I knew that they had already got killed, except for Radovan Ilić and Goran Živanović, who stayed alive but whose ID cards were taken from their houses. There they interrogated me for about an hour and after the questioning they took me to the basement of that house and locked me up there alone. I slept the night over in that basement without food and drink and in the morning they took me out having first blindfolded me. They took me for some 5-10 minutes to some jail where they locked me up, I know it was a basement room 4.50 meter long, 3.50 meter wide and 1.30-meter high. It was made of concrete and the door was made of wood, it was windowless except for a small opening in the door that was covered in wire mesh, and there was some straw spread on the concrete floor. They undid my blindfold there. I stayed there from 18 September to 4 October 1992.

Question: Ms. Anda, could you tell us what happened in the camp, how were you treated as a person detained in that prison-camp?

During my stay in the said jail they brought me food twice a day and I was guarded by guards who changed shifts every evening and there was one guard per shift. I remember that one of the guards was Muharem's brother Šahbaz Sinanović. I heard that Muharem had got killed. After I spent three days in the jail, Adem Kostijerevac entered at nighttime, I know him personally as he is my neighbor from Novo Selo, and on that occasion he raped me and as he abused me I miscarried. Adem Kostijerevac came to me to prison for several nights and raped me and while raping me he would tell me: "You will give birth to Alija [Muslim male name, translator's note]". While I was imprisoned, during the day one guy Fahrudin Demirović called Gumeni [the Rubber One; translator's note] and one woman called Hosovka [female member of HOS, Croatian Armed Force; translator's note] came. They both wore black uniforms and on that occasion Fahrudin asked me "Where are the Chetniks", pressing a knife against my neck and threatening to slaughter me, but Hosovka prevented him from doing it. On that occasion Fahrudin grabbed me by the hair and slammed my head against some stakes inflicting visible injuries to my head. The following day medic Refik came and he bandaged my head and stopped the bleeding. The second day after my arrival in the jail they brought me *dimije* [Muslim women's loose-fitting trousers; translator's note], forced me to put them on and named me Fata [Muslim female name; translator's note]. After the said visit by Fahrudin, it was perhaps on the third day that they brought to jail one Serb person and told me to interrogate him. That person introduced himself as Nenad Lukić from Rašovo near Šekovići. He was tall, blond, with blue eyes, around 30, his hands were tied, he was blindfolded, barefoot and in civilian clothes. He stayed with me in the jail for approximately two hours. While he was with me, he told me that he had a wife and two children and that they had fled to Serbia and he attempted to cheer me up by telling me that I would stay alive and that I was protected by some policeman named Adem. On the same night Lukić was taken out by three soldiers with rifles who were beating him, I heard cries and around midnight he went quiet. Since Šahbaz was the guard I asked him what had happened to Lukić and he told me that he was finished, and he vomited on that occasion, probably because of the scene that he had witnessed. On 4 October 1992, I was taken out of the jail by Šahbaz Sinanović and taken to his home. His wife was my schoolmate and I stayed for two-three days at their place and I had regular meals there and nobody mistreated me. Three days later, Šahbaz and his brother-in-law Edina Neretljak SARAJEVO

law took me from there to Cerska, to the command, and there they were asked if the captured woman had been interrogated and when Šahbaz said yes, he showed them my documents and from there Šahbaz and his brother-in-law took me to one hill and locked me up in a stable built from concrete blocks and locked me up there. Also detained in the stable were Jakov Đokić, born in 1972, from Kalabače, Šekovići Municipality; Dragan Ilić, born in 1975, from Milići; Branko Sekulić, born in 1967, from Milići; and Rade Pejić nicknamed Mišo from Gobelje, Milići Municipality. I was in the stable together with them for the whole time until 26 January 1993. During my stay there together with them, we were guarded by two guards per shift during the day and night. I remember the name of one of the guards – Alaga. One guard's name was Veiz and he once took me out of the stable and into a guard post where they used to stand guard and he took advantage of the other guard's absence and raped me and abused me sadistically and then threatened me not to tell anything to anyone. During my stay there unknown men came on daily basis and mistreated and beat us. Alaga, the guard in the stable in Cerska, once made me stand one meter away from a wall and slapped me several times, and since that did not satisfy him he kicked me to my stomach and I lost consciousness.

While I was there Salko Hurić used to come to the prison. He was an elderly man who protected all of us who were in the jail. After Veiz had raped me I complained to Rade Pejić, who was in the prison together with me, and he passed it on to Salko Hurić whereupon Veiz was removed from the post of guard and never showed up there again. On 26 January 1993, Zulfo Tursunović came with two soldiers to the stable where we were detained and told us that he had to bring us alive to Srebrenica, so they took us toward Srebrenica on foot. The journey lasted one whole day. During the journey Branko Sekulić remained behind on the road together with one soldier and he arrived in Srebrenica on a horse the other day. We arrived in Srebrenica in the dark and we were put in one small dark room and while we were waiting there, three soldiers wearing black uniforms and sunglasses came and immediately started beating the people. They beat Đokić, Ilić and Pejić, while Sekulić had not arrived yet, and they beat them until they all started bleeding. Nobody harmed me on that occasion, whereupon Zulfo Tursunović came and when he saw that the said men were covered in blood he confronted the three soldiers who had beaten up the detainees and told them that they should not have done it. From there we were taken to prison in Srebrenica and they singled me out to women's ward, while the men were taken to men's ward of the prison ... [the rest of the sentence unintelligible, translator's note]. In the women's ward there were Milosava Nikolić from Kravica, Dostana Filipović from Bjelovac, her daughter-in-law Mira, granddaughter Olivera and grandson Nemanja, Milka Tomić, two women by the name of Milena, one Nada, one Živana with her daughter Svjetlana, one boy Željko who was the third grade of elementary school, one Danica, and one Stojanka, but I do not know their family names. I stayed in the prison in Srebrenica until 5 February 1993, during which period nobody mistreated me or the women whom I had encountered in the prison. I would like to say that on the very day when I was informed that I would be exchanged I asked and was granted permission and visited the detained men who had come from Cerska to Srebrenica together with me. I was allowed to do so and when I visited them, I saw that they were black-and-blue from the beating; I noticed that Jakov Đokić was in the most grave condition. I saw that the prison for men was untidy and they were all lying on the floor. There was a floor in our, women's part of the prison, and we had a blanket each. That day when the exchange took place they took us, the women, and few men, of whom I remember Ilija Ivanović, a boy who had been captured when shepherding his sheep, and Ratko Popović, an elderly man, they took us on board trucks to one hill called Veznik and exchanged us there. I can say that I had had 57 kilograms when I had been captured and that I had 37 kilograms at the time of the exchange.

Question: Ms. Anda. Could you tell us what happened to the property, houses and outbuildings and cattle in the village?

As far as that is concerned, I can say that when I got out of the camp the village was deserted, all houses and outbuildings had been set on fire and burnt down, the population was expelled, pigs were killed and cattle and sheep chased away. The farming machinery, tractors, mowers, sowers, cauldrons, tubs and all the machines in the village had been moved out of the village.

IZJAVA SVJEDOKA

Svjedok daje izjavu sa početkom u: 13,35 sati

Ja sam davao izjavu policiji u Zvorniku 2009 godine u vezi napada na Armije BiH na Novo selo 17.09.1992 godinu kada sam ja tom prilikom ranjen, u potpunosti ostajem pri svojoj izjavi datoj policiji. Ja sam rođen i citav život živim u Novom selu, moja kuća je udaljena nekih 500, 600 metara od kuće moje sestre Ilic Branke i njenog muža pokojnog Zorana gdje sam ja bio u vrijeme napada. Ja i supruga Andra smo u aprilu mjesecu 1992 godine presli da živimo kod Zorana i Branke jer je nasa porodična kuća bila prva do bosnjackih kuća u Novom selu, pa so mi preselili jer se jismo sojecali bezbjedno u vlastitoj kući, tada nismo imali djece a supruga Andra je bila tudna. Tog dana 17.09. 1992 u jutro oko pola šest pocela je pucnjava i meci su udarali po kući ja sam istrebao iz prizemlja kuće prema garazi i presao u cosak u jedne garaze, a supruga Andra ostala u kući i zaključala je ulaznu vrata. Ja pošto sam vidoval da necu moci ostati u toj garazi protreba sam ispod kuće i u tom momentu me je zakacio rafal i pogoden sam u predjelu kukova sa cetiri metka. Ja sam tada protreba iza potpornog zida gdje sam se sakrio i na sebe nabacao nekakve stare gume od auta i građevinska kolica posto je garaza u kojoj je bilo parkirano moje auto bila na suprot mene vidoval sam svoje auto. Auto i garaza su udaljeni od mene bili nekih cetiri do pet metara. Tada sam cuo galamu i uzvikivanje „ ALLAHU EKBER“ i u garazu su dosli vojnici medu kojima sam ja prepoznao komšije Mustafić Hameda koji je bio u uniformi bivse JNA, zatim Mustafić Izeta koji je na sebi imao maskirnu uniformu, te Selimović Kadira koji je imao kosulju od maskirne uniforme a dole civilne hlače. Hamed je imao poluautomatsku pušku, a Izet i Kadir poluautomatske. Vidoval sam zatim Alimanović Muniba koji je na sebi imao crnu uniformu i automatsku pušku. Posto nisu mogli da upale fiću jer nije bilo goriva, odvalili su haubu, a onda je neko pitao Hameda Mustafica sta da radimo a on je rekao „pali“. Tu su se razdvojili pa su jedni krenuli na sprat kuće a drugi u prizemlje i u garazu u kojoj se nalazio moj traktor marke Tomo Vinković. Cuo sam kako jedni u moj traktor tovare stvari te sam čuo kako Hamed Mustafic nareduje Selimović Kadiranu da upali i da vozi traktor. Provirao sam i vidoval kako odvoze traktor prema bosnjackom dijelu Novog sela. Tda sam cuo jedan pucanj i cuo glas kako neko od njih vice „ ne pucaj zena je u kući „, cuo sam kako je izvode i viču „ polazi s nama „, te je odvode putem prema muslimanskoj teritoriji. Također sam cuo kako je neko od vonika dozivao Lazara Ilića, Zoranovog oca i pitao ima li cigara, a kada im je ovaj odgovorio da nema, nego da ima duvana odveli su ga sa sobom, gdje je naknadno pronaden ubijen. Ja tada nisam prepoznao ko je odveo Lazara. Nisam vidoval Zorana u trenutku napada ali sam cuo jaku detonaciju u garazi u kojoj je predhodno bio moj traktor u kojoj je Zoran i kasnije pronaden, nakon sto su pripadnici Armije BiH pokupili stvari, zatim zapalili kuću, ja sam ostao između kuće i potpornog zida, a mislim da sve to trajalo nekih sat ipo do dva sata, te postoje dosla pomoc iz Drinjace i kada su se cule detonacije onda sam cuo kako od njih vice „ bjezimo eto cetnika „. Ja sam provirao i vidoval da njih dosta odlazi prema muslimanskom dijelu Novog sela, u pravcu osnovne skole, a da su kuće komšija zapaljene i da gore.

Meni je moja supruga Andra nakon sto je razmjenjena 05.02.1993 godine ispricala sta je sve prezivjela u zarobljenistvu te mi je rekla da je bila tučena i silovana, kad je razmjenjena imala je oko cetredesetak kila, fizicki slaba i izgubila je trudnosc. Ispricala mi je da ju je neko udario ispod oka kada je bila zarobljena, zatim da ju je tukao Mustafić Hamed na mjestu zvanom Brda koje se nalazi vise Bajrica, te su je silovali Adem Kostijerevac i Bijelic Vejz koji navodno sada u zatvoru. Bijelić Vejza nisam od ranije poznavao, a Kostijerevac Adema

poznajem i mislim da je on godinu ili dvije mlađi od mene, isli smo cak u istu školu do četvrtog razreda Osnovne škole koja se nalazila u Novom selu. Pred rat je bio crn, mrsavje građe, visok i imao je manje brćice. Ja i moj rođeni brat Zarko smo radili sa njegovim rođenim bratom Dzemalom u istoj firmi Viadukt u Zagrebu. Također sam poznavao i njegovu rođenu sestru koja je bila udata u prvo selo do mog Šahmane za Omera Muratovića.

WITNESS STATEMENT

The witness commenced giving the statement at: 13:35 hrs

I gave a statement to the police in Zvornik in 2009 regarding an attack by the Army of BiH on Novo Selo on 17 September 1992 on which occasion I was wounded and I maintain that statement of mine to the police in its entirety. I was born and I have spent my entire life in Novo Selo. My house is 500-600 meters away from the house of my sister Branka Ilić and her late husband Zoran where I was staying at the time of the attack. In April 1992 my wife Andja and I moved to Zoran and Branka's house because our family house was right next to Bosniac houses in Novo Selo and we moved because we did not feel safe in our own house. At that time we did not have any children and my wife Andja was pregnant. Shooting started on that day of 17 September 1992 at around 05:30 hours and bullets were hitting the house. I ran out of the ground floor of the house towards a garage and moved to a corner of one of the garages, while my wife Andja remained in the house and locked the front door. Having realized that I would not be able to remain in that garage, I started running behind the house; at that moment a burst of fire caught me and I was hit by four bullets in the hips. I then ran behind a supporting wall where I hid and piled some old tires and a wheelbarrow on top of me; the garage in which my car was parked was opposite me and I saw my car. The distance between me and the car and the garage was four or five meters. Then I heard a commotion and shouts "ALLAHU EKBER", and some soldiers came to the garage. Among them I recognized my neighbors Hamed Mustafić (he was wearing the uniform of the former JNA), Izet Mustafić (he was wearing a camouflage uniform) and Kadir Selimović (he was wearing a camouflage shirt and plain trousers). Hamed had a semi-automatic rifle, while Izet and Kadir had semi-automatic rifles /as in the original/. I then saw Munib Alimanović; he had a black uniform and an automatic rifle. As they could not start the Fićo car engine because there was no fuel, they broke the hood and then someone asked Hamed Mustafić "what shall we do?" and he said "start the engine". They got separated there: some of them went to the upper floor of the house while others went to the ground floor and the garage where my Tomo Vinković tractor was. I heard some of them loading things onto my tractor and I heard Hamed Mustafić ordering Kadir Selimović to start the engine and drive the tractor. I peeked through and saw them drive the tractor towards the Bosniac part of Novo Selo. At that point I heard a single shot and the voice of one of them shouting "don't shoot, the wife is in the house". I heard them leading her out and shouting "come with us", and taking her along the road to the Muslim territory. I also heard one of the soldiers calling to Lazar Ilić (Zoran's father) and asking him if he had any cigars. Lazar replied that he did not have any but said that he had some tobacco. They took him with them and he was found killed later on. I did not recognize who took Lazar away. I did not see Zoran at the moment of the attack, but I did hear a huge explosion in the garage where my tractor used to be and where Zoran was later found. After the members of the Army of BiH gathered things, they torched the house. I remained between the house and the supporting wall. I think all that lasted for about an hour and a half or two hours. Then help came from Drinjača. There were explosions and I heard one of them shouting "let's get out of here, Chetniks are coming". I peeked through and saw many of them leaving towards the Muslim part of Novo Selo, in the direction of the elementary school; neighbors' houses were torched and burning.

After she was exchanged on 5 February 1993, my wife Andja told me everything that she survived in captivity and she told me that she was beaten and raped. When she was exchanged she weighed about 40 kilograms, she was physically weak and she lost her pregnancy. She told me that someone hit her below her eye when she was captured, that she was beaten by Hamed Mustafić at a spot called Brda overlooking Bajrići, that she was raped by Adem Kostijerevac and Vejz Bijelić

/Signature of the witness/ _____

(allegedly in prison). I did not know Vejz Bijelić from before. I know Adem Kostijerevac, I think he is one or two years younger than me, we even went to the same school up to the fourth grade of the elementary school in Novo Selo. Before the war he had dark complexion, he was thin, tall and had a short mustache. My brother Žarko and I worked with his brother Džemal in the same company (*Viadukt*) in Zagreb. I also knew his sister; she married Omer Muratović in the neighboring village of my village (Šahmani).

BREAK FROM ----- TO ----- I confirm that I did not discuss the investigation during the break.

1. I confirm that I have nothing else to add.
2. I confirm that I have no objections to the manner in which the examination was conducted and that no threats or promises were made unto me.
3. I confirm that the answers that I have given are true to the best of my knowledge and belief.
4. I confirm that I have read the statement and I confirm that it is a faithful record of the conversation. I affix my signature hereunder as well as on top and bottom sections of each page.

ИЗДАВУ:

Питање: Господине Стојиће за је ли нам са чуждим речима када је нападнуто ваше мјесто Нове Село, општина Зворник и ко га је напао?

Моје село Ново Село је удаљено од Зворника око 8 км. насељено је српским и муслиманским живљем. У селу је било 15 српских кућа са укупно око 50 становника. Село је нападнуто 17.09.1992. године у 05.45 часова ујутро. Нападнуто је од стране муслиманских оружаних снага из правца Шахмана, Прелића, Каменице, Чаушевине, и село је опкољено са свију стран. У оружаним снагама муслиманске војске била је војна полиција, зелене беретке, били су неки у црним униформама а били их је без униформе у цивилној одјећи. У моменту напада ја сам се то јутре са супругом Анђом затекао у приземљу куће свога зета Зорана Илића. Када је почeo напад че село ја сам излетио напоље из приземља и премакао се у гаражу где ми је био партирано моје ПМВ марке «Застава-Фићо» тип 750. Муслимани су почeli да пуцају по кући, прозорима викајући «Алаху хегбер» а ја сам се сакрио за ћишак зид куће у гаражи. Није прошло пар минута погледао сам више куће у кућу Мирка Илића и видио сам да тројина наоружаних отварају улазну капију у двериште Илић Мирка и кућу зета кући Зорана Илића. Сишли су на плочу од гараже која је била уз кућу у којој смо се ја чланако са се те плоче су ушли на спрат куће. На спрату куће је спавао зет Зоран и моја сестра а патова супруга Бранка. Кад су они отишли на спрат ја сам вишио да мене нема ту слатину пошао сам да прођен испод куће неки муслимански војник ме је примјетио и зачувао га мене и погодио ме са три метка у предјелу кукова. Ја тако ранео сам уснијо да пролегим испод куће и прошао сам изнад куће где је био потпорни зид који је био покривен плочом заједно са кућом. Чуо сам глас повикали су «кето четника избјегао вишкућу» , а ја сам се склонио да ме ненађу. После пар минута чула се прича а речима испод те куће где ја сам се склонио а у приземљу куће у доњем спрату је била моја супруга Ана. Пукала су у браву из пушке, један међу њима је повикао «непуцај жене је». Прозали су ја врата и питали су је где су четници, ја сам то слушао јер нас је само зид изјелио мене и Ана ју и чуо сам да је Анђа њима рекла да незана где су и чуо сам када су јој реали ги морави ићи са нама. Ја сам провирио и видо сам да је Анђа из куће извое Мухарем Селимовић зв. «Шишко» из Бајрића који је одликован у рату орденом Југословенског народног хероја. У тој групи са Мухаремом био је Хамед Мустафић зв. «Сивоња» син Судјемана из Ново Села који први комшија сада живи у Лјубачама, општина Тузла и он је рекао јој стечном бразду, ево кукуруза за моје тело. Са њиме је био Селимовић Кадир син Алије који се сада налази у Швајцарској, Селимовић Мухамед зв. «Мушћо» син Алије из Гнила Ново Село, био је Муратовић Кадрија син Хасе из Шахмана који се сада налази у Зузли, био је Муратовић Ферид син Хасе из Шахмана брат Кадрије који се сада налази у Швајцарској, био је Алимавнојић Муниб син Ахмета из Отвишта који се сада налази у Тузли, био је Мустафић Изет син Хасана из Отвишта, Ново Село. Наведени су утицју у гаражу где сам ја био и у гаражи прије и изашао а у гаражи је било међе алуо марке «Застава Фићо 750» и сточна храна. Чуо сам су на мом ауту одвалили врата и отворили хаубу и када су видјели да нема горива питли су Хамеда Мустафића шта ћемо да радимо, он је рекао кипали шта ћеш друго радити». То сам ја све слушао и видио свејим очима иза поткоријеног зида где сам био скривен. У другој гаражи ми је био трактор марке «Томо Виково», и видо сам када се Кадир син Алије Селимовића издојио се из гараже и сјео на мој трактор и упалио га са кључеви који су били у трактору и исјејро је из гараже. Чуо сам да нешто лупа и претпоставио сам да су нешто товарили у првом бацу и одвезли време засеку Прелићи. После неколико минута чуо сам када звучи токома Илић имају «О Лазо» имаш ли цигарета. Чуо сам да он њима одговара нечим цигара имам и јећа неког дјецу. После поново пар минута чуо сам како се Лазар љасаншао испод сивкове куће Зорана Илића јер је ту пут пролазио и видо сам да је ~~EX-KOSTJUJEVAC-00134~~ наоружаних и униформисаних отјерили тако да он иде испред њих а они заштаки и сјејли су га у прваци села Прелића путем. Нисам могао познати ко су та двојица наоружаних. Били су мешавине сенунити леђима. После

„минута чуо сам јаку детонацију и чуо сам ваку «ето четника бежимо». Кад се чуло то су сви побјегли и после је настала утицајна љубав и мир. Након тога до неких 10 минута чуо сам поново галаму људи и тада сам познао да иду напајајући војска а познао сам појасу једнога припадника ВРС кога смо називали «Рамбо» го јсм из Јардана, општина Зворник. Кад сам га препознао ја сам га викнуз надимком «Рамбо», они ми се јавио и рекао је онима који су били са њиме још има живих. Дошли су њих тројица до мене између куће и потпорног зида и изјавили ме јер ипак мога ходати, искрварио сам. Ту када су ме процјели видио сам да је моје ауто Фиће изгорио, и донјели су ме до камиона и унијели ме на карасерију камиона и одвезли ме у амбуланту у Дрињачу. Из амбуланте након указане прве помоћи превежен сам чврцем преко језера у мјесто Цулице, Република Србија и одатле санитетом сам довежен у болницу Зорник. Ту сам у болници преноћио а потом сутра дан сам упућен у Београд у болницу. У Београду у болници су ме оперисали и задржао сам се на лијечењу око два мјесеца а након што сам се залјечио у болнице упућен сам на бањско лијечење у бању Меленик код Зрењанина. У Бањи сам провео годину дана а након тог сам пребачен у Бању Ковиљачу и у тој бањи сам остао до краја рата.

Питање: Господине Станоје дали вам је може речи ко је у селу убијен ако заробљен приликом напада муслиманких људи током дана 17.09.1992. године и шта је у том нападу било са кућа и осталих гаси узарских објекта у селу?

Кад је убијен чуо сам само чудњеће из оружја Илић Јаков 1914. године је одведен од куће и неких 150-200 метара од куће у једном погону убијен из палубног оружја, убијен је и Илић Милисав а убијен је на каменом мосту у Старом Сајмишту, убијена је старица илић Иконија 1939. годиште а убијена је је у сусједској гаражи према каменом мосту и вено тјело је паљено, убијен је Мајко Јаков 1937. годиште чуним предметом му је разбијена лобања и пронађен је у њиву изнад кукурузом од чеје удаљио неких 50 метара, убијена је стара жена Илић Сиска 1912. годините, захваљна је у кући. Куће и помоћни објекти су пошљени а стока је и обиље.

Question: Mr. Stanoje, can you tell us when your place of Novo Selo, Zvornik municipality, was attacked and who attacked it?

The distance between my village of Novo Selo and Zvornik is about 8 km; it is inhabited by Serbian and Muslim population. There were 15 Serb houses in the village with about 50 residents in total. The village was attacked on 17 September 1992 at 05:45 hours. It was attacked by Muslim armed forces from the direction of Šahmani, Prelići, Kamenica, Čauševina; the village was surrounded from all sides. The Muslim armed forces included Military Police, Green Berets, some men in black uniforms and some men without uniforms in civilian clothes. My wife and I happened to be on the ground floor of the house of my brother-in-law Zoran Ilić on the morning of the attack. When the attack on the village began I rushed out of the ground floor and moved to the garage where my Zastava-Fićo 750 passenger car was parked. The Muslims started shooting at the house and windows shouting 'Alahu hegber' and I hid behind a corner of the house in the garage. A few minutes later I looked above the house at the house of Mirko Ilić and saw three armed men opening the gate to Mirko Ilić's yard and moving towards Zoran Ilić's house. They came to the concrete slab of the garage that was attached to the house (I was in that garage) and from that slab they entered the upper floor of the house. My brother-in-law Zoran and my sister (and his wife) Branka were sleeping on the upper floor. When they went to the upper floor I realized that I could not remain there. I started walking behind the house and I was spotted by a Muslim soldier; he opened fire at me and three bullets hit me in the hips. Although I was wounded, I managed to quickly go behind the house and then above the house where was a retaining wall that was covered by the slab that covered the house. I heard a voice; someone shouted "a Chetnik ran behind the house". I hid so that they could not find me. A few minutes later I heard Muslims

talking behind the house where I was hiding, while my wife Andja was on the ground floor of the house, downstairs. They opened fire from a rifle at the lock; one of among them shouted "don't shoot, it's a woman". They broke in and asked her where the Chetniks were. I was listening to that because Andja and I were divided by a wall. I heard Andja telling them that she did not know where they were and I heard when they told her that she had to accompany them. I peered through and I saw Andja being taken out of the house by Muharem Sinanović aka Šiško from Bajrići; he was awarded the Golden Lily medal during the war. Hamed Mustafić aka Sivonja, son of Sulejmen, from Novo Selo, next-door neighbor (currently lives in Ljubače, Tuzla municipality) was in that group with Muharem. He said: this rice flour, all the corn is for my calf. With them were Kadir Selimović, son of Alija (currently in Switzerland); Muhamed Selimović aka Muščo, son of Alija, from Gnil, Novo Selo; Kadrija Muratović, son of Haso, from Šahmani (currently in Zuzla); Ferid Muratović, son of Haso, from Šahmani (Kadrija's brother, currently in Switzerland); Munib Alimanović, son of Ahmet, from Otavište (currently in Tuzla); Izet Mustafić, son of Hasan from Otvište, Novo Selo. The aforementioned persons entered the garage in which I had been and then left; my Zastava-Fićo 750 car and fodder were in the garage. I heard when they broke a door on my car and opened the hood. When they saw that there was no fuel they asked Hamed Mustafić when they would do. He said "start the engine, what else". I was listening to and saw all that with my own eyes from behind the retaining wall where I was hiding. I had a "Tomo Viković" tractor in the other garage and I saw Kadir, son of Alija Selimović, singling out from the group, sitting on my tractor, starting the engine with the keys that were in the tractor and driving the tractor out of the garage. I heard a banging noise and I assumed that they were loading something onto the trailer, and drove off towards the hamlet of Prelići. A few minutes later I heard them calling to Lazar Ilić by his name "Lazar, do you have cigarettes?" I heard him answering that he did not have cigarettes but that he had some tobacco. A few minutes later I heard Lazar coughing below the house of his son Zoran Ilić because there was a road there, and I saw two armed men in uniforms taking him away; he was walking in front of them and they were behind him. He was taken in the direction of the village of Prelići along the road. I could not recognize those two armed men; they had their backs to me.

Some 10-15 minutes later I heard a strong detonation and I heard shouts: "Come the Chetniks, let's run away." When that was heard, they all fled after which

there was silence and peace everywhere. After that, some 10 minutes later, I heard shouts again and then I realized that our army was coming and I recognized by voice one VRS member whom we used to call Rambo, who was from Jardan, Zvornik Municipality. When I recognized him, I called him by his nickname Rambo, he called back, and told the men who were with him "There are alive people here." Three of them approached me between the house and the supporting wall and took me out as I couldn't walk, I was bleeding profusely. While they were carrying me I saw that my Fićo car was burnt, and they carried me to a truck and put me on board of it and drove me to an infirmary in Drinjača. After I received first aid I was transported by boat across the lake to the place of Culice, Republic of Serbia, from where I was transported by medical corps to a hospital in Zvornik. I stayed overnight in the hospital and on the following day I was dispatched to a hospital in Belgrade. In the hospital in Belgrade I underwent a surgery and I stayed there for treatment for about two months, and after my treatment ended, I was sent for spa rehabilitation to Melenci spa near Zrenjanin. I stayed in Melenci spa for a year whereupon I was transferred to Banja Koviljača where I stayed until the end of the war.

Question: Mr. Stanoje, could you tell us who in the village was killed and who was captured in the attack of the Muslim armed forces on 17 September 1992 and what happened in that attack to the houses and outbuildings in the village?

In the course of the attack on the village on 17 September 1992, Zoran Ilić was killed in a garage next to the garage where I was hiding and in that garage had been my tractor that was driven away. When he was killed I only heard shots from firearms. Lazar Ilić, born in 1914, was taken away from his house and killed by firearms some 150-200 meters from the house in one brook. Milisav Ilić was also killed; he was killed on a stone bridge on the Zvornik-Sarajevo road. Old woman Ikonija Ilić, born in 1939, was also killed when she was running away in her field toward the stone bridge and her body was set ablaze. Vaso Marković, born in 1933, was also killed; his skull was broken with a blunt instrument and he was found in a corn field some 50 meters away from his house. Old woman Spasa Ilić, born in 1912, was killed; she was set ablaze in her house. The houses and outbuildings were set ablaze and the cattle were killed.

Question: Mr. Stanoje, could you tell us whether doctors conducted external examination of the dead bodies, whether crime scene investigation was carried out by a commission and who conducted identification of the killed soldiers and civilians?

Dr. Jugoslav Gavrić came to the scene and conducted a crime scene investigation and external examination of the killed persons in Novo Selo.

I had a house, an outbuilding, stable, pigsties, hen-houses, all of that was burnt down and demolished. I had a Tomo Vinković tractor, 732 type, with a trailer and attachments, and that was taken away by Kadir Selimović, son of Alija, from Novo Selo. I also had a Zastava 750 car, the so-called Fićo, and it was set ablaze and it burnt down in the garage. I had two Stil chainsaws type 41,07.

They killed five of my pigs of 100 kg each.

WITNESS STATEMENT:

Before the war I lived with my husband Mehmed in the village of Bajrići - Novo Selo.

I cannot remember either the day or the year, but I know it was the beginning of the war, when one day some military brought one Anda into my home.

Before they brought her into my home, that woman Anda had been detained in a structure right across from my house, that is, across the hill, in a small facility being more like a cattle shelter, of a rather low height.

I do not know Anda's last name, and when they brought her to my house I gave her some things to put on, and I know she then went to the bathroom. I gave her some rags and I know she washed something in the bathroom, but I do not know what, she did not tell me what she needed those rags for. It all happened a long time ago so I cannot remember everything now.

The military that brought Anda, I do not know who that was, I did not recognize any of them. I do not remember what uniforms they wore or what weapons they carried.

While they were bringing Anda to our house my husband Mehmed was there with me, and I recall him saying later to me that he felt sorry for Anda because she was imprisoned without being guilty of anything.

I know that my Mehmed gave her some milk on a couple of occasions, after we have milked our cow, so Anda could have some fresh food. I also went to visit Anda once and did not see anyone else in the stable other than Anda, and I remember that she was sad, and that it was strange for her to be there, as it would be for any other person.

I did not speak to her at all back then, I just saw her from the doorstep and said hello.

My husband Mehmed would surely have had more to say on the matter, but he is dead now, or rather he went missing in Srebrenica and I have never learned anything about his fate.

That is all I have to say.

After that the witness is advised that she has the right to have the transcript read out to her before she signs it, and after the witness said she had heard it being dictated aloud, she said she had no objections to the transcript, and signed it personally.

Completed at 17:40 hours.

IZJAVA SVJEDOKA

Svjedok daje izjavu sa početkom u: 11.30 sati

1. Zovem se Fatima Sinanović, nisam najboljeg zdravstvenog stanja, operisala sam žuč, imam visok pritisak i oboljela mi je kičma, a redovno koristim terapiju i druge lijekove i danas sam sposobna dati iskaz Tužilaštvu Bosne i Hercegovine.
2. Do sada nikada nikome nisam davala iskaz u vezi ratnih dešavanja na ovom području, niti jednoj agenciji sprovođenje zakona u BiH niti Tužilaštvu BiH.
3. Ja sam rođena u selu Đulići, odmah pored sela Petkovci, gdje sam išla u osnovnu školu koja se nalazi u Petkovcima. Udaljala sam se 11.jula 1977. godine i živjela sam u braku sa Šahbazom Sinanovićem u Jošanici u porodičnoj kući, gdje sam živjela zajedno sa svojim mužem Šahbazom i petero djece, sin Said, kćeri Ševala, Saida, Šejla i Sabahudina.
4. Moj muž Šahbaz poginuo je 12.01.1993. godine, između sela Marčići i Sultanovići od protivavionskog metka od strane srpskih vojnih formacija. Posjedujem izvod iz MKU iz Tuzle, gdje je privremeno upisan u matičnu knjigu za raseljena lica i izbjeglice, a po potrebi ranije sam vadila izvod iz MKU u Kalesiji.
5. Na početku sukoba 1992 godine, u selu Jošanica i okolnim selima Bajrići, Novo Selo, Liplje i dr., moj muž je išao na stražu kako bi zaštitili svoja sela i muslimansko stanovništvo i svoju porodicu. Ja ne znam ko je bio komandant mome mužu, a na stražu je išao sa komšijama iz okolnih sela Jošanica, Bajrići, Liplje, Sultanovići i dr. Poznato mi je da je na stražu išao sa komšijama Osmanović Fadil, Osmanović Hašim, sa

Potpis svjedoka S. Fatima

bratom Muharemom Sinanovićem. Koliko se mogu sjetiti sa njim je često na stražu išao i Almir Seferović koji je bio prisutan kada je poginuo moj muž kod Sultanovića. Mislim da je moj muž bio u vojnoj policiji, ali nisam baš sigurna, znam da su ga često zvali nekakvi ljudi da ide negdje sa njima, ja te ljude nisam poznavala, a pošto je pucalo po selu, selo je granatirano, ja sam često odlazila od kuće i bila sam u Cerskoj sa djecom.

6. Jednom prilikom koliko se sjećam negdje na jesen 1992 godine, Šahbaz mi je rekao da je čuo od komšija da je zarobljena jedna žena po imenu Anda i da su je doveli u Bajriće, nakon čega je on rekao da ide u Bajriće da provjeri ko je ta žena. Poslije kada se vratio kući rekao mi je da je zarobljena žena Anda iz Novog Sela, da je on tamo pitao odakle je i pitao je da li poznaje Mehmeda Halilovića, nakon čega je Anda rekla da zna i da je sa njegovom kćerkom išla u osnovnu školu, onda je Šahbaz upitao kako se zove ta njegova kćerka, a Anda mu je odgovorila da se zove Fatima a nadimak joj je Sadika. Nakon toga Šahbaz joj je rekao da je to njegova žena, a Anda mu je odgovorila riječima "živa ti djeca bila" dovedi mi je da je vidim, to je moja školska drugarica, na šta je Šahbaz odgovorio da ne može povesti ženu jer je kod djece kući i puca se, onda je ona rekla du nju povede sa sobom da vidi Fatimu. Šahbaz joj je rekao da će vidjeti da je dovede kod sebe. Po povratku kući sve to mi je Šahbaz ispričao i rekao da će dovesti Andu kod nas kući u Jošanicu. Nakon nekoliko dana Šahbaz je zajedno sa Osmanović Fadilom i Osmanović Hašimom iz Bajrića doveo Andu u moju kuću. Kada je Anda došla mojoj kući, prepoznaла me, zagrlila i poljubila i rekla mi da sam se malo udebljala. Ne sjećam se kako je Anda bila obučena, vidjela sam da je imala povrede na tijelu i glavi u vidu modrica i rekla mi je da je neko udario u Bajrićima, nekakav „Gumeni“ koga ja ne poznajem po tom imenu. Ja sam joj dala čist veš da se presvuče, pomogla joj da se okupa, tako što sam joj poljevala vodu dok se kupala, nakon čega sam joj dala odjeću da se obuče. Ja sam joj rekla da nemam sukњe da joj dam da imam samo dimije što ti nenosиш a ja nemam suknjе, na šta je ona odgovorila da obuče bilo šta samo da je čisto. Anda je kod nas bila u kući, zajedno sa nama je boravila i Šahbaz joj je rekao da joj niko ništa ne smije dok je kod nas. Anda je kod nas ostala oko četiri do pet noći koliko se mogu sjetiti. Tokom boravka u našoj kući Anda mi ništa nije pričala o silovanju, niti mi je rekla da je bila trudna i da je izgubila trudnoću. Rekla mi je da joj je u Bajrićima pomogla jedna žena koja se zove Ajka mislim Junuzović, kako je divna žena i da joj je pomogla tako

Potpis svjedoka S. Fotima

što joj je donosila hranu i piće. Šahbaz mi je pričao da je doveo kod nas kako bi je spasio od drugih u Bajrićima da je ne maltretiraju, te da će Andža biti razmijenjena.

7. Ne mogu se tačno sjetiti datuma, kada je počelo granatiranje i pucanje po našem selu i okolnim selima od strane srpskih formacija, počele su da gore kuće, tako da smo mi morali da se prinudno iselimo. Tada je Šahbaz rekao meni da idem da spremim djecu i svi da se izvlačimo prema Cerskoj, Andža je tu bila sa nama, govorila mi je da će i ona ići samnom, dok sam se ja brinula oko svoje djece, kada sam krenula Andže nije bilo ispred moje kuće, više je nikad nisam vidjela. Saznala sam u putu prema Cerskoj da su Andžu odveli u Cersku. Nije mi poznato ko je odveo Andžu i gdje. Svog muža Šahbaza sam vidjela tek u Cerskoj nakon otprilike dva dana, kada sam ga pitala gdje je Andža odgovorio mi je da su je odveli neki ljudi u Cersku da je razmijene.
8. Na upit istražitelja da li ima sestru i kako se zove sestrin muž, svjedok odgovara da ima jednu sestru koja se zove Refika Brkić, da živi tu blizu u Jošanici, da je živjela u braku sa mužem po imenu Džemil Brkić, koji je poginuo u novembru 1993 godine na ratištu na zvorničkoj opštini.
9. Na upit istražitelja da li je nešto ostalo od vojne dokumentacije u kući nakon Šahbazove pogibije, svjedok odgovara da ništa nije ostalo od papira, niti je Šahbaz imao išta od vojne dokumentacije u kući, a kuća je potpuno izgorila prije nego je Šahbaz poginuo, koliko se sjećam 1992 godine.
10. Šahbaz mi nije nikada pričao da je sa Andžom u Bajrićima bio zatvoren jedan vojnik, niti da je ubijen u Bajrićima, samo mi je rekao da je tu bila Andža zatvorena, a napominjem da mi ni Andža dok je bila kod nas nije rekla ništa vezano za taj slučaj.
11. Na upit istražitelja da li poznaje osobe: Mujanović Besim, Šabić Sabit, Mahmutović Razim, Osmanović Edin, Ramić Asim, Selimović Admir, Seferović Islam, svjedok odgovara da joj ništa ne znače ta imena, da ih ne poznaje, zna da postoji prezime Šabić u Jošanici, a koliko je njoj poznato nema niko po imenu Sabit, takođe navodi da u Bajrićima ima Selimovića, ali da ona ne poznaje navedene osobe. Svjedok takođe odgovara da ne poznaje Ibrahimović Ziju, da joj to ime ništa ne znači.

Potpis svjedoka S. Fotima

12. Dodala bi da sam ja rođena u Đulićima, da sam se ja udala u Jošanicu, tako da nisam poznavala sve stanovnike u Jošanici i okolnim selima, sem uže rodbine od moga muža Šahbaza Sinanovića.
13. Potvrđujem da su prema mom najboljem znanju i uvjerenju odgovori istiniti.
14. Potvrđujem da sam pročitala izjavu i potvrđujem da je to vjeran zapisnik razgovora i stavljam svoj potpis ispod, na vrh i dno svake stranice.

WITNESS STATEMENT

The witness commences the statement at 11.30 hrs.

1. My name is Fatima Sinanović. I am not in the best of health, I had a gall bladder surgery, I have high blood pressure and an ailing spine, I take the prescribed and other medicines on regular basis, and I am fit to give a statement to the Prosecutor's Office of B-H today.
2. So far I have not given any statement concerning the war events in this area to anyone, either to any law enforcement agency in Bosnia and Herzegovina or the Prosecutor's Office of B-H.
3. I was born in the village of Đulići, in the immediate vicinity of the village of Petkovci where I attended elementary school. I married on 11 July 1977 to Šahbaz Sinanović and I lived in a family house in Jošanica with him and our five children, son Said and daughters Ševala, Saida, Šejla and Sabahudina.
4. My husband Šahbaz was killed on 12 January 1993, between the villages of Marčići and Sultanovići, by a bullet from an anti-aircraft machine-gun fired by Serb military formations. I have a copy of certificate from the Register of Deaths in Tuzla, where he was temporarily registered in the Register of Displaced Persons and Refugees, and previously I used to have a certificate issued from the Register of Deaths in Kalesija.

5. At the beginning of the conflict in 1992, my husband went to keep the neighborhood watch in the village of Jošanica and the neighboring villages of Bajrići, Novo Selo, and Liplje, organized by the inhabitants in order to protect their villages and the Muslim population and their families. I do not know who my husband's commander was and he kept the watch together with the neighbors from the surrounding villages of Jošanica, Bajrići, Liplje, Sultanovići and others. I know that he went to keep the watch together with neighbors Fadil Osmanović and Hašim Osmanović, and his brother Muharem Sinanović. As far as I can remember, Almir Seferović often went to keep watch together with him, and he was also present when my husband got killed near Sultanovići. I think that my husband was in the Military Police, but I'm not quite sure, I know that he was often called by some men to go somewhere with them, I did not know these men, and since there was shooting and the village was shelled, I would often leave home and stay in Cerska with my children.
6. On one occasion, as far as I remember it was in the fall of 1992, Šahbaz told me that he had heard from neighbors that a woman named Anda was captured and brought to Bajrići, whereupon he said that he would go to Bajrići to check who the woman was. Later, when he returned home, he told me that the captured woman was Anda from Novo Selo, that he asked her where she came from and if she knew Mehmed Halilović, whereupon Anda said that she knew him and that she had attended elementary school together with his daughter. Then Šahbaz asked her what the name of that daughter was, and Anda answered that her name was Fatima and nickname was Sadika. After that Šahbaz told her that that woman was his wife to which Anda responded: "May your children live long, bring her to me so that I could see her, she was my schoolmate." Šahbaz responded that he could not bring his wife as she was at home with the children and there was shooting going on, to which she said that he should take her with him so that she could see Fatima. Šahbaz told her that he would see about it to take her to his place. When Šahbaz returned home he told me all that and said that he would bring Anda to our house in Jošanica. A few days later Šahbaz, together with Fadil Osmanović and Hašim Osmanović from Bajrići, brought Anda from Bajrići to my home. When Anda arrived in my house, she recognized me, embraced me and kissed me and told me that I had put some weight on. I do not remember how Anda was dressed, I saw that she had injuries, that is, bruises to her body and head and she told me that someone had hit her in Bajrići, some guy called "Gumeni" [the Rubber One; translator's note], but I don't know anyone by that name. I gave her a clean change of clothes, helped her to wash herself by pouring water over her while she was having a bath, whereupon I gave her the clothes to put on. I told her that I did not have a skirt to give her, that I only had *dimije* [Muslim women's loose-fitting trousers; translator's note], but you don't wear that and I don't have a skirt, to which she answered that she would put on anything as long as it is clean. Anda was at our house, she lived in it together with us and Šahbaz told her that nobody would harm her while she was with us. Anda stayed at our home for four-five nights, as far as I can remember. During the stay in our house Anda did not tell me anything about rape, nor did she tell me that she had been pregnant and that she had a miscarriage. She told me that in Bajrići she was helped by one woman whose name was Ajka and last name, I think, Junuzović, that she was a wonderful woman and that she had helped her by bringing her food and beverage. Šahbaz told me that he brought Anda to our home to save her from mistreatment by others in Bajrići and that she would be exchanged.

Signature of the witness: S. Fatima

7. I cannot remember exactly the date when the Serb formations started shooting and shelling our village and the neighboring villages, houses started burning so we were forced to move out. Šahbaz told me to get the children ready and that we should all pull out and go toward Cerska. Anda was there with us, she told me that she would also go with me, and then I got busy with my children and when I set off Anda was no longer in front of my house and I have never seen her again. En route to Cerska I learned that Anda was taken to Cerska. I do not know who took Anda and where. I saw my husband Šahbaz in Cerska approximately two days later, and when I asked him where Anda was he told me that she had been taken by some people to Cerska in order to be exchanged.
8. Asked by the investigator if she had a sister and what was the name of the sister's husband, the witness said that she had one sister whose name was Refika Brkić, that she lived close over there in Jošanica, that she had been married to Džemil Brkić who got killed in November 1993 in the battlefield in Zvornik Municipality.
9. Asked by the investigator if there was some military documentation left in the house after Šahbaz's death, the witness said that there were no documents left and that Šahbaz had not had any military documentation at home, and that the house had burned down before Šahbaz got killed, in 1992, as far as she could remember.
10. Šahbaz never told me that a soldier had been detained together with Anda in Bajrići, or that he had been killed in Bajrići. He only told me that Anda was detained there, and I also state that Anda did not tell me anything related to that case while she was at our place.
11. Asked by the investigator if she knew the following persons, Besim Mujanović, Sabit Šabić, Razim Mahmutović, Edin Osmanović, Asim Ramić, Admir Selimović, and Islam Seferović, the witness said that the names meant nothing to her, that she did not know them, that she knew that there was the family name of Šabić in Jošanica, and, as far as she knew, there was nobody by the name of Sabit. She also said that there were people with the last name of Selimović in Bajrići, but that she did not know the referenced persons. The witness also said that she did not know Zijo Ibrahimović, that the name meant nothing to her.
12. I would like to add that I was born in Đulići, that I moved to Jošanica when I got married, so I did not know all inhabitants of Jošanica and the neighboring villages, except for my husband Šahbaz Sinanović's close relatives.
13. I hereby confirm that my answers are truthful to the best of my knowledge and belief.
14. I hereby confirm that I have read this statement and that it is a verbatim record of the interview and I affix my signature underneath it and on the top and the bottom of every page.

The witness statement ends at 14.20 hrs.

IZJAVA SVJEDOKA :

1. Ja sam rođen u Novom Selu općina Zvornik, gdje sam i živio do početka ratnih dešavanja, radio sam u Opštoj bolnici u Zvorniku kao medicinski tehničar.
2. Početkom juna mjeseca 1992 godine mene su angažovali tada još uvijek, neorganizovane jedinice da na prostoru mjeseca koje se zove Brdo iznad sela Jošanica opština Zvornik, kao medicinski tehničar pružam pomoć ranjenim i povrijeđenim logorašima koji su prethodno oslobođeni iz logora koji se nalazio u osnovnoj školi u Liplju, radilo se o civilnom stanovništvu bošnjačke nacionalnosti.
3. Koliko se sada mogu sjetiti ja sam formalno bio angažovan u Armiji BiH početkom septembra mjeseca 1992 godine kada je formiran „VI Zvornički odred“. Tada u tom periodu oformljena je prvi put ratna bolnica koja se nalazila u zaseoku Redžići koji pripada selu Kamenica Donja. Pored mene u pomenutoj bolnici bile su angažovane još tri medicinske sestre, Jasmina, Sabina i Dina, prezimena se trenutno ne sjećam te dva medicinska tehničara i to Idriz Ibrahimbegović i Smajil Zlatarević te jedan pomoćnik Čikarić Muhammed(sin Hase) koji inače nije bio medicinski radnik ali nam je pomagao u zbrinjavanju ranjenih i povrijeđenih.
4. Ja poznajem Radović, odnosno sada udatu Obradović Andu jer smo komšije iz istog sela a poznajem je od prije par godina pred početak rata jer je sa mojom sestrom radila u vezionici u Zvorniku.
5. Ne sjećam se tačno vremenski ali znam da je bilo 1992 godinę kada su pripadnici Armije BiH izveli akciju na zaseok Kočanji koji je dio Novog Sela te su tom prilikom zarobili Obradović Andu i doveli je u prihvatski centar u naselju Bare koji je bio određen kao sanitetski punkt radi provođenja te akcije odnosno mjesto gdje bi se eventualno ranjeni koji bi učestvovali u toj akciji doveli i medicinski zbrinuli.
6. Kada su Andu doveli ona je ispod jednog oka, sada se trenutno ne mogu sjetiti kojeg imala povredu u vidu najvjeroatnije posjekotine, Ja sam joj tom prilikom tu povredu očistio i dezinfikovao, međutim nije se radilo o nekoj težoj povredi jer rana, koliko se sjećam nije krvarila. Tom prilikom Anda me prepoznala jer smo kako sam već gore naveo bili komšije i mogu naglasiti da mi je tada nije bilo žao jer je ona zarobljena zato što nije znala taj teren na

kome se nalazila odnosno ostali mještani su pobjegli prema Drini a ona je uhvaćena. Ja sam bio spremjan čak i da je pustim, međutim bojao sam se za svoju bezbjednost da meni neko ne bi naudio. Sjećam se da je Andž u tom periodu bila angažovana da radi u kuhinji i da radi za srpske snage odnosno tako su mi rekli pripadnici Armije BiH.

7. Prilikom tog napada ja sam bio sam na tom sanitetskom punktu u tom naselju Bare, a tu me je rasporedio Almir Seferović koji je bio organizator otpora na tom prostoru. Ja se sad ne mogu sjetiti ko je doveo Andžu do mene na taj sanitetski punkt jer je tada bilo više ranjenika koje sam ja zbrinjavao i dalje su prebacivani prema mjestu Bajrići.
8. Znam da sam da li tog istog dana ili narednog došao u Bajriće i vidi Andžu da je bila zatvorena u prostoru koji je namijenjen za skladištenje kukuruza takozvanom košu, koliko se mogu sada sjetiti radi se o „košu napravljenom od drvenih letava između kojih ima prostora od par centimetara“, a isti je bio u dvorištu kuća Selimović Mustafe i njegovog sina Hase.
9. Tom prilikom ja sa njom nisam kontaktirao niti sam joj se približavao jer mi je bilo žao da je gledam tu zatvorenu a nisam joj mogao pomoći.
10. Ja sam inače često bio stacioniran u Bajrićima gdje sam i spavao u kućama Selimović Sulejmana, dajdže i nekada Selimović Mustafe, a iz razloga što je sa tog mjesta bilo najlakše da dođem do ranjenika.
11. Ja izričito tvrdim da nakon što sam Andž sanirao povrede odmah po njenom zarobljavanju nisam više nikako bio angažovan da je medicinski pregledam ili zbrinjavam. Ne isključujem da je postojala mogućnost da je nju u tom periodu neko pretukao ali ako postoje informacije da je zbrinjavana od strane nekog od medicinskih radnika postoji mogućnost da joj je tu pomoći pružio Omerović Mirsad koji je takođe u tom periodu bio angažovan kao medicinski tehničar i uglavnom je bio stacioniran u Bajrićima dok sam ja vrijeme provodio na terenu.
12. U tom periodu prije navedene akcije na području Bajrića je došla jedna grupa iz Hrvatske iz Zagreba, naoružanih pripadnika koji su porijeklom sa zvorničkog, vlaseničkog i bratunačnog područja, koje smo mi zvali Kibetova grupa jer im je komandir, koliko se sjećam da se zove Sakib Halilović imao nadimak „Kibe“. U toj grupi bio je i Demirović Fahrudin, koga su zvali gumeni, koga ja nisam poznavao od prije rata a sa njim u društvu bila je i jedna djevojka kojoj ne znam ime. Gumeni je tada u tom periodu imao od 20 – 25 godina. Ja ne znam da li je on pretukao Andžu niti sam za to čuo.
13. S obzirom da je bilo situacija kada bi nekome poginuo bliži član rodbine da su ti ljudi onda pokušavali da fizički se osvete na Andžu sjećam se da je Sinanović Muharema brat koji se zvao Šahbaz odveo poslije par dana Andžu kod sebe kući kako bi je zaštitio od tih nasrtaja.
14. Ja poznajem Kostjerevac Adema sin Sulejmana, i znam da je živio u djelu Bajrića koji se zove Kostjerevc. Ja njega poznajem od prije rata, prvo jer je moja majka rodom iz Bajrića a njegova sestra Zumra je udata u Šahmane, dio Novog Sela gdje ja živim. Adem je koliko se sjećam negdje od 1960 do 1964 godišta. Kao što sam rekao on je bio angažovan kao pripadnik Armije BiH. Ne sjećam se da li je imao bilo kakvu uniformu niti da li je pripadao nekoj od jedinica u smislu da li je pripadao policiji, vojnoj policiji ili nekoj drugoj formaciji.
15. Ja ne znam da li je Adem obezbjeđivao Andžu niti sam to ikako vidi, odnosno koliko je meni poznato ona je bila zaključana u tom prostoru i nije bilo stražara u smislu da je čuvaju. Koliko ga se sjećam iz tog perioda Adem je bio malo krupnije građe, crne kose postoji mogućnost da je možda imao i brkove ali ne mogu sada u potpunosti garantovati.
16. Koliko je meni poznato Adem je radio u nekoj od građevinskih firmi u Beogradu, ali se ne mogu konkretno izjasniti kojoj. Prema mojim informacijama Adem je nedugo nakon rata otisao u SAD zajedno sa svojom sestrom Zumrom i nije mi poznato da li dolazi u BiH.
17. Takođe po mojim informacijama i Almir Seferović, koji bi mogao mnogo više informacija da da o tom događaju jer je bio neka vrsta komandanta otpora odnosno TO je isto tako u SAD-u ali mislim da dolazi povremeno u BiH.

18. Što se tiče same akcije na Kočanje meni su pripadnici Armije BiH koji su učestvovali u akciji prenijeli da su tom prilikom poginuli Ilić Ikonija koja je takođe bila moja komšinica, zatim Ilić Lazir te njegov sin Zoran, zatim brat Ilić Mileta, Milisav za koga su mi rekli da je poginuo na samohotci na Kamenom mostu. Meni nije poznato da je tu poginula Ilić Spasa odnosno ja tu ženu ne poznam i moguće je da nije živjela na tom prostoru, konkretno u Kočanjima, moguće je da je živjela sa druge strane sela. Marković Vaso mi isto tako nije poznat, i smatram da taj čovjek nije živio u Kočanju, jer mi je to prezime nepoznato.
19. Meni nije poznato pod kojim okolnostima su pomenuti ljudi izgubili život, moguće je da su Ikonija i Lazar nastrandali prilikom pucnjave jer je bio mrak, sjećam se samo da mi je u sjećanju ostalo da mi je neko od pripadnika Armije BiH rekao da je u Zoranovoju kući viđeno više visećih kuhinja koje potiču iz pljačke bošnjačkih kuća, ali se sada ne sjećam ko je to tada rekao.
20. Po mom sjećaju Husejinović Mujo koji mi je komšija je bio komandir čete Novo Selo u sastavu VI Zvorničkog odreda ali tek kada se taj odred formirao mislim negdje od septembra 1992. godine.
21. Što se tiče Omerović Avdije znam da je bio policajac prije rata u Zvorniku ali nakon što je pala Kula Grad krajem aprila po mojim saznanjima taj čovjek više nije bio angažovan vojno jer je bio psihički nestabilan.
22. Ne znam da li sam napomenuo ali koliko se sjećam Sinanović Šahbaz je poginuo u Jošanici od granate krajem 1992 godine.

Nakon toga svjedok se poučava da ima pravo da mu se zapisnik pročita prije nego što isti potpiše, pa nakon što izjavi da ne želi da mu se zapisnik pročita, jer je slušao glasno diktiranje istog, svjedok izjavi da je sve uneseno onako kao što je on govorio, te da ne stavlja primjedbe na zapisnik, niti na postupak i odnos prema njemu prilikom saslušanja i isti svojeručno i potpisuje.

WITNESS STATEMENT:

1. I was born in Novo Selo, Zvornik Municipality and I lived there until the war outbreak. I worked as a medical technician in the General Hospital in Zvornik.
2. In early June 1992, I was as a medical technician hired by a still unorganized unit at the time in the area known as Brdo (hill) above the village of Jošanica, Zvornik Municipality, to provide medical assistance to wounded and injured camp detained previously released from a camp located in the primary school in the place of Liplje. These persons were Bosniak civilians.
3. As far as I can remember now, I formally joined the Army BiH in early September 1992 when the 6th Zvornik Detachment was formed. At the time, a war hospital was established for the first time in the hamlet of Redžići, in the village of Kamenica Donja. Along with me, three nurses were also engaged in the referenced hospital: Jasmina, Sabina and Dina (I cannot remember their last names), two medical technicians, Idriz Ibrahimbegović and Smajil Zlatarević, and an assistant, Muhamed Čikarić (son of Haso), who was not a medical worker by profession, but helped us in taking care of the wounded and injured.
4. I know Andja Obradović nee Radović because we are neighbors from the same village. I have known her for several years before the war, as she used to work together with my sister in an embroidery factory in Zvornik.
5. I cannot remember the exact time, but I know that it was in 1992, when members of the Army BiH launched an attack on the hamlet of Kočanj, which formed part of Novo Selo, on which occasion Andja was captured and taken to the holding center in the settlement of Bare, which was designated as a medical station during the referenced attack, that is, the place where possibly wounded personnel taking part in the action could be brought to receive medical aid.
6. When Andja was brought in, she had an injury, most likely a kind of cut below one of her eyes (I cannot remember which one). I cleaned and disinfected her injury. However, it was not a serious injury, because it was not bleeding, as far as I can remember. Andja recognized me on that occasion because, as I have already stated above, we were neighbors. I can emphasize that I felt sorry for her, because she was captured being unfamiliar with the terrain where she had found herself. While other villagers fled towards the Drina River, she was captured. I was almost ready to let her go, but I feared for my safety. I was also afraid that someone could harm me. I remember that, at the time, Andja worked in the kitchen for the Serb forces, as I was told by members of the Army BiH.
7. During the referenced attack, I was at this medical station in the settlement of Bare, where I was deployed by Almir Seferović, who has organized resistance in the area. I cannot remember now who had brought Andja to me at the medical station, because there were several wounded persons I had to take care of, and who were further transported to the place of Bajrići.

8. I know that on the same day, or on the following day, I went to Bajrići and saw that Andža had been imprisoned in a space intended for corn storage, in the so called "corn crib" made of wood laths, which were placed several centimeters one from another. This corn crib was left in a yard of the house owned by Mustafa Selimović and his son Haso.
9. I had no contacts with her on that occasion and I did not approach her closer either because I felt sorry for her as she was kept closed in that, and I could not help her in any way.
10. I was frequently present in Bajrići, where I used to sleep in the house owned by Sulejman Selimović and sometime in Mustafa Selimović's house, because I could easily reach the wounded from that place.
11. I explicitly state that, after I took care of Andža's injury immediately after she had been captured, I was never again in a situation to examine her, or to provide any medical assistance to her. I do not exclude a possibility that she was beaten up by someone during that period. However, if there is any information that some other medical worker did provide her any medical assistance, there is a possibility that such assistance was provided to her by Mirsad Omerović, who had also been engaged as a medical technician at the time, and mostly deployed in Bajrići when I was in the field.
12. During the period before the referenced action in the Bajrići territory, a group of armed men arrived from Zagreb, Croatia, who had been originally from the Zvornik, Vlasenica and Bratunac territory. We called them "Kibe's group" because their commander was Sakib Halilović aka Kibe, as far as I remember. Fahrudin Demirović aka Gumeni was also a member of this group. I had not known him from before the war. He was accompanied by a young girl whose name I do not know. At the time, Gumeni was age 20-25. I do not know if Andža was beaten by him. I heard nothing about that.
13. Considering that there were situations when a close member of one's family would get killed, such aggrieved persons tried physically to take revenge on Andža for their loss. I remember that, after a couple of days, Muharem Sinanović's brother, whose name was Šahbaz, took Andža to his house in order to protect her against such assaults.
14. I know Adem Kosterjevac, son of Sulejman. I know that he lived in the part of Bajrići called Kosterjevcı. I have known him from before the war, first because my mother is originally from Kosterjevcı, and Adem's sister Zumra married a man from the village of Šahmani, which form part of Novo Selo where I live. As far as I can remember, Adem was born between 1960 and 1964. As I have already stated, he was a member of the Army BiH. I do not remember if he had any uniform or if he was a member of any police or military unit, or some other formation.
15. I do not know if Adem provided security to Andža. I have never seen that. As far as I know, she was locked up in that room and there were no guards to guard her in that sense. I can remember that, at the time, Adem was corpulent, black haired, and perhaps he had moustache, but I cannot fully guarantee that now.
16. As far as I know, Adem used to work in a construction company in Belgrade, but I cannot concretely say which one. According to some information, Adem went to the United States of America shortly after the war, along with his sister Zumra. I do not know if he ever visits BiH.
17. Also according to our information, Almir Seferović, who could provide more information about the referenced events, since he was a sort of resistance commander or Territorial Defense commander, also lives in the USA, but I think that he occasionally visits BiH.
18. As to the action in Kočanj itself, I learned from members of the Army BiH, who took part in the referenced action, that Ikonija Ilić was killed on that occasion (she was also my neighbor), as well as Lazar Ilić and his son Zoran, and Mile Ilić's brother Milisav, who got killed on a self-propelled anti-aircraft gun at the Stone Bridge (Kameni most). I do not know if Spasa Ilić was also killed on that site, namely I do not know that woman, and it is possible that she did not even live there, that is, in Kočanj; she possibly lived on the other side of the village. I also do not know Vaso Marković and I believe that this man did not live in Kočanj at all, because I am not familiar with that last name.
19. I am not aware of the circumstances in which the above mentioned persons lost their lives. It is possible that Ikonija and Lazar were killed during the shooting because it was dark. I only remember that a member of the Army BiH told me that several kitchen hanging cupboards

- were found in Zoran's house, which originated from pillaged Bosniak houses. However, I do not remember now who said that at the time.
20. I remember that my neighbor Mujo Husejinović was the commander of the Novo Selo Company within the 6th Zvornik Detachment, but only initially after this detachment formation in September 1992, I think.
21. As to Avdija Omerović, I know that he was a police officer in Zvornik before the war. However, after the capture of Kula Grad in late April, this man was not, according to my information, engaged any more in the military because he was mentally unstable.
22. I do not know if I have noted that, but as far as I remember, Šahbaz Sinanović was killed by a grenade in Jošanica in the end of 1992.

The witness was thereupon instructed that he is entitled to have the record read out to him prior to signing it. After saying that he did not want to have the record read out to him, since he was listening to its loud dictation, the witness stated that everything was entered therein in the way as he said it, that he has no objections to the record, or the procedure and the way he was treated during the examination, so he signed it with his own hand

IZJAVA SVJEDOKA :

1. Svjedok izjavljuje da je dobrog zdravstvenog stanja i da je danas sposoban dati iskaz u svojstvu svjedoka.
2. Ja sam prije rata živio u Donjem Snagovu opština Zvornik, gdje sam inače i rođen. Na početku rata sam se zadesio u Njemačkoj pa kad sam čuo da su granatirana sela oko Zvornika u junu mjesecu 1992. godine sam došao na područje zvorničke opštine te sam se priključio Armiji BiH. Komandant svih oružanih formacija na tom području u to vrijeme je bio Seferović Almir koji se zvao prvo Islam ali je pred rat promjenio ime. On je mene rasporedio na poslove vojnog policajca, pored mene vojni policajci su bili još Mujanović Besim koji je ujedno bio i komandir, Sinanović Šahbaz, Kostjerevac Adem, Mahmutović Razim i Ibrahimović Zijo. Sjećam se da sam po dolasku ja zamjenio Veseli Elfetu koja je takođe pripadala vojnoj policiji. Mi smo vodili računa o privođenju ljudi koji se nisu odazivali na pozive za mobilizaciju ili su bježali sa straže ili su vršili neke druge prekršaje. Sjećam se napada na zaseok Kočanji 17.09.1992. godine tog dana ja nisam učestvovao u navedenom napadu nego sam bio angažovan u selu Marčići na prikupljanju pšenice jer je vladala velika

glad. Po povratku u Bajriće i to u čitaonicu gdje bila smještena komanda u kojoj je kako sam već naveo komandant bio Seferović Almir čuo sam da je zarobljena jedna žena, a kasnije sam saznao da je to supruga od mog školskog druga koga smo mi zvali Goco sad mu se ne mogu sjetiti imena. Inače sam sa njim u dobrim odnosima kao i sa njegovim bratom Žarkom.

3. Koliko se ja sjećam odnosno kako sam čuo od nekog od pripadnika Armije BiH ta zarobljena žena je samo prenoćila u podrumu čitaonice a kasnije je odvedena i zatvorena u podrum mlinu koji je udaljen od čitaonice nekih stotinjak metara a vlasništvo je Smajila Junuzovića, ja sam prije rata dolazio u taj mlin i znam da je podrum površine otprilike 3 x 3 metra da je nizak te da se u njemu ne može ispraviti, da je visine maksimalno 1,5 metar. Na podrumu su bila drvena vrata.
4. Bez obzira što sam ja pripadao vojnoj policiji izjavljujem da ja nisam dolazio u taj podrum gdje je bila zatvorena zarobljenica, čuo sam da je tu bila zaključana i da je jednom prilikom Sejdulah Kostjerevac navodno u pripitom stanju htio da je pretuče ili ubije pa je ona iz tog podruma odvedena kako bi je zaštitili. Ja ne znam ko je nju odveo, jedne prilike nakon možda desetak dana ja i Kostjerevac Adem smo bili poslani na zadatak pa smo vraćajući se navratili kod Sinanović Šahbaza u njegovu kuću tada sam ja u njegovoj kući prvi put vidio tu zarobljenicu ali ni tada nisam znao da je to ona jer je nosila na sebi dimije i šamiju pa sam ja u prvi mah mislio da je to Šahbazova supruga. Ja sam tek kasnije saznao da je to ustvari bila ta zarobljena žena a čuo sam da joj je tu muslimansku nošnju donio Mehmed Junuzović međutim ne znam iz kog razloga, pretpostavljam da nije imala šta drugo da obuče. Što se tiče Adema Kostjerevca ja njega poznajem od djetinjstva kada sam ja došao u junu mjesecu na područje Zvornika on je već bio angažovan u vojnoj policiji nosio je maskirnu uniformu i imao je lovačku pušku sad se ne sjećam da li je imao pištolj. Adem je od mene mlađi 2 – 3 godine, krupan je tamno smeđ, visok otprilike 185 cm, nosio je tada brkove a mislim da ih i sada nosi, nadimak mu je bio „Horo“.
5. Ja Adema Kostjerevca nisam viđao poslije sa tom zarobljenom ženom a znam da se i on poznaje sa njenim mužem i to čak koliko se sjećam mislim da su njih dvojica išla zajedno u isti razred u osnovnu školu. Ja sam ovu ženu nakon što je odvedena iz Bajrića video ponovo za Božić, 07. Januara 1993 godine kada sam se vraćao iz akcije na selo Kravica zajedno sa svojim saaborcima. Tada sam naišao pored drvene štale u kojoj je bila zatvorena zajedno sa četvoricom srba, a video sam je kroz otvor između dasaka. Što se tiče samog napada na Kočanj 17.09.1992 godine ja sam kako sam već rekao bio angažovan u drugom selu i nisam učestvovao u navedenom napadu, sam zaseok Kočanji je od tadašnjih linija razdvajanja udaljen neka 2 – 3 kilometra vazdušne linije, sve što znam o tom napadu sam čuo od drugih pripadnika Armije BiH, ne znam ko je komandovao samim napadom, čuo sam da je u tom napadu ubijen Ilić Zoran i njegov otac Ilić Lazar koje sam ja lično poznavao, ne sjećam se da li je bilo još drugih žrtava. Znam gdje se nalazi kuća od pokojnog Ilić Zorana, udaljena je 50-tak metara od rijeke Drine a u vrijeme napada linija razdvajanja između Armije BiH i srpskih snaga je od Zoranovce kuće bila udaljena vazdušnom linijom 3 – 4 kilometra.
6. Ja ne znam koliko je dugo trajao taj napad ali znam da su se naši vojnici odmah poslije napada povukli nazad jer je prvenstveni razlog za napad bio taj da se dođe do hrane i naoružanja te se sjećam da je tom prilikom zarobljen i bestrzajni top koji je dovezen u Bajriće. Ne sjećam se ko je sve učestvovao u napadu, čuo sam da je išla ta takozvana Kibetova grupa i da li su sa njom išli neki još dobrovoljci ne znam ali to pretpostavljam. Znam da je sa naše strane bilo žrtava i da su dvojica starijih ljudi, koliko se sjećam Ramo Ramić i Džemal Huskić poginuli tom prilikom.

EXT-KOSTJEREVAC-00176

Nakon toga svjedok se poučava da ima pravo da mu se zapisnik pročita prije nego što isti potpiše, pa nakon što izjavi da ne želi da mu se zapisnik pročita, jer je slušao glasno diktiranje istog, svjedok izjavi da je sve uneseno onako kao što je on govorio, te da ne stavlja primjedbe na zapisnik, niti na postupak i odnos prema njemu prilikom saslušanja i isti svojeručno i potpisuje.

STATEMENT BY THE WITNESS:

1. The witness states that he is in good health and that he is able to give his statement today in capacity of witness.
2. Before the war I lived in Donje Snagovo, Zvornik municipality, where I was born. I was in Germany when the war broke out, and when I heard that villages surrounding Zvornik were shelled I came to the territory of Zvornik municipality in June 1992 and joined the Army of BiH. The commander of all armed formations in that area at that time was Almir Seferović (his first name was Islam, but he changed it just before the war broke out). He assigned me to the Military Police; other members of the Military Police included Besim Mujanović (our commanding officer), Šahbaz Sinanović, Adem Kostjerevac, Razim Mahmutović and Zijo Ibrahimović. I remember that upon my arrival I replaced Elfeta Veseli who was with the Military Police. We were in charge of apprehending persons who failed to respond to mobilization, deserted guard duty or committed other infringements. I recall an attack on the hamlet of Kočanj on 17 September 1992; I did not participate in that attack on the said day because I was sent to the village of Marčići to gather wheat as there was famine. On the way back to Bajrići, to the reading room where the HQ was stationed (and I already mentioned that Almir Seferović was the Commander), I heard that a woman was captured. I later learned that she was the wife of a schoolmate of mine we called Goco; I cannot recall his name at this point. I was on good terms with him and his brother Žarko.
3. As I recall it, i.e. based on what I heard from a member of the Army of BiH, the captured woman spent only night in the basement of the reading room and was later taken to and detained in the basement of a mill that was about 100 meters from the reading room (the mill was owned by Smajil Junuzović). I visited that mill before the war and I know that the surface area of the basement was approximately 3 x 3 meters, that it was not high and one could not stand up inside, that the height was max. 1.5 meters. The basement had a wooden door.
4. Regardless of my membership of the Military Police, I declare that I did not come to that basement where that female captive was, I heard that she was locked up in there and that on one occasion Sejdulah Kostjerevac, who was allegedly drunk, wanted to beat or kill her and she was taken out of that basement in order to be protected. I do not know who took her away. One time, about 10 days later, Adem Kostjerevac and I were sent on a mission and on the way back we stopped by at Šahbaz Sinanović. That was the first time I saw that female captive, in his house. However, at that time I did not know that it was her because she was wearing 'dimije' /Muslim women's trousers/ and a headscarf and at first I thought it was Šahbaz's wife. I later learned that she

was the captured woman and I heard that Mehmed Junuzović brought Muslim clothes. I do not know why he did that, though. I assume it was because he did not have anything else to wear. As for Adem Kostjerevac, I have known him since childhood. When I came to the territory of Zvornik in June, he was already a member of the Military Police. He wore a camouflage uniform and had a hunting rifle; I can't say if he had a pistol. Adem is two or three years younger than me, robust, dark-skinned, about 185 cm tall, he had a mustache at the time and I think he still has them, his nickname was 'Horo'.

5. Later on I did not see Adem Kostjerevac with that captured woman and I know that she knows her husband; as I recall it, I think that the two of them were in the same class at the elementary school. After this woman was taken away from Bajrići I again saw her on Christmas, 7 January 1993, when I was returning from an operation in the village of Kravica together with my fellow-fighters. I was passing by the wooden barn in which she was detained together with four Serbs and I saw her through an opening in between the boards. As for the attack on Kočanj 17 September 1992, as I already indicated, I was deployed to another village and I did not participate in that attack. The distance between the hamlet of Kočanji and the then line of disengagement was two or three kilometers as the crow flies. All I know about that attack is what I heard from other members of the Army of BiH, I do not know who led the attack. I heard Zoran Ilić and his father Lazar Ilić (whom I knew personally) were killed in the attack; I do not recall if there were any other victims. I know where the house of late Zoran Ilić is located; it was about 50 meters from the Drina River. At the time of the attack the distance between the line of disengagement of the Army of BiH and the Serbian forces and Zoran's house was three or four kilometers.
6. I do not know how long that attack lasted, but I do know that our troops withdrew immediately after the attack because the primary reason for the attack was to obtain food and weapons. I recall the capturing of a recoilless gun on that occasion, it was transported to Bajrići. I cannot recall all the participants in the attack; I heard that the so-called Kibet's group was there. I do not know if there were some other volunteers; I assume there were. I know that we had casualties and that two elderly men – as I recall, Ramo Ramić and Džemal Huskić – were killed on that occasion.

Thereafter, the witness was advised of his right to have the record read to him prior to signing it. The witness stated that he did not wish the record to be read out because he listened to a loud dictation of the record. The witness stated that everything that he said has been entered in the record. The witness had no objections to the record, the procedure or the way he was treated during the interview, and he signed the record.

Completed at 11:30 hours.

IZJAVA SVJEDOKA :

1. Svjedok se osjeća dobro i sposoban je za davanje izjave.
2. Mene je rat zatekao u Novom Selu, a 1991 godine u mjesecu septembru sam se priključio Patriotskoj ligi. Od 04. Aprila 1992 godine priključujem se Armiji BiH i bio sam pripadnik VI Zvorničkog odreda. U VI Zvorničkom odredu angažovan sam na dužnosti oficira i obavljao sam poziciju zamjenika komandira čete Novo Selo, komandir čete je bio Ahmetović Haso. A zapovjednik VI Zvorničkog odreda je bio Seferović Almir.
3. Po saznanjima komandir vojne policije VI Zvorničkog odreda je bio Mujanović Besim iz Vlasenice, a komanda vojne policije je bila smještena u Bajrićima. Kostjerevac Adem je bio pripadnik vojne policije VI Zvorničkog odreda. Komanda VI Zvorničkog odreda je bila smještena u kući Selimović Hase, a nije mi poznato gdje je bila smještena vojna policija.
4. Povodom obijanja kuće Halilović Muje i Halilović Kemala ja sam načinio zapisnik u kojem je konstatovano šta je sve odnešeno i oštećenja koja su nastala tom prilikom ali nisam učestvovao u uviđaju koji je vršen. Tu su bile dvije kuće ali ja nisam upoznat iz koje kuće je to otuđeno. Poznato mi je da su Selimović Admir kao kurir u komandi, Kostjerevac Adem i Osmanović Edin kao vojni policajci su izvršili uviđaj.
5. Napad na Novo Selo – Kočanj je počeo 17.09.1992. godine naredbu za napad je izdao Seferović Almir i Omerović Adil sin Osme. Naše jedinice su djelovale u pet grupa, ja sam predvodio jednu grupu a zapovjednici ostalih grupa su bili Hamed Mustafić, Alimanović Munib, Selimović Kadir i Salih čijeg prezimena se ne sjećam. Naše linije su bile udaljene od kuća u Kočanju vazdušne linije oko 200 – 300 metara. Što se tiče grupe koju sam ja predvodio bio je još Alimanović Mustafa i Selimović Fehim. U ostalim grupama učestvovali su još Selimović Muhamed kao vojnik, učestvovao je još i Selimović Adil kao vojnik, Sinanović Muharem zvani Šiško kao vođa diverzanata. Muratović Ferid je učestvovao u

napadu kao podrška sa naše linije kao mitraljezac. Mustafić Izet je učestvovao kao običan vojnik i on je bio u grupi sa Alimanović Munibom. Demirović Fahrudin je učestvovao u napadu ali nije bio pripadnik ni jedne od ovih grupa već se ponašao kao „slobodni strijelac“ i bio je zadužen za minsko eksplozivna sredstva.

6. Siguran sam da Omerović Avdija uopšte nije učestvovao u ovom napadu na Novo Selo, a za Muratović Kadriju, Kostjerevac Adema i Sinanović Šahbaza nisam siguran da li su učestvovali u navedenom napadu.
7. Grupa koju sam ja predvodio je tokom napada došla do kuće Ilić Mile sin Miloša gdje je bila smještena komanda srpskih snaga, ali tamo nismo zatekli nikoga od vojnika niti od komandnog kadra a ni civila. Ispred te kuće su ranjena dvojica pripadnika Armije BiH Alimanović Mustafa i Selimović Fehim od ručne bombe. Nakon što su ranjeni odvedeni u stacionar koji je bio u Bajrićima moja grupa nastavila kretanje prema komandi i spustili smo se do magistralne ceste Zvornik – Sarajevo. Nakon 10 – 15 minuta na tu lokaciju dolazi pojačanje srpskim snagama iz pravca Drinjače sa oklopnim transporterima i tenkovima., nakon čega smo se povukli prema našim linijama.
8. U ovom napadu je poginuo i moj otac Ramić Ramo zajedno sa Huskić Džemalom koji su bili zaduženi za logističku podršku jedinice.
9. Po ulasku u Kočanj primjetio sam da gore kuće u selu i plastovi sijena.
10. Ja nisam dolazio do kuće Ilić Zorana ali mi je poznato iz kasnije priče da je Ilić Zoran ubijen takođe i Ilić Lazar, Ilić Ikonija koja je poginula od tromblonske mine, takođe sam čuo da je u ovom napadu poginuo Ilić Milisav koji je poginuo na cesti kako mi je preneseno sa puškomitraljezom na Kamenom mostu. Što se tiče ostalih stanovnika Kočanja nisam upoznat gdje su otišli niti imam bilo kakve informacije.
11. Po mojim kasnjim saznanjima u napadu je zarobljena Andža Obradović, koju ne poznajem od ranije ali znam da je bila supruga Stanoja zv. Goco. Meni je kasnije rečeno da je nju zarobio Alimanović Munib i odveo je u Bajriće (u komandu VI Zvorničkog odreda) gdje je predata vojnoj policiji. Po kasnjim mojim saznanjima prilikom sprovođenja od mjesta zarobljavanja do komande neko od mještana ili vojnika je udario Andžu šamarom ili pesnicom od čega je ona zadobila povrede u predjelu glave.
12. Dan ili dva poslije napada ja sam otisao u komandu u Bajriće kod Seferović Almira i u razgovoru sa njim saznao sam da je Andža Obradović pritvorena u objekat podruma čitaonice u Bajrićima i tada sam tražio od njega da ne maltretiraju Andžu Obradović i da postupaju korektno. Prilikom izlaska iz komande vidio sam Adema Kostjerevca sa puškom gdje je obezbjedio prostorije podruma čitaonice u kojima je bila zatvorena Andža Obradović. Adem Kostjerevac je bio visok oko 180 cm, krupnije građe, crne kose, bez brkova.
13. Kasnije sam čuo da je Andža Obradović od strane Adema Kostjerevca i Sinanović Šahbaza fizički maltretirana i seksualno zlostavlјana tj. silovana. Ja ne znam koliko dugo je Andža Obradović bila zatvorena u Bajrićima, ali znam da je kasnije prebačena u Cersku. Meni nije poznato d je neko drugi osim Adema Kostjerevca obezbjedio Andžu Obradović dok je bila zatvorena u Bajrićima niti da ju je neko drugi fizički maltretirao ili silovao.
14. U Bajrićima ja sam video i dječaka Stojanović Slobodana koji je često bio u društvu sa Demirović Fahrudinom zv. „Gumeni“ kasnije sam čuo da je dječak ubijen ali mi nije poznato niti imam bilo kakve informacije o njegovom ubistvu.

Nakon toga svjedok se poučava da ima pravo da mu se zapisnik pročita prije nego što isti potpiše, pa nakon što izjavи da ne želi da mu se zapisnik pročita, jer je slušao glasno diktiranje istog, svjedok izjavи da je sve uneseno onako kao što je on govorio, te da ne stavlja primjedbe na zapisnik, niti na postupak i odnos prema njemu prilikom saslušanja i isti svojeručno i potpisuje.

Završeno u 12,00 sati.

WITNESS STATEMENT

1. The witness feels good and able to give a statement.
2. I was in Novo Selo when the war started. I joined the Patriotic League in September 1991. On 4 April 1992, I joined the Army BiH. I was a member of the 6th Zvornik Detachment. While I was in the 6th Zvornik Detachment, I performed the duties of an officer. In addition, I held the position of the Deputy Commander of the Novo Selo Company, while its Commander was Haso Ahmetović. The Commander of the 6th Zvornik Detachment was Almir Seferović.
3. According to my information, the Commander of the Military Police of the 6th Zvornik Detachment was Besim Mujanović from Vlasenica, and the Military Police Command was seated in Bajrići. Adem Kosterjevac was a member of the Military Police of the 6th Zvornik Detachment. The 6th Zvornik Detachment Command was seated in Haso Selimović's house, but I do not know where the seat of the Military Police was.
4. I made a record in relation to breakings into both Mujo Halilović's and Kemal Halilović's house, and noted and specified the items stolen and the damages caused on the referenced occasion. However, I did not partake in the on-sight investigation that was carried out. There were two houses, but I had no information about which house exactly was pillaged. I know that Admir Selimović was a courier in the Command. Adem Kosterjevac and Edin Omanović carried out the investigation as members of the Military Police.
5. The attack on Novo Selo-Kočanj was launched on 17 September 1992. The order to attack was issued by Almir Seferović and Adil Omerović son of Osmo. Our units operated in five groups. I was a leader of one group, while the Commanders of other groups were Hamed Mustafić, Munib Alimanović, Kadir Selimović and Salih, whose last name I do not remember. Our lines were located at the distance of around 200-300 m as the crow flies from the houses in Kočanj. Mustafa Alimanović and Fehim Selimović were members of my group. Muhamed Selimović was a soldier-member of one of the groups, and Muharem Sinanović aka Šiško was a sabotage group leader. Ferid Muratović took part in the attack from our frontline as a machine-gunner support. Izet Mustafić participated as an ordinary soldier, and he was in a group along with Munib Alimanović. Fahrudin Demirović participated in the attack, but he was not a member of any of these groups; he rather acted as a "maverick" and he was in charge of mines and explosives.
6. I am sure that Avdija Omanović did not at all participate in the attack on Novo Selo, but I am not sure if Kadrija Muratović, Adem Kosterjevac and Šahbaz Sinanović also took part in the referenced attack.
7. During the attack, the group I led reached the house owned by Mile Ilić son of Milos in which the Serb forces Command was seated. We found there no soldiers, no members of the Command personnel nor any civilians. In front of this house, two members of the Army BiH

wounded to the medical station in Bajrići, my group marched further to the ~~Con~~ went down to the Zvornik-Sarajevo route. After about 10-15 minutes, the ~~Stre~~ reinforcement reached this site from the Drinacija direction, with armored personnel and tanks, whereupon we retreated towards our frontlines.

8. My father Ramo Ramić and Džemal Huskić, who were in charge of the unit logistics, got killed in this attack.
9. Having entered Kočanj, I noticed the houses and haystacks burning in the village.
10. I did not go to Zoran Ilić's house, but I learned from subsequent accounts that Zoran Ilić was killed, as well as Lazar Ilić and Ikonija Ilić, who was killed by a rifle grenade. I also heard that Milisav Ilić was killed in this attack on the road from a machine gun on the Kameni most (Stone Bridge), as I was told. I neither know nor have any information about whereabouts of other villagers of Kočanj.
11. I subsequently learned that Anda Obradović, whom I did not know from before, was captured in this attack. However, I know that she was a wife of Stanoje aka Goco. I was thereafter told that Munib Alimanović had captured and brought her to Bajrići (to the Command of the 6th Zvornik Detachment), where she was handed over to the Military Police. According to my subsequent information, while being escorted from the capture site to the Command, some of the villagers or soldiers slapped or punched Anda as a result of which she sustained head injuries.
12. A day or two days after the attack, I went to the Bajrići Command to visit Almir Seferović, and learned from my conversation with him that Anda Obradović had been detained on the basement premises of the reading-room in Bajrići. At the time, I requested that they accord correct treatment to Anda and that they not subject her to any ill-treatment. On my exit from the Command, I met Adem Kosterjevac carrying a rifle. He provided security to the reading-room basement where Anda Obradović was detained. Adem Kosterjevac was around 180 cm tall, corpulent, black haired, with no moustache.
13. I subsequently learned that Anda Obradović was physically ill-treated and sexually abused, that is, raped by Adem Kosterjevac and Šahbaz Sinanović. I do not know for how long Anda Obradović had been detained in Bajrići, but I know that she was subsequently transferred to (the place of) Cerska. I do not know if anyone else, other than Adem Kosterjevac, provided security to Anda Obradović, or that anyone else physically ill-treated or raped her during her detention in Bajrići.
14. In Bajrići, I also saw a young boy Slobodan Stojanović, who had frequently accompanied Fahrudin Demirović aka Gumeni. I subsequently learned that this boy was killed, but I know nothing and have no information about his murder.

The witness was thereupon instructed that he is entitled to have the record read out to him prior to signing it. After saying that he did not want to have the record read out to him, since he was listening to its loud dictation, the witness stated that everything was entered therein in the way as he said it, that he had no objections to the record; or the procedure, or the way he was treated during the examination, and signed it with his own hand.

IZJAVA SVJEDOKA :

1. Svjedok izjavljuje da je dobrog zdravstvenog stanja da se danas osjeća dobro te da je sposoban dati iskaz u svojstvu svjedoka.
2. Ja sam rođen u Donjem Snagovu opština Zvornik a živio sam prije rata u Novom Selu gdje me je i zatekao rat, odmah po izbijanju sukoba odnosno 17.07.1992. godine ja sam po savjetu oca preselio u Tuzlu gdje sam boravio čitav rat a vojno sam bio angažovan u I Muslimanskoj podrinskoj brigadi.
3. Za cijelo vrijeme trajanja rata ja nisam dolazio na područje Novog Sela niti sam učestvovao ni u jednoj od akcija Armije BiH koja je organizovana na tom području. Poznato mi je da je kao komandant snaga Armije BiH na tom prostoru jedno vrijeme bio Mujo Huseinović a pored njega tu funkciju su obavljali još i Adil Omerović kao i Seferović Almir.
4. Na poseban upit da li mu je išta poznato vezano za napad Armije BiH na Novo Selo – Kočanj svjedok izjavi da je čuo za tu akciju te da je u toj akciji učestvovao Adil Omerović, Smajil Junuzović Mujo Huseinović, Osman Bećić, Nezir Huskić, Kemal Huskić, Haso Ahmetović i Kadir Selimović. Nije mi poznato je li u toj akciji učestvovao Adem Kostjerevac . Adem Kostjerevac je bio krupnije građe, visok oko 1,85 cm crne kose i u ratu je nosio brkove.
5. Nisam upoznat ko je od mještana Kočanja poginuo tokom te akcije ali mi je poznato da je tom prilikom zarobljena Anda Obradović i odvedena u Bajriće gdje je bila i zatvorena. Na poslovima obezbjeđenja Anda Obradović bio je angažovan Adem Kostjerevac, Šahbaz Sinanović, Avdić Đemo i Omer čijeg prezimena se ne mogu sjetiti a koji su poginuli tokom ratnih dešavanja. Takođe mi je poznato da je Anda Obradović boravila u Bajrićima sve do pada Novog Sela tj. 10.10. 1992 godine kada je zajedno sa ostalim stanovništvom i zarobljenim licima prebačena za Čersku. Te kasnije iz Čerske prebačena za Srebrenicu.

EXT-KOSTJEREVAC-00193

6. Od drugih ljudi sam čuo da je na području Bajrića boravio i dječak Stojanović Slobodan čijeg oca Iliju sam upoznao nakon rata i koji je radio u asfaltnoj bazi u Jošanici. Za tog dječaka se pričalo da je poslat na to područje kao špijun i da je navodno imao specijalnu obuku u Nišu te da je od strane pripadnika armije BiH bio fizički maltretiran odnosno tučen a sve da bi priznao razloge njegovog dolaska, te kada su mu zaprijetili da će ga osunjetiti da je tada navodno priznao da mu je zadatak na tom području bio da pokupi sve potrebne informacije o broju ljudi, imenima ljudi, broju i vrsti naoružanja.
7. Meni je poznato da je na tom području djelovala i Kibetova grupa i da je pripadnik te grupe bila i Elfeti Vesela iz Vlasenice ali mi nije poznato da bilo ko od pripadnika ove grupe je povezan sa ubistvom Stojanović Slobodana.
8. Meni je poznato da se Adem Kostjerevac trenutno nalazi u Americi ali ja sa njim nemam nikakva kontakta takođe mi je poznato da nakon rata Adem nikako nije dolazio u Bosnu i Hercegovinu. Poznato mi je da je nakon rata živio u Jesenicama kod Srebrenice.

Nakon toga svjedok se poučava da ima pravo da mu se zapisnik pročita prije nego što isti potpiše, pa nakon što izjavlja da ne želi da mu se zapisnik pročita, jer je slušao glasno diktiranje istog, svjedok izjavlja da je sve uneseno onako kao što je on govorio, te da ne stavlja primjedbe na zapisnik, niti na postupak i odnos prema njemu prilikom sašlušanja i isti svojeručno i potpisuje.

Završeno u 14,10 sati.

WITNESS STATEMENT

1. The witness says he is of good health, that he feels well today and that he is able to give evidence as a witness.
2. I was born in Donje Snagovo, Municipality of Zvornik, and before the war lived in Novo Selo, where I was where the war broke out. Right after the war broke out, specifically on 17 July 1992, heeding my father's advice, I moved to Tuzla, where I spent the entire war, being militarily engaged in the 1st Muslim Podrinje Brigade.
3. For the entire duration of the war I did not visit the area of Novo Selo, nor did I participate in any of the Army of BiH actions organized in that territory. I know that for a while Mujo Huseinović was commander of the Army of BiH forces in that area, and apart from him the position was also held by Adil Omerović and Almir Seferović.
4. When asked whether he knew anything about the Army of BiH attack on Novo Selo – Kočanj, the witness said he had heard about the action and about the participation of Adil Omerović, Smajil Junuzović Mujo Huseinović, Osman Bećić, Nezir Huskić, Kemal Huskić, Haso Ahmetović and Kadir Selimović. I do not know whether Adem Kostjerevac took part in the action. Adem Kostjerevac was of a larger built, about 1.85 cm tall, dark hair, and had a mustache in the war.
5. I do not know who of the Kočanj residents was killed during the action, but I know that on the occasion Anda Obradović was captured and taken to Bajrići, where she was incarcerated. Adem Kostjerevac, Šahbaz Sinanović, Avdić Đemo and Omer whose last name I cannot remember were engaged on providing security for Anda Obradović, and they were later killed during the war. I also know that Anda Obradović was in Bajrići until the fall of Novo Selo, that is, until 10 October 1992, which is when she was transferred to Cerska together with the rest of the population and detainees, after which she was taken from Cerska to Srebrenica.
6. I have heard from other people that there was a boy in Bajrići, named Slobodan Stojanović, whose father Ilija I met after the war and who worked at the asphalt base in Jošanica. There was a rumor back then that the boy was sent to that area as a spy, and that he had allegedly undergone special training in Niš, and that he was physically mistreated and beaten by BiH Army members in order to admit the reasons for his arrival there, and when he was threatened he would be circumcised that he then allegedly admitted that his assignment in that area was to gather all necessary information on the number of men, their names, number and type of weapons.
7. I know that Kibe's group also operated in that area and that Elfeti Vesela from Vlasenica was its member, but I do not know that any member of the group was ever linked to the murder of Slobodan Stojanović.
8. I know that Adem Kostjerevac is currently in the America, but I have no contact with him whatsoever. I also know that after the war Adem never returned to Bosnia and Herzegovina. I know that after the war he lived in Jesenica near Srebrenica.

After that the witness is advised that he has the right to have the transcript read out to him before he signs it, and after he said he did not want the transcript to be read out to him for he had heard it being dictated aloud, the witness said everything was noted down as he told it, and that he had no objections to the transcript, nor to the proceeding and his treatment during the examination, and he signs it personally.

Completed at 14:10 hours.

I hereby confirm that this document is a true translation of the original written in Bosnian/Serb/Croat.

IZJAVA SVJEDOKA

Svjedok daje izjavu sa početkom u: 11.25 sati

1. Prije rata živio sam u Novom selu opština Zvornik u porodičnoj kući sa svojom suprugom Zumrom Muratović djevojački Kosterjevac, djecom Merimom, Mirnesom i sinom Hasom kao i majkom Habibom Muratović. Ja sam bio zaposlen u Valjevu u Srbiji kao miner i obično budem na poslu po mjesec dana nakon čega dobijem dopust od četiri slobodna dana koja iskoristim da se vratim kući i budem sa svojom porodicom. Prilikom povratka kući iz Valjeva mislim da je to bio 22. april 1992. godine na mostu Filipa Kljajića zaustavila me policija Srbije legitimisala me i nakon toga su mi rekli da odem u krizni štab u Karakaj da uzmem potvrdu za kretanje do mog sela što sam ja i učinio. Nakon što sam došao u taj krizni štab, mene i još dvojicu ljudi koji su tad bili sa mnom a jednog od njih sam poznavao po imenu Rasim Ahmetović dok drugog ne poznajem jedan od ljudi koji se zatekao u tom štabu nas je odveo u jednu od prostorija u kojem sam zatekao grupu od pet ili šest ljudi koje ja nisam poznavao. U ovoj prostoriji sam zadržan pet ili šest sati nakon čega odvezen sam u mjesto Čelopek na farmu Ekonomija. Na ovoj farmi bilo nas je zatvoreno ukupno jedanaest ljudi koje nisam poznavao. Na ovoj farmi sam prenočio nakon čega su nas opet, nas pet ponovo vratili u štab u Karakaju. Nakon toga sam na Diviču razmjenjen i ja sam prešao na teritoriju pod kontrolom muslimanskih seoskih straža.
2. Adema Kosterjevca poznajem još od prije rata od 1985. godine kada sam oženio njegovu sestruru Zumru i od tada sam ga povremeno viđao. U toku oružanih sukoba na području Zvorničke opštine možda sam dva puta vidio Adema Kosterjevca. Mislim da je u ratnom periodu Adem Kosterjevac bio pripadnik vojne policije. Ta dva puta kada sam ga video Adem je bio u civilnoj odjeći te nije bio naoružan. Adem je bio visok oko 180 centimetara, krupnije grade, tamnjeg tena, kovrdave kose a ne mogu se sjetiti da li je imao brkove.
3. Ja nisam prije rata lično poznavao Andru Obradović iako je moja porodica bila u dobrim odnosima sa porodicom Obradović. U periodu od 2006. godine nakon što sam deportovan iz Sjedinjenih Američkih

Potpis svjedoka Mirko Božić Čmoj

Država živio sam kod sestre u selu Snagovo opština Zvornik. Ja sam prvi put vidio lično Andu Obradović poslije 2008. godine.

4. Godine 1992. bio sam u selu Šahmani gdje sam i nastanjen i nekad na jesen te godine čuo sam da je Andu Obradović zarobljena od strane muslimanskih seoskih formacija te da je odvedena u zaseok Bajriće gdje je po mojim saznanjima bio štab seoske straže. Tu informaciju sam saznao od ljudi u selu. Prvi put sam za stradanje Ande Obradović čuo 2008. godine od njenog đevera Žarko Obradović koji mi je rekao tom prilikom „Tvoj šurak Adem Kostjrevac je silovao moju snahu Andu.“ Ovu informaciju Žarko mi je rekao da mu je direktno Andu rekla.
5. Na upit istražitelja izjavljujem da nemam saznanja ko je zarobio i odveo Andu u Bajriće. Također nije mi poznato gdje je zatvorena i ko je bio angažovan u njenom čuvanju kao i ko je bio glavni u selu Bajrići te 1992. godine kada je počeo rat.
6. Na upit istražitelja da li svjedok poznaje Lukić Nenada koji je zajedno sa Andom Obradović bio zarobljen svjedok je odgovorio da mu ta osoba nije poznata te da nema nikakvih saznanja u vezi sa zarobljavanjem Lukić Nenada 1992. godine.
7. Ja sam 1997 ili 1998 godine kao izbjeglica sa svojom porodicom otišao u mjesto Ivanić predgrađe Zagreba i tu sam boravio u sabirnom centru oko dva mjeseca. U tom periodu sam se u sabirnom centru viđao sa Ademom Kostjerevcem. Nakon mog odlaska u Ameriku Adem je i dalje ostao u Hrvatskoj u sabirnom centru Ivanić. Još mi je poznato da je Adem Kostjerevac bio sa suprugom i četvero djece. Nakon mog odlaska živio sam u državi Vašington i nisam bio u kontaktu sa Ademom Kostjerevcem. Također, nemam saznanja gdje isti živi u kom gradu i u kojoj državi u Americi.
8. Na upit istražitelja da li mu je poznato da li Adem Kostjerevac dolazi u Bosnu i Hercegovinu svjedok odgovara da ne zna da li Adem dolazi i da li je dolazio u Bosnu i Hercegovinu.
9. Potvrđujem da nemam ništa više da dodam.
10. Potvrđujem da nemam primjedbi na način na koji je vođen razgovor i da mi nije prijećeno niti bilo šta obećano.
11. Potvrđujem da su prema mom najboljem znanju i uvjerenju odgovori istiniti.

WITNESS STATEMENT

The witness commences the statement at 11.25 hrs.

1. Before the war I lived in the family house in Novo Selo, Zvornik Municipality, together with my wife Zumra Muratović, nee Kosterjevac, daughters Merima and Mirnesa and son Haso, and my mother Habiba Muratović. I was employed in Valjevo, in Serbia, as a blaster, and I would usually work for a month, after which I would get four days off that I would use to go back home and spend time with my family. When I was returning home from Valjevo, I think it was on 22 April 1992, on the *Filipa Kljajića* bridge I was halted by the police of Serbia who checked my ID, whereupon they told me to go to the Crisis Staff in Karakaj to be issued with a movement permit to be able to get to my village, which I did. I arrived in that Crisis Staff together with another two men -- I knew one of them by the name of Rasim Ahmetović but I did not know the other one – and then one of the men who were in that Staff took us to one of the rooms in which there was a group of five or six people whom I did not know. I was held in this room for five or six hours whereupon I was transported to the place of Čelopek to the *Ekonomija* farm. I was detained at this farm together with people whom I did not know; there were eleven of us in total. I slept the night over at this farm whereupon they took back the five of us to the Staff in Karakaj. After that I was exchanged at Divič and I crossed to the

territory under the control of Muslim village patrols.

2. I have known Adem Kosterjevac since before the war, since 1985, when I married his sister Zumra and since then I used to see him from time to time. I might have seen

Adem Kosterjevac twice during the armed conflict in the territory of Zvornik Municipality. I think that Adem Kosterjevac was a member of the Military Police during the war. On these two occasions when I saw him Adem was in civilian clothes and was unarmed. Adem was some 180 centimeters tall, of sturdy build, had dark complexion and curly hair, but I cannot remember if he had moustache.

3. I did not personally know Andja Obradović before the war, although my family had good relations with the Obradović family. In the period from 2006, after I had been deported from the United States of America, I lived at my sister's in the village of Snagovo, Zvornik Municipality. The first time that I saw Andja Obradović was after 2008.

4. In 1992, I was in the village of Šahmani, where I live, and some time in the fall of that year I heard that Andja Obradović was captured by the Muslim village formations and that she was taken to the hamlet of Bajrići where the headquarters of the village patrols was, to my knowledge. I learned this piece of information from the people in the village. The first time I heard about the ordeal of Andja Obradović was in 2008, from her brother-in-law Žarko Obradović, who told me on that occasion: "Your wife's brother raped my sister-in-law Andja." Žarko told me that Andja had personally conveyed this information to him.

5. Asked by the investigator, I hereby state that I have no knowledge of who captured and took Andja to Bajrići. I also do not know where she was detained, who guarded her and who was in charge in the village of Bajrići in 1992, when the war started.

6. Asked by the investigator if the witness knew Nenad Lukić, who had been captured together with Andja Obradović, the witness responded that he did not know that person and that he did not have any information about Nenad Lukić's capturing in 1992.

7. In 1997 or 1998, I and my family went as refugees to the place of Ivanić, a suburb of Zagreb, and stayed in a collection center there for about two months. In that period I used to see Adem Kostjerevac in the collection center. When I had gone to the States, I left Adem behind in the collection center in Ivanić in Croatia. I also know that Adem Kostjerevac was with his wife and four children. After I had left the center, I lived in the State of Washington and I did not have contact with Adem Kostjerevac. I do not know where he lives now, in which city and state in the United States, either.

8. Asked by the investigator if he knew whether Adem Kostjerevac came to Bosnia and Herzegovina, the witness responded that he did not know if Adem came to Bosnia and Herzegovina previously or recently.

Signature of the witness: Muratović Omer

9. I hereby confirm that I have nothing more to add.
10. I hereby confirm that I have no objection to the manner in which this interview was conducted and that I was neither threatened nor promised anything.
11. I hereby confirm that my answers are truthful to the best of my knowledge and belief.
12. I hereby confirm that I have read this statement and that it is a verbatim record of the interview and I affix my signature underneath it and on the top and the bottom of every page.

The witness statement ends at 13.00 hrs.

4 Izvolite gđo/gdice Sellers.

5 GĐA/GDICA SELLERS:

6 P. Gđo Radović, da li ste razumjeli šta Vam je sudija Agius rekao?

7 O. Da.

8 P. Hvala. Željela bih Vas pitati, tokom vremenskog perioda kojeg
9 ste proveli na mjestu kojeg nazivamo sklonište, jeste li ikada bili
10 seksualno napadnuti?

11 O. Da.

12 P. Biste li samo Pretresnom vijeću svojim vlastitim riječima rekli
13 o prirodi tog seksualnog napada, osobi, ako znate, koja je počinila
14 seksualni napad.

15 SUDIJA AGIUS: Idemo jedno po jedno.

16 Priroda seksualnog napada, kakav je to seksualni napad bio -- i
17 da li je bio? I da li je uvijek bio isti.

18 SVJEDOK: [Prijevod] Mislim da Vas nisam dobro
19 razumjela.

20 GĐA/GDICA SELLERS: Mogu li biti eksplicitnija?

21 SUDIJA AGIUS: Da, mislim da trebate, i mislim da je bolje da
22 Vi postavljate pitanje a ne ja.

23 GĐA/GDICA SELLERS:

24 P. Gđo Radović, jeste li ikada bili silovani dok ste bili u skloništu?
25 O. Da.

1 P. Možete li molim Vas reći Pretresnom vijeću okolnosti pod kojima
2 ste bili silovani.

3 O. Užasne.

4 P. Ako Pretresnom vijeću možete samo ukratko objasniti prvi put
5 odnosno bilo koje naknadne navrate kada ste bili silovani, molim Vas.

6 O. Drugu noć, a onda i kasnije, prvi, Radim -- dogodilo se
7 više puta. Ime osobe je Adem. Bio je previše grub. A onda je
8 naišao i školski kolega mog oca i rekao da će se zauzeti za
9 mog muža. Nadimak je bio „Dupla palica“. Kasnije sam mnoge stvari
10 skrivala od svog muža, a ni ovdje nisam spremna da govorim o tim
11 stvarima.

12 P. Gđo Radović, da li bi Vaš iskaz bio da su Vas silovale
13 najmanje dvije osobe dok ste bili u skloništu, taj Adem i ova druga
14 osoba koju opisujete da je poznavala Vašeg oca?

15 O. Da, da, da.

16 P. Dakle, da li je prva osoba dok ste bili zatvorenici u skloništu, Adem,
17 bila neko koga ste poznavali od ranije, prije nego što ste bili zatvorenici u skloništu?

18 O. Da.

19 P. Da li ste ga poznavali iz Vašeg sela?

20 O. Iz Novog Sela, da

21 P. U vrijeme kada Vas je silovao, da li je nosio uniformu ili
22 je nosio civilnu odjeću?

23 O. Uniformu, a bio je i naoružan.

24 P. I je li Adem bosanski Srbin, bosanski musliman ili neke druge
25 nacionalnosti?

Sredok: Anda Radović (zatvorena sjednica)
Četvrtak: Željka Češić

O. Musliman.

2 P. A druga osoba koju ste opisali i koja Vas je takođe silovala,
3 biste li Pretresnom vijeću rekli kakvu je odjeću nosila, ako je
4 ikakvu.

5. O. Uniformu, a bio je i naoružan.

P. I da li je ta osoba bila bosanski musliman ili bosanski Srbin?

7. O. Musliman.

8 P. A kao rezultat tih seksualnih napada, da li je nastupio vremenski
9 period kada ste pokušali izvršiti samoubistvo?

10 O. Da.

11 P. Sjećate li se koliko Vas je puta ta osoba koju zovete Adem
12 silovala?

13 O. Stvarno ne mogu reći tačno. Mislim da sam u izjavi rekla
14 nekoliko puta. Vjerovatno je bilo više puta, ali ne želim preuvećavati
15 broj.

16 P. A što se tiče druge osobe koja Vas je silovala, znate li koliko
17 Vas je puta on silovao?

18 O. Jednom.

19 P. Je li Adem imao nadimak?

20 O. Palica.

21 P. Da li biste molim Vas naveli ime druge osobe koja Vas je silovala
22 i da li je i ona imala nadimak.

23 O. Ne znam mu ime. Znam da je njegov nadimak bio „Druga
24 palica“.

25 P. Hvala.

[Zatvorena sjednica]

SUDIJA AGIUS: Sada smo na zatvorenoj sjednici gđo/gđice Sellers.

GĐA/GĐICA SELLERS: Hvala.

P. Gđo Radović, željela bih Vas pitati, kao što sam to uradila kada smo kratko govorili o skloništu, jeste li bili seksualno napanduti, što znači da li ste ikada bili silovani dok ste bili u štali?

O. Da, izvan štale, u lovačkoj kućici.

P. To je kućica od cerade o kojoj ste ranije svjedočili?

O. Da, ispred štale.

Svјedok: Mendoљev Đurić (nastavak) (otvorena sjedница)
Uprkosno ispituje g. Lazarević

Strana 4804

1 P. Dakle, da li znate ko Vas je silovao dok ste bili u štali?

2 V. Veiz.

3 P. Dakle, je li Veiz bio jedan od stražara koji je bio u štali,
4 ili je to bila neka druga osoba?

5 O. Da bio je stražar.

6 P. I kao stražar u štali, je li bio obučen u uniformu i da li je
7 nosio naoružanje?

8 O. Da, imao je uniformu i naoružanje.

9 P. Dakle, ako se možete prisjetiti, da li biste Pretresnom vijeću
10 rekli da li ste u štali bili silovani jednom ili u više navrata?

11 O. Više puta.

12 P. Ako mogu pitati, da li bih mogla reći da je bilo više od tri puta?

13 O. Mislim da jeste.

14 P. Dakle, nakon što bi se silovanje desilo, da li biste ikada ikome
15 od kolega zatvorenika rekli šta se desilo?

16 O. Rekla sam Radi Pajiću, a kasnije je on to rekao nekome drugom i
17 onda je taj čovjek došao i spriječio da se to ponovi. Veiza je
18 prerasporedio negdje drugo. Nije dolazio sedam dana, a kada se vratio,
19 bio je agresivan i ljut. A onda ga je taj čovjek, čije ime ne znam, i ne
20 mogu da lažem u vezi s tim, izgrdio i bio je poprilično žestok s njim.
21 A on je poricao, rekao je da je lagao (sic. vjerovatno 'da je lagala'). A
22 ja sam rekla: „Ne, to je sve istina, nisam lagala. Nisam poznavala tog
23 čovjeka, ali je on za to čuo od Radeta Pejića.

24 P. Da se samo malo vratimo na to. Čovjek o kojem govorite, je li taj
25 čovjek došao u određenom momentu i zamolio Vas da izadete iz štale?

Svjetok: Mendeljev Đurić (nastavak) (otvorena sjednica)
Unakrsno ispituje g. Lazarević

Strana 4805

1 O. Da. Otvorio je vrata i pozvao me da izđem van. Da, došao je.

2 P. I je li Vas pitalo da li ste bili seksualno intimni s nekim
3 ili ne?

4 O. Mislite čovjek u štali?

5 P. Čovjek koji Vas je zamolio da izđete iz štale, kojem sta onda
6 rekli i koji je izgledao kao da je bijesan na čovjeka koji Vas je silovao,
7 da li Vas je zamolio da izđete van štale i zatim Vas pitalo da li ste bili
8 seksualno intimni s nekom osobom ili ne?

9 O. Da. Došao je -- neko mu je rekao za to, pa je došao, otvorio
10 vrata i pozvao Andu Radović da izđe napolje. Onda me je suočio sa
11 Veizom, Veiz je to sve poricao, a onda sam ja rekla: "Jeste, istina je,
12 u više navrata". A to se dešavalo izvan štale. Nakon toga je Veiz bio
13 preraspoređen negdje drugo. Nije više bio u štali, tako da nisam imala
14 seksualne odnose ni sa kim drugim nego s Veizom.

15 P. Dakle, bi li Vaš iskaz bio da je ta osoba, koja je izgleda imala
16 određeni autoritet nad Veizom, odvojila vrijeme da Vas pita da li se to
17 dogodilo i onda Vas suočila -- suočila Veiza sa Vama?

18 O. Prirodno je bilo da želi da nas suoči, da vidi da li je to bila
19 istina, jer je Veiz bio rekao da sam lagala. A ja sam rekla; briga me.
20 On je kasnije rekao da bih trebala biti zahvalna, jer Bog zna šta mi se
21 još moglo dogoditi.

22 P. A kao rezultat intervencije te osobe od autoriteta,
23 jesu li silovanja prestala?

24 O. Da.

25 P. I da li je izgledalo da je kao rezultat intervencije te osobe

Veiz bio kažnjen odnosno da mu tokom izvjesnog vremenskog perioda
nije bilo dozvoljeno da čuva štalu?

O. Mislim da je bio kažnjen, jer nije dolazio. Bilo mu je zabranjeno
da dolazi, najvjerojatnije zbog toga što je bio kažnjen.

P. I da li je Veiz ikada ponovo čuvalo štalu nakon tog perioda
kazne?

O. Jednom je došao i otvorio vrata, doveo svog sina Zorana i rekao:
„Ovo je moj sin Zoran koji je pripadnik ZNG“. I ranije, dok smo se
raspravljali, rekao je da su mu se pravoslavke smučile.

P. Je li to bilo ono što je rekao ovoj osobi od autoriteta kada je
pokušavao da porekne činjenicu da Vas je silovao?

O. Nisam razumjela.

GĐA/GDICA SELLERS: Časni sude, povući ću pitanje.

P. Gđo Radović, imam samo još jedno pitanje u vezi s ovim.

Da li je Vaš utisak bio da zbog činjenice da je po svoj prilici ova osoba
od autoriteta iskritikovala Veiza više niste bili silovani dok ste bili
u štali?

O. Da.

GĐA/GDICA SELLERS: Časni sude, možemo se vratiti na otvorenu sjednicu.

SUDIJA AGIUS: Da. Sudija Eser ima jedno pitanje.

SUDIJA ESER: Samo radi pojašnjenja, ime Adem se pojavljuje
dva puta. Spomenuli ste ime Adem, po nadimku Kostijerevac, koji je počinio
silovanje nad Vama, a zatim spominjete Adema Hurića. Jesu li ovo dva
različita Adema, dvije različite osobe, ili je to isti Adem?

SVJEDOK: [Prijevod] Adem Hurić me zaštitio u Cerskoj,

Svjedok: Mendeljev Đurić (nastavak) (otvorena sjednica)

1 Adem Hurić. A druga osoba je Adem Kostijerevac, prvi koji se zvao
2 „Palica“. Onaj koji me je zaštitio bio je Adem Hurić. To je u
3 vezi s Veizom u štali. On je imao ključ i zvao se Adem, jer je Mišo
4 znao njegovo ime, ali ja nisam znala tog čovjeka.

5 SUDIJA ESER: Dakle, ovaj Adem, koji je imao ključeve od štale,
6 da li je on po Vašem sjećanju imao ikakav drugi autoritet u odnosu na
7 druge vojниke, ili je imao samo ključeve i ništa -- nije imao ništa
8 drugo na osnovu čega bi komandovao ili rekao bilo šta vojnicima?

9 SVJEDOK: [Prijevod] Pa, mislim da je, pošto je bio tako dobar
10 prema meni, morao biti dobar i prema njima.

11 SUDIJA ESER: Ali imate li -- sjećate li se da li je imao kakav
12 autoritet da daje naredenja drugim vojnicima oko njega?

13 SVJEDOK: [Prijevod] Da nas zaštiti ili...?

14 SUDIJA ESER: Da.

15 SVJEDOK: [Prijevod] Mislim da je imao autoritet,
16 jer su ga poštivali.

17 SUDIJA ESER: Hvala.

18 SUDIJA AGIUS: Hvala. Možemo li se vratiti na --

19 GĐA/GĐICA RICHARDSON: Imam jedno pitanje u vezi s tim.

20 SUDIJA AGIUS: Izvolite gđa/gđice Sellers, molim Vas da nastavite.

21 GĐA/GĐICA SELLERS:

22 P. Gđo Radović, željela bih samo da Vas pitam, osoba od autoriteta,
23 koji je izgleda kaznio Veiza, možete li Pretresnom vijeću reći kako je
24 bio obučen i da li je bio naoružan?

25 O. Ne, nije bio naoružan, ali je imao uniformu. Nisam vidjela

Svjedok: Mendeljev Đurić (nastavak) (otvorena sjednica)

nikakvo naoružanje, vidjela sam samo uniformu.

P. I da li je Vaš utisak bio da je imao neku vrstu više funkcije odnosno komandne funkcije nad stražarem Veizom?

4 O. Mislim da je imao autoritet, jer ga je prerasporedio negdje
5 drugo.

6 P. Hvala.

7 GĐA/GĐICA SELLERS: Sada se možemo vratiti na otvorenu sjednicu.

1 until -- as long as we remain in private session. In other words, no one
2 can hear what you are testifying, and no one can see what is happening,
3 all right?

4 Yes, Ms. Sellers.

5 MS. SELLERS:

6 Q. Ms. Radovic, did you understand what Judge Agius said to you?

7 A. Yes.

8 Q. Thank you. I would like to ask you, during the time period you
9 spent at the place we've referred to as the shelter, were you ever sexual
10 assaulted?

11 A. Yes.

12 Q. Would you just tell the Trial Chamber, in your own words, the
13 nature of the sexual assault, the person, if you know, who committed the
14 sexual assault, and the frequency of the sexual assault.

15 JUDGE AGIUS: Let's take them one by one.

16 The nature of the sexual assault, what kind of sexual assault was
17 that -- was it? And was it always the same?

18 THE WITNESS: [Interpretation] I don't think I understand you
19 properly.

20 MS. SELLERS: Can I be more explicit?

21 JUDGE AGIUS: Yes, I think you need to be, and I think it's better
22 if you put the question rather than I.

23 MS. SELLERS:

24 Q. Ms. Radovic, were you ever raped while you were at the shelter?

25 A. Yes.

*(Witness: Andja Radovic (Private Session)
Examined by Ms. Sellers)*

Page 4794

1 Q. Could you please tell the Trial Chamber the circumstances under
2 which you were raped.

3 A. Horrible.

4 Q. If you can just briefly explain the first time, or any subsequent
5 times in which you were raped to the Trial Chamber, please.

6 A. The second night, and then afterwards, the first one, Radim -- it
7 happened a number of times. The name of the person was Adem. He was too
8 rough. And then my father's schoolmate came along, and he said that he
9 would stand in for my husband. The nickname was "Double Bat". Later I
10 kept many things from my husband, and I'm not prepared to discuss these
11 matters here either.

12 Q. Ms. Radovic, would it be your testimony that you were raped by at
13 least two persons while you were at the shelter, this Adem and this other
14 person who you describe as knowing your father?

15 A. Yes, yes, yes.

16 Q. Now, was the first person, Adem, someone who you knew from before,
17 being imprisoned in the shelter?

18 A. Yes.

19 Q. Did you know him from your village?

20 A. From Novo Selo, yes.

21 Q. At the time that you were raped by him, was he dressed in a
22 uniform or was he wearing civilian clothes?

23 A. Uniform, and armed.

24 Q. And was Adem a Bosnian Serb, a Bosnian Muslim, or another ethnic
25 group?

Witness: Andja Radovic (Private Session)

Page 4795

1 A. Muslim.

2 Q. Now, the second person that you described who also raped you,
3 would you tell the Trial Chamber what clothing, if any, that he was
4 wearing.

5 A. Uniformed, and armed.

6 Q. And was this person a Bosnian Muslim or a Bosnian Serb?

7 A. Muslim.

8 Q. And as a result of those sexual assaults, did there come a time
9 period when you tried to commit suicide?

10 A. Yes.

11 Q. Do you remember how many times the person that you referred to as
12 Adem raped you?

13 A. I really can't say exactly. I think in the statement I said
14 several times. It was probably many times, but I did not wish to
15 exaggerate the number.

16 Q. And as far as the second person who raped you, do you know how
17 many times that person raped you?

18 A. Once.

19 Q. Did Adem have a nickname?

20 A. Bat, Palica, P-a-l-i-c-a.

21 Q. And would you please state the name of the second man who raped
22 you, and whether he had a nickname also.

23 A. I don't know his name. I know that his nickname was "The Second
24 Bat."

25 Q. Thank you.

19 MS. SELLERS: Thank you.

20 Q. Ms. Radovic, I'd like to ask you, as I did when we spoke briefly
21 about the shelter, were you ever sexual assaulted, meaning were you ever
22 raped while you were at the stable?

23 A. Yes, outside of the stable, in the guards' hut.

24 Q. That's the tarpaulin hut that you testified about earlier?

25 A. Yes, in front of the stable.

1 Q. Now, do you know who raped you while you were at the stable?

2 A. Veiz.

3 Q. Now, was Veiz one of the guards who was at the stable, or is it
4 another person?

5 A. Yes, he was a guard.

6 Q. And as a guard at the stable, was he dressed in a uniform, and did
7 he carry a weapon?

8 A. Yes, he had a uniform and a weapon.

9 Q. Now, if you can remember, would you tell the Trial Chamber whether
10 you were raped on one occasion or several occasions at the stable?

11 A. Several times.

12 Q. If I might ask, could I say that it was more than three times?

13 A. I think it was.

14 Q. Now, after the rapes would occur, would you ever tell your fellow
15 prisoners what had happened?

16 A. I told Rado Pejic, and then later on he told somebody else and
17 then that man came and he prevented that from happening again. He
18 reassigned Veiz someplace else. He didn't come for a week, and when he
19 returned he was aggressive and angry. And then this man, whose name I
20 don't know, and I can't lie about it, scolded him and was quite severe
21 with him. And he denied, he said that he had lied. And I said, No, this
22 is all true, I didn't lie. I didn't know the man, but he heard it from
23 Rado Pejic.

24 Q. Let's just go back to that a bit. The man who you're referring
25 to, did that man, at one time, come and ask you to come out of the stable?

Witness: Andja Radovic (Private Session)
Examined by Ms. Sellers

Page 4805

1 A. Yes. He opened up the door and called me out. Yes, he came.

2 Q. And did he ask you whether you had been sexually intimate with
3 someone or not?

4 A. You mean the man in the stable?

5 Q. The man who asked you to come out of the stable, who you then
6 testified seems as if it was mad at the person who raped you, did he ask
7 you to come out of the stable and then ask you whether you had been
8 sexually intimate with a person or not?

9 A. Yes. He came -- somebody had told him that, so he came, opened up
10 the door and called Radovic Andja out. And then he confronted me with
11 Veiz, Veiz denied it all, and then I said, Yes, that's true, on a number
12 of occasions. And this took place outside of the stable. And then after
13 that Veiz was reassigned some place else. He was not there in the stable
14 anymore, so I did not have sexual relations with anyone else but Veiz.

15 Q. So would it be your testimony that this person, who appeared to
16 have some authority over Veiz, took the time to ask you whether that
17 happened and then confronted you -- confronted Veiz with you?

18 A. Naturally, he wanted us confronted, to see whether that was true,
19 because Veiz had said that I lied. And I said, I don't mind. And later
20 on, he said that I should be grateful because God knows what else could
21 have happened.

22 Q. And as a result of the intervention of that person of authority,
23 did the rapes stop?

24 A. Yes.

25 Q. And did it appear, as a result of the intervention of that person

Witness: Andja Radovic (Private Session)
Examined by Ms. Sellers

1 of authority, that Veiz appeared to have been punished or not allowed to
2 guard the stable during a period of time?

3 A. I think that he was punished because he didn't come. He was
4 banned from coming, most likely because he had been punished.

5 Q. And did Veiz ever guard the stable again after that period of
6 punishment?

7 A. He came once and opened the door, brought his son, Zoran, and
8 said, This is my son Zoran who is a member of ZNG. And previously, while
9 we were arguing, he said that Orthodox women sickened him.

10 Q. Is that what he told the person in authority when he was trying to
11 deny the fact that he raped you?

12 A. I didn't understand.

13 MS. SELLERS: Your Honours, I'll withdraw that question.

14 Q. Ms. Radovic, I just have one other question concerning this area.
15 Is it your impression, the fact that this person of authority seemed to
16 have castigated Veiz, that you were no longer raped while you were at the
17 stable?

18 A. Yes.

19 MS. SELLERS: Your Honour, we can go back into open session.

20 JUDGE AGIUS: Yes. Judge Eser has a question.

21 JUDGE ESER: Just for clarification, the name Adem appeared two
22 times. You mentioned the name of Adem, nicknamed Kostijerevac, who
23 committed rape on you, and then you mentioned Adem Huric. Has this been
24 two different Adems, two different persons, or is this the same Adem?

25 THE WITNESS: [Interpretation] Adem Huric protected me in Cerska,

Ms. Andja Radovic (Private Session)
Interpreted by Ms. Sellers

Page 4807

1 Adem Huric. And the other person is Adem Kostijerevac, the first one
2 called "Bat". The one who protected me was Adem Huric. That was to do
3 with Veiz at the stable. He had the key and was called Adem, because Miso
4 knew his name, but I didn't know the man.

5 JUDGE ESER: Now, this Adem, who had the keys to the stable,
6 according to your recollection, did he have any other authority with
7 regard to other soldiers, or was he just having the keys and nothing --
8 had nothing else to command or to say to other soldiers?

9 THE WITNESS: [Interpretation] Well, I think that since he was so
10 nice to me, he must have been nice to them as well.

11 JUDGE ESER: But do you have -- do you recollect whether he had
12 some authority to give orders to the other soldiers around him?

13 THE WITNESS: [Interpretation] To protect us or ...?

14 JUDGE ESER: Yes.

15 THE WITNESS: [Interpretation] I think that he had authority,
16 because they respected him.

17 JUDGE ESER: Thank you.

18 JUDGE AGIUS: I thank you. Can we go back to --

19 MS. RICHARDSON: I have one question with regard to that.

20 JUDGE AGIUS: Yes, Ms. Sellers, please go ahead.

21 MS. SELLERS:

22 Q. Ms. Radovic, I would just like to ask you, the person in authority
23 who seemed to punish Veiz, could you tell the Trial Chamber how he was
24 dressed, and whether he was armed?

25 A. No, he wasn't armed, but he had a uniform. I didn't see any

Witness: Andja Radovic (Private Session)
Examined by Ms. Sellers

1 weapons, I saw a uniform only.

2 Q. And was it your impression that he had some type of superior role
3 or command role over the guard Veiz?

4 A. I think that he did have authority, because he reassigned him
5 elsewhere.

6 Q. Thank you.

7 MS. SELLERS: We can go into open session now.

8 JUDGE AGIUS: Let's go into open session again, please, registrar.

Republika Srpska
Municipal Administration Zvornik
War Veterans-Disabled Persons' Protection Department
Number: 06-560-57/00
Zvornik, 11 March 2005

The War Veterans-Disabled Persons' Protection Department Zvornik, in the case of establishing the rights to personal disability allowance, pursuant to Article 126 of the Republika Srpska Law on the Entitlements of War Veterans, Militaries with Disabilities and Families of Soldiers Fallen in the Fatherland War ("Official Gazette of Republika Srpska", No. 46/04 and 53/04) and Articles 112 and 190 of the Law on General Administrative Procedure ("Official Gazette of Republika Srpska", No. 13/02) hereby issues the following

DECISION

1. Obradović, (Slavko) Andja from Novo Selo - Drinjača is further recognised the status of a war disabled person of the VII category with 50 % disability on a permanent basis, with the right to:
 - personal disability allowance in the monthly amount of 13 % of the base for calculation of monthly income,
 - allowance for care and help of the n/a level in the monthly amount of n/a % of the base for calculating monthly income,
 - orthopaedic allowance of the n/a level in the monthly amount of n/a % of the base for calculating monthly income, for as long as the conditions provided for in the Law exist.
2. The named person shall, within a period of 15 days from the date of occurrence of any changes, report to this Department every change affecting the use of the above-mentioned right.
3. This Decision shall replace the Decision of the War Veterans-Disabled Persons' Protection Department Zvornik, Ref. No. 06-560-57/00 dated 5 December 2000.
4. This Decision shall be subject to review, but the review and any appeal to it shall not stay the execution of the Decision.

Reasoning

By the replaced Decision with the Ref. No. 06-560-57/00 dated 5 December 2000, Andja Obradović was recognised the status of a war disabled person of VII category with 50% disability on a permanent basis, the right to a personal disability allowance for the aforementioned category and the right to the allowance for care and help of the n/a level and the orthopaedic allowance of the n/a level.

The provisions of Article 126 of the Republika Srpska Law on the Entitlements of War Veterans, Militaries with Disabilities and Families of Soldiers Fallen in the Fatherland War ("Official Gazette of Republika Srpska", No. 46/04 and 53/04) stipulates that the municipal administrative authority responsible for protection of war veterans and disabled persons shall, *ex officio*, issue a Decision on Transfer pursuant to the new Law.

In line with the above mentioned and after examining the case file, this authority has established that the earlier Decision was lawful and that conditions referred to in Article 4 in conjunction with Article 2 and Article 40- XXXXXX of the aforementioned law are met to continue to recognise to the named person the status of a war disabled person of the VII category with 50 % disability on a permanent basis, with the right to the personal disability allowance for the aforementioned category, as well as the right to the allowance for care and help of the n/a level and the orthopaedic allowance of the n/a level.

The amount of funds received as personal disability allowance is determined for the purpose of Article 20 and 49 of the Republika Srpska Law on the Entitlements of War Veterans, Militaries with Disabilities and Families of Soldiers Fallen in the Fatherland War ("Official Gazette of Republika Srpska", No. 35/99) until 31 December 2004 and, as of 1 January 2005, for the purpose of Article 16 and 42 XXXXXXXXXXXXXXXX in conjunction with Article 109 of the Republika Srpska Law on the Entitlements of War Veterans, Militaries with Disabilities and Families of Soldiers Fallen in the Fatherland War, and in accordance with Article 129 and 130 of the same Law.

In accordance with the foregoing and pursuant to provisions of Article 130 of the new Law, it was decided as stated in the operative part of the Decision.

This Decision shall be subject to review, but the review and any appeals to it shall not stay its execution, pursuant to the application of provisions of Article 89 of the Law.

An appeal against this Decision may be lodged with the Ministry of Labour and War Veterans and Disabled Persons' Protection in Pale within a period of 15 days from the date of receiving the Decision. The appeal is to be lodged through this Department, either in writing or verbally, by a statement given for the record, and it is exempt from stamp duty.
